Dear Business Owner,

Our local Ringette Association was formed in the early 1980's to administer and promote the sport of Ringette in Rockland and surrounding area. Clarence-Creek and Rockland Ringette Associations merged in 2000. Since their inception, Clarence Rockland Ringette Association (CRRA) has worked tirelessly to maintain the association and to offer a winter sport for girls.

Ringette is a Canadian invention that has become one of the fastest team sports on ice. Sam Jacks, from North Bay, Ontario, invented the sport in 1963 when he saw the need for a winter team sport for girls.

Each player pays a registration fee which covers ice time, officials, jerseys, administrative costs, etc. They also pay a Team Fee which covers, extra ice time, tournaments registration, off-ice training and team equipment and apparel. Currently, regional sanctioned Ringette tournaments have fees of up to \$850.00 and Provincial Championships fees is over \$1,000. Ice costs have increased significantly in the last few years.

To help offset these costs, we are hoping that you would consider sponsoring a player of one of our teams. Our players and teams truly appreciate the assistance of community minded business. Please review the packages we have available in the attached document. Sponsorship donations can be made by check, payable to CRRA (Clarence Rockland Ringette Association) and can be sent/given to the Team representative. Please include a mailing address with your sponsorship so we can provide you with a receipt in early January.

If you have any questions, you can contact Melissa Gaudreau at [presidentcrra@gmail.com](mailto:presidentcrra@gmail.com)  
On behalf of the entire association we thank you in advance for your contribution

Melissa Gaudreau  
President (CRRA)
