

COED Boarded 2026 Spring Alignment

Welcome to the 2026 Spring season for COED Boarded Soccer!

Below you will find the alignment for the Spring Season. A couple of points to note:

- Recreational Divisions – you will notice that there is no Intermediate division for the 2026 spring season. 6 teams returned from the Intermediate division, however only 1 requested the Division. Teams have been grouped into two equal groups of 9 teams for the Recreation Division
 - Following the Spring Season, the top 4 teams in each group will come together to form the Intermediate Division in Summer season.
 - The bottom 4 teams in each group will come together to form the Recreational Division for the Summer season.
- Ultra Recreational – the top team from Ultra Recreational may be moved to Recreational at the end of the Spring season, depending on results and the potential entry of new teams for the Summer season.
- Movement from Recreational to Ultra Recreational must be requested. Not all team rosters are eligible to move down, even if results support it.

Reminder - Registration Rules for Players

Please be aware of the registration restrictions for the Recreational and Ultra Recreational division teams. Especially for those teams who were previously Intermediate and will now be in Recreational.

3.6.6 COED Teams registering in the Ultra Recreation Division are not eligible to sign CUSA players who have competed for Division 3 teams and higher within the last two (2) years.
