ASA Air Quality Monitoring

Guidelines exist for assessing air quality at local fields and awareness of potential health impacts. They use Air Quality Health Index (AQHI) to determine if games are to be played.

Rescheduling

The City of Calgary field return policy is a **minimum of 30 days notice**. This includes indoor and outdoor venues.

This means that the league must return an unused field more than 30 days prior to the permit date otherwise the league is charged for the field's usage.

CUSA is also charged for every amendment to the field permit.

As a result, the [Rescheduling Policy and Procedure](#), Reschedule Charges and Forfeiture Fines have been updated to reflect these changes:

- More than 30 Days – No Charge
- Less than 30 Days but More than 3 Business Days - \$150.00
- Less than 3 Business Days - \$300.00

The more games you move in May and June to later in the season can, and usually does, result in too many games in late August and September.

League Games

For best results – have players register at least 24 hours prior to game time

Player Card Check Process

- The referee will complete the player card check for every individual on the field or in the technical area.
- Player/coaches should present both a player's card, and a coach's card.
- Once all players have been checked, the official will retain the bundle of player cards.
- The official will keep the player card of anyone who is dismissed from the game to be submitted to the league office with a misconduct report.

Fair Play Points

The Fair Play Team Award is intended to foster the spirit of fair play for the competition. A team includes all players, coaches, and other team officials on the team roster.

All teams start off the game with a Fair Play Score of 10.

Demerits can range from -2 to -25 depending on infraction.

Teams may earn merit by submitting a [Referee Evaluation](#) within two weeks of the date of a game.

Teams are expected to Average 6 Fair Play Points per Game, including any earned demerit points. Does not include Referee Evaluation points.

Failure to meet these standards may result in higher Fair Play expectations in future seasons.

Teams may be invited to a Discipline Committee to provide action plan for improvement.

At the completion of the season, the 2 teams with the top fair play score for their division split (65/35) the Fair Play Pool for their division.

Referees and League Discipline

“Only the Captains” new IFAB law

Only the Captain Guidelines for Referees

The IFAB has rolled out guidelines to help referees control situations where there is **mass protest or crowding/mobbing** by multiple players towards the referee

These guidelines will allow the referee to diffuse contentious situations with teams by being able to communicate clearly to the teams in a respectful and collaborative environment. “Only the captain” does not relate to situations of isolated dissent or general disagreement from players. Referee-player interaction remains important to the game and other players may continue to interact with the referee in respectful and isolated ways.

When the referee initiates this signal:

- All players, except the captain from each team, must stop confronting the referee and leave the 4-meter “captain-only zone”.
- Any players breaching the 4-meter captain-only zone once it is established, will be sanctioned with a **yellow card for dissent by action**.
- In situations where the captain is not on the field of play, or the team does not have an identifiable captain, **the referee will designate one player from each team** to act as “captain”.
 - Team officials, and substitutes are not to enter the field or the 4-meter captain-only zone.
- All other players must leave the 4-meter zone after both teams have captains designated and/or identified.

Referees should discuss the new guidelines and procedures with the captains of both teams during the pre-game coin-toss.

The captains should be reminded that they have a degree of responsibility for **encouraging team-mates to respect the captain-only zone and remain at least 4 meters away from the referee when this situation arises.**

Referee's signal to indicate Only The Captain Guidelines are initiated, and the establishment of the 4-meter captain-only zone

Only the captains

- For situations of mass protest / 'Mobbing'
- Not all dissent situations
- 4 metre captain-only zone
- Yellow card for not retreating (dissent by action)
- Pre-game identification of captain (armband optional)
- Captain should assist ref when needed
- Discussions between referee and captain remains conditional

Referees

- Additional courses and training being undertaken
- Much like players, referees cannot learn without gaining in-game experience. Young officials need time to develop
- All referees are amateur and will have differing levels of skills and experience.
- **Potential for paid AR's under review for 2026.**
- Abuse of officials will not be tolerated by CUSA or ASA.
- Be part of the solution – course refund for our members

Yellow Cards

- An accumulation of 3 yellow cards = 1 Game Suspension
- Team and Player responsible for tracking yellow cards
- Website can be used to track information – update game stats immediately if only using the website.
- Automated warning emails sent to team and player at 2nd accumulated yellow card (cannot always be prior to future games)
- Failure to sit next league game following 3rd yellow will result in forfeiture and further suspension.

