

COED Boarded

The 2024 Spring Season of COED Boarded has 29 teams, with 4 teams being new to the Spring/Summer seasons.

The biggest change we saw this season is the closure of the Intermediate division. There were 2 returning teams who requested Intermediate, all other teams requested Recreational or Ultra Recreational.

Following the Spring season, game results will be evaluated within both Recreational and Ultra Recreational to determine the path forward for the Summer season.

Recreational A

Jimmy Kick-Its
Marky Mark & The Funky Bunch

Recreational B

Ultra Recreational B
