President's Report

In Reflection!

With the 2014 season behind us, I reflect back on the work that CUSA has done in providing a quality product to the community that is both inviting and successful for our members. Our goal each and every year as an organization is to become more efficient in our processes and increase our membership by providing soccer awareness.

Your league has been successful in increasing our membership in both the Men's program and the Coed Program. We also had another successful year with our tournament program as Calgary Nations Cup grew with 20 open division teams and 4 Master's teams. We also had a great article written up by the Calgary Herald outlining the importance of soccer and its diversity within communities in Calgary.

Another focus for CUSA has been Sponsorship. We terminated our obligation with an existing group and have been moving forward in setting up a program that benefits CUSA and its members for the future. We had Cowboy's and Fisher's Soccer Shack step up to the plate in Sponsorship with many more to come. Both these opportunities provide value to you as Members and can assist you with your team and club operations.

One of the most contentious issues that we had to deal with has been facilities. With the City of Calgary not only taking the Soccer Centre away, but also now increasing field fee's, we as an organization now have a new challenge that faces us as we always want to make this sport affordable for everyone.

Our vision for the upcoming year is once again focusing on overall league development, facility development, and creating more revenue for our association through alternative streams such as Sponsorship, this vision will not change for us.

In conclusion, I expect many challenges this upcoming year, however; I truly believe that with our strong membership and our forward thinking Board that we will surpass our targets and make our Members proud.

Sincerely,

Jasprit Lail

Vision:

Calgary players experience the best organization, development, support and accessibility in the sport of soccer.

Mission:

Working with other soccer organizations, CUSA supports the development of soccer in Calgary through:

- Facilitating player, referee and facilities development
- Organizing recreational to top amateur teams
- Promoting the benefits of soccer

Value Statements:

Leadership:

We lead with commitment and compassion, building trust through delivering on expectations and meeting our responsibilities.

Integrity:

We act with transparency, fairness, justice, honesty, consistency, and are committed to ethical practice.

Competence:

We demonstrate and develop skills in order to deliver on our promises, our beliefs and our commitments.

Stewardship:

We are responsible to maintain and grow our century-old organization through sound judgement and accountability.

Respect for others:

We are equal, fair, and inclusive in participation, open to differing experiences and points of view, and committed to the richness of diversity.

Calgary United Soccer Association (CUSA):

CUSA was founded in September in 1980 as the result of Calgary Men's Soccer League and Calgary United Soccer joining to form Calgary United Soccer Association. At the time there was approximately 30 teams, 600 players. In the past 34 years the league has grown in size and programs to today when it boasts of over 290 teams and 9,000+ registered players and coaches in two seasons of play annually in both men's and co-ed programs.

In 1980 an Indoor Men's Program started in a single field structure in Abbydale. This later moved to ATCO before the Calgary Soccer Centre was completed. In 1984, the Calgary Soccer Federation (CSF) was formed with the purpose of bringing together the several different local soccer entities, the Calgary Men's Commercial Soccer Association (CMCSA) the Calgary Women's Soccer Association (previously, the CLSA) Calgary Minor Soccer Association (CMSA) and CUSA. A dream that united the soccer community in Calgary was the idea of building a state-of-the-art indoor soccer facility. This project was instrumental in bringing the soccer community together and was actually a key factor in the formation of the CSF.

Around 1989 the Calgary Men's Over 30 league joined into CUSA as was the beginning of what has now become the Masters (over 35) division. Initially this was an Outdoor only program but expanded to include Indoor play by 1991. In 2014 some of the original players from the Over 30 league continue to play in the new Over 55 League.

The Calgary Men's Commercial Soccer Association offered an Outdoor League with many of its members participating within CUSA for the Indoor League. In 2007 the CMCSA started a transition into CUSA by operating independent divisions within the League. By 2009 the CMCSA dissolved and the remaining 14 teams became full members of CUSA. Several remain active to day.