Discipline Records

Tracking of accumulation of Yellow cards remain with the team/player to be aware.

Cards are verified on the website as the game sheets arrive in the office.

* Volunteers for Discipline Committee

Threats of violence, excessive abusive language or contact to an official will be sent to Alberta Soccer for their discipline panel to adjudicate. You will be suspended from ALL Soccer Activities until the hearing is held – playing, training, coaching and officiating.

Discipline Update

- Concerning trends
 - 3rd player in an altercation, leading to mass confrontation
 - Unidentified people in bench area disrupting game – can result in forfeiture
 - Inappropriate behavior following receiving a red card
 - Repeat Offences – suspensions become longer.

Following a Red Card

Players must gather their belongings quickly and leave the field. Players must be out of sight of the official. Continued verbal abuse following ejection will result in additional sanctions.

Set your team up for Success

- Have game sheet fully completed before presenting to the official.
- All individuals in the technical area must be on the game sheet and present a CUSA card.
- Ensure a red carded player leaves the field in a timely manner and does not continue to dispute with the official.

Illegal player usage

Ongoing problem of teams fielding players not registered to roster, often by imitating identity of another player.

- Compromises League Integrity
- Undermines Match Officials
- Legal and Insurance risks
- Administrative burden

Believe an opponent is not who is listed on the game sheet?

Request that the official have the player sign the game sheet (full signature). CUSA Discipline will follow up from there.

Team short players, tempted to use another player's card?

Discipline outcomes can be:

- 12 months All of Soccer for player
- Team officials up to 12 months suspension – responsibility for who is playing
- Team fines, bonds, denied promotion/Provincials

Further Information is to be sent to ALL players

Contact our office if struggling for player numbers – we will try and connect

Discipline Summary

- Referee Course – contact admin@cusa.ab.ca – Full refund upon completion
- Discipline Committee Volunteers always welcomed
- Contact office with on-field concerns following the game.

Player Indebtedness

No Forced Loyalty

The time period that a club/team can hold a player accountable for past fees, while allowing the player to continue to play, is the **past season**.

- Club must have a **written record** between club & player on amount of fees & payment agreement. Emails or text count.
- A verbal agreement is not sufficient
- Agreement to be renewed each season of play.
- For a player's registration or transfer to be blocked due to indebtedness to a club the indebted club must provide the league with a list of the players to be locked prior to the commencement of the registration period for that season.
- **When a player account is locked it can no longer be for a player to sign with the club that requested the lock unless:**
 - **Past fees are paid in full**
 - **Payment plan has been reached**
 - **Outstanding debt has been forgiven**

It is recommended that, in all cases of suspected concussion, the player is referred to a medical professional for diagnosis and guidance as well as return to play decisions, even if the symptoms resolve.

RED FLAGS

IF ANY of the following are reported then the player should be safely and immediately removed from the field. If no qualified medical professional is available, consider transporting by ambulance for urgent medical assessment:

- Athlete complains of neck pain
- Increasing confusion or irritability
- Repeated vomiting
- Seizure or convulsion
- Weakness or tingling/burning in arms or legs
- Deteriorating conscious state
- Severe or increasing headache
- Unusual behaviour change
- Double vision

Remember:

- In all cases, the basic principles of first aid (danger, response, airway, breathing, circulation) should be followed.
- Do not attempt to move the player (other than required for airway support) unless trained to do so
- Do not remove helmet (if present) unless trained to do so.
