

7v7 COED

The 2024 Spring season of COED has 18 teams! This is up 5 teams from the Summer 2023 season, however the teams involved have seen a significant change.

2024 Spring season has 9 teams that are new to the 7v7 COED program. This creates a challenge in arranging teams into divisions, when half the teams are new.

The Spring season will be two groups of teams and will act as a seeding round to place teams for the Summer 2024 season.

Following the Spring season, the top 4 teams in each group will be put together to form an Intermediate Division in the Summer. The bottom 5 teams in each group will be put together to form a Recreational division in the Summer. New teams may register for the Summer season and division formation may be adjusted to accommodate new teams.

Guest Play – For Spring season, the Blue and Red divisions are considered equal, so a 7v7 COED player can guest play onto any other 7v7 COED team. **Guest players cannot come from COED Boarded.**

Further program information will be released in the coming weeks. All teams are encouraged to have a representative attend the virtual Managers Meeting on April 24th.