The Calgary Indoor Co-Ed Rec Soccer League(Co-Ed) started in the summer of 2002 using modified ASA Indoor Soccer rules which requires teams to have 2 males and 2 females on the field at all times. Popularity in the league has grown each season since the Soccer Centre started it as a program for off season revenue. Effective July 1, 2012 the program was transferred from Calgary Soccer Federation to CUSA.

Calgary has been involved with the development of the senior game throughout the province and country. In fact the first reported game in 1883 between the NWMP v the Citizens of Calgary, the first reported club to form in the Alberta region was formed in Calgary in 1888.

In 1992 the Alberta Major Soccer League was established by Bill Malone (CUSA), Mike Traficante (EDSA), and Adrian Newman (ASA), who had a vision to offer the best competition for the most elite players in Alberta. This revelation created a league with the best competition in the province which advanced senior soccer in Alberta, and led to the high standard of play it's achieved today. Truly Alberta is the envy of all provincial leagues, as currently the AMSL is the only provincial league established within Canada.

Since its inauguration, the Alberta representatives winning provincials have had great success at CSA Nationals. In the men's competition, teams from Alberta have won six (6) National championships in the past 20 years, while the women have fared near equally with seven (7) in the past 21 years. The Calgary Caledonian, Callies, have represented CUSA and ASA at the Challenge Cup National Championships 10 times in 15 years, winning four (4) times and are returning in 2014 to compete for the title once again. The Callies were the unofficial champions of Canada in 1907, 1908 and 1909 winning the People Shield in each of these years. Their run in the People's Shield began in 1907, a year in which they dominated the Calgary League, being undefeated in 16 games (14 wins and two ties). The team were Alberta champions six times between 1908 and 1923. The 1907 Callies team was inducted into Canada's Soccer Hall of Fame as a Team of Distinction in 2007.

Men's Program

The Men's Program offers competitive league play for players from 16 years of age and older. Teams move within the league through a promotion and relegation structure based upon their season play. While the league has divisions with age restrictions players are able to register to division of choice providing they meet the minimum age restriction.

The league qualifies teams for post season play in Provincials. Teams in AMSL/Major, Premier to Division 3, and Masters Elite, Masters Premier all participate in Provincial play for both seasons. In the Outdoor Season AMSL and Masters Elite have the opportunity to participate in Canadian Soccer Championships as Provincial Champions.

In 2014 CUSA introduced a 55+ Division with 6 teams, the first within the province. Ironically this division is the same size as the Calgary Association Football League was when it started in 1898 with 6 teams and 140 players. This expansion to include the division demonstrates that the game is indeed a life-long sport for many individuals within Calgary.

Many teams participate within both the Indoor and Outdoor Seasons although their placement within the league alignment can vary with both seasons

having teams that only participate in a single season. The League continues to grow since the 1898 when it started as the Calgary Association Football League with 6 teams and 140 players. With the completion of the Annex in time for the 2014-15 Indoor season and the continued addition of Artificial Turf surfaces the sport now is reaching an opportunity where teams can both play and train on competition fields.

CUSA League Growth

In 2014 Calgary Foothills formed a team of U23 PDL eligible players to participate in an exhibition season against the U23 teams from FC Edmonton and Vancouver White Caps, in addition to Mount Royal University and University of Calgary.

The goal behind the season of play was to prepare a team of Calgary based U23 players for the proposed Calgary Foothills SC U23 Men's team for the 2015 USL PDL League.

The 2014 Outdoor Season will conclude with CUSA and CWSA co-hosting the Western Masters and Classic Championships September 25 – 28. This competition will serve as a trial run for the 2015 hosting of the Challenge Cup and Jubilee Shield.

Co-Ed Program

Co-Ed originally started with 21 teams over 10 years ago, and has since grown to a peak of 109 teams during the Winter 2010/2011 season. The league has subsequently sustained over 100 teams during the following winter seasons and over 70 teams during the summer seasons.

Growth can also be measured with the number of player registrations during a season.

Winter	# of Players	Male	%	Female	%
2012/2013	2308	1512	65.5	796	34.5
2013/2014	2339	1519	64.9	820	35.1

2014	1570	1015	64.6	555	35.4
Increase	+48	+33	+0.1	+15	-0.1

Co-Ed has brought in several initiatives to promote Fair Play amongst teams and players. Teams may earn bonus Fair Play Points (FPP) if they complete the referee evaluation form within two weeks or their game. Also, each player must agree to the Fair Play principles, as set out by the league, before they are able to register onto a team.

Teams are expected to earn at least 7 FPP per game over the course of the season. Since these initiatives were introduced in the summer 2013 season, teams have averaged to earn over 9 FPP per game:

	Number of Teams	Average FPP
Summer 2013	72	164.2
Winter 2013/14	107	163.1
Summer 2014	72	165.3

Playoffs were introduced to wrap up the summer 2014 season. Each team was scheduled to play two playoff games, but only the top 4 teams after the regular season would compete for the division championship.

Many teams and players were in agreement that the introduction of playoffs would be a positive ending to the season as it would be something for the teams to work towards.

In the playoffs, FPP may affect a team's standing to play. Teams with Fair Play issues may be held back from advancing in the playoffs. Overall, 6 of the 12 division champions finished either first or second in their division's FPP standings:

Division	Champion	FPP Finish
Austria	Danny Dichio & the Slippery Pigeons	2 nd
Belgium	Ligers	1 st
Faroe Islands	Onion Baggers	1 st
Ghana	Team Tuna	2 nd
Ireland	Octosharks	2 nd
Libya	Turbo Turtles	2 nd

Along with the annual Boxers Bras and Beerfest tournament, Co-Ed is bringing in a couple new tournaments. With the additional fields being constructed at the Calgary Soccer Centre, both indoor and outdoor, the league will be hosting a December Winter Cup and an Outdoor Soccer Fall Cup.

In the playoffs, FPP may affect a team's standing to play. Teams with Fair Play issues may be held back from advancing in the playoffs. Overall, 6 of the 12 division champions finished either first or second in their division's FPP standings:

All-Star Sunday

All-Star Sunday was back and held in conjunction with Calgary Women's Soccer Association Sunday, January 26, 2014 at the Calgary West Soccer Centre and Calgary Soccer Centre.

Players go through a selection process and only a small number are chosen to represent their league in this unique event. All-Star Sunday is an exciting, fun and interactive day that delivers a fresh

entertaining experience by Calgary's top soccer players while maintaining a high level of respect for the traditions of Soccer in Calgary.

CUSA's All-Star Competition is for those teams from Major to Masters Provincial. In 2014 approximately ___ players participated in the event.

All teams will be limited to a maximum of 15 players and 2 goalkeepers. Playing time among players is to be split as evenly as possible. Each player will receive a top quality numbered soccer jersey to take home with them as a souvenir.

Nations Cup 2014

CALGARY NATIONS CUP

Davinder Singh Kajla Memorial Trophy

The Calgary Nations Cup tournament started in Calgary, Alberta in 2006 in memory of the late Davinder Singh Kajla.

This tournament provides a unique concept of grouping players based on their ethnic backgrounds and/or countries of origin, creating an exciting atmosphere that provides a platform for people throughout the community to express their ethnic pride. Teams are comprised of quality players from Calgary to compete for the coveted *Davinder Singh Kajla Memorial Cup*. 2014 saw the tournament grow to 20 teams in the Men's Division and for the first time 4 teams in the Masters Division.

Mike Metcalfe 30 Hour Soccer Marathon

The Mike Metcalfe 30 Hour Soccer Marathon typically sees up to 1,100 participants and is open to players of all ages and levels.

The 10th and final Mike Metcalfe 30 Hour Soccer Marathon for Cancer took place on November 1-2, 2013 at the Calgary Soccer Centre. In 2004, Mike hosted his first 30 Hour Soccer Marathon for Cancer after being diagnosed with testicular cancer. After enduring more than 500 hours of chemotherapy and cancer treatment, Mike's friends decided it was time to take a kick at cancer together. Because he is an avid soccer player, Mike and his friends decided a soccer marathon was a fitting way to raise money for the fight against cancer.

Proceeds from the event have gone to Calgary Health Trust to purchase equipment for Foothills Hospital. Since its beginning, the Mike Metcalfe 30 Hour Soccer Marathon has:

- raised over \$450,000 for the Calgary Health Trust towards the purchase of cancer-related diagnostic and treatment equipment for the Foothills Hospital,
- welcomed over 5,400 participants,
- played over 210 hours of soccer!

Calgary Street Soccer

Calgary Street Soccer ("CSS") had another successful year thanks to all of our volunteers and sponsors.

Throughout 2014 we focused our efforts on raising awareness within the community and establishing CSS as a recognized non profit organization. As always, playing soccer and providing an outlet for Calgary's homeless men and women to form a sense of belonging and community was our primary goal.

Our Process

Starting in April CSS held soccer practices every Sunday at the Queen Elizabeth School outdoor field in Bridgeland. The location is convenient as it is a short walk from Calgary's Drop In Center, making it easy for participants to come out and join the team. We consistently had between 10-25 participants per practice and ended up having a 'core group' of players that showed up each and every session.

As we all know, playing sports and participating in physical activity is incredibly beneficial to one's physical and mental state of being. It helps promote healthy living and establishes a sense of belonging amongst individuals who may otherwise feel alone, isolated and hopeless. We hope to build confidence amongst these individuals and provide a fun environment through which they can channel their energy.

CSS has established a Board of Directors consisting of nine individuals with various backgrounds including connections to corporate Calgary as well as Calgary's homeless foundations. Establishing a board was crucial in creating credibility and legitimacy within the community and provides a platform through which we can grow CSS' outreach. The CSS Board has also connected with Street Soccer Canada representatives in order to build the national platform and learn from their trials and triumphs in growing the Ontario league to the success it is today. Throughout 2014 we have also dedicated substantial time and effort to connecting with the various homeless agencies in the city including the Drop In Center, Salvation Army, Alpha House, the Alex and Fresh Start. Building a relationship with these agencies will help increase awareness and participation with the program.

We have updated and improved our website and encourage everyone to learn more about the program at www.calgarystreetsoccer.com.

Corporate Soccer Tournament

In May we held our second annual Corporate Street Soccer Tournament at the Shouldice Sports Complex. We had ten teams participate from corporate Calgary including real estate firms, oil and gas companies, law firms and accounting firms. The event was a huge success and we raised over \$22,000 through corporate entry fees and donations. The CSS team participated in the event

this year and made it all the way to the semi finals. We would like to thank all of the teams for participating and a special thank you to Colliers International for sponsoring the event. Congratulations to the winner of the 2014 corporate tournament, Burstall Winger Zammitt LLP! Calgary's local media networks covered the tournament and we thank them for helping to raise awareness.

New Fundraising Initiatives

This year we participated in two additional fundraising initiatives, a World Cup Soccer Pool and the Ride for Refuge which will be taking place in October. We established a world cup soccer pool in June whereby 50% of all proceeds raised went to CSS. It was a fun way to get individuals involved and an easy way to promote the CSS name. In October CSS will be participating in the Ride for Refuge, a bike ride that will raise funds for various charities. CSS has created a team and we welcome additional support through participation in the ride or donating to help support our team. Visit www.rideforrefuge.org to join or support our team!

Inaugural Calgary Street Soccer Day

In September CSS held our inaugural Calgary Street Soccer Day. The idea was to get participants out from various homeless agencies and spend the day learning about the program, participating in a training camp and then ending the day in a mini tournament. We ended up having approximately 30 participants from the various agencies and the day turned out to be a huge success. The participants

all had smiles on their faces, interacted with one another in a friendly manner and benefited from some physical

activity. The president of Street Soccer Canada and the coach of the Canadian team also flew to Calgary for the event and shared their stories of success and what the organization is all about. We also had great support from Calgary's

media with CTV, Global, the CBC, Shaw and The Calgary Sun all covering the event.

Homeless World Cup – Santiago, Chile

Once a year the Homeless World Cup Soccer Tournament, www.homelessworldcup.org, is hosted by a country and this year's tournament will be held in Santiago, Chile in October. We are proud to announce that we will be sending one player and one coach to help represent Canada (and CSS) in this year's homeless world cup. The CSS player who will be participating in the tournament has shown incredible dedication to the program, and has not missed a single practice all year. He has been participating in the program for a couple years now and has made tremendous strides in his personal life and is currently employed, living on his own and now giving back by promoting the CSS program and the benefits that playing soccer has had on his life. He is an example of success within the program and we wish him and the rest of the Canadian Team all the best at the upcoming tournament!

CUSA Sponsorship

This year would not be possible without the donation from CUSA, your contribution has truly helped change lives in the Calgary community. On behalf of Calgary Street Soccer we thank you for your contribution and look forward to building a lasting partnership. We are looking forward to another great year in 2015 and hope to continue to build the CSS brand and raise awareness within the community so we can expand the reach of the program. *The CSS Team*

KidSport™ Sponsorship

The KidSport™ Society of Calgary has been providing assistance to children in need for the past 15 years.

Soccer represents one of the largest sport segments funded through the KidSport™ Calgary program each year, contributing to approximately one-third of the annual funding distribution. With the support of local teams, the Calgary United

Soccer Association helps raise integral funding to support low-income kids in soccer programs, and has provided positive sport experiences to local kids.

Discipline

Starting the 2014 Outdoor season, CUSA has made changes in the handling of misconduct information in order to align with changes that came from the ASA.

Misconduct that appears to fall within certain Discipline Code sections will be adjudicated by a CUSA administrator, while misconduct falling into other Code sections must be adjudicated by a Discipline Committee

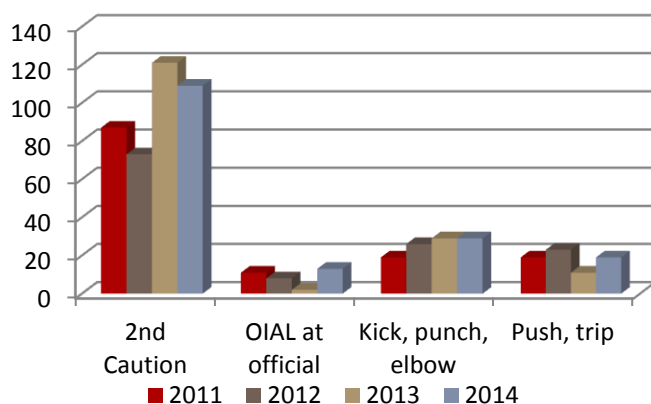

Any outcome provided via the DBR process will only consider the content of the Misconduct Report; however, the outcome can be challenged to the Discipline Committee.

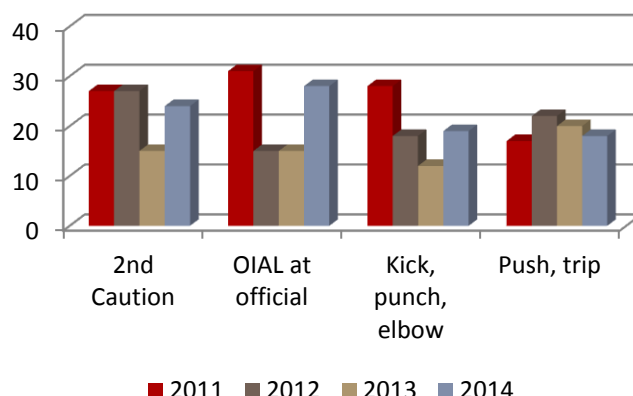

Player Offences

From 2010 Outdoor to 2013 Outdoor the number of players receiving disciplinary action increased from 331 to 431. From Indoor 2010 11 to 2013 14, the number of players receiving disciplinary measures increased from 252 to 279.

Outdoor Statistics

Indoor Statistics

Discipline –Infractions against officials

Eleven players were referred to ASA in 2014 Outdoor for alleged contact or threatening behaviour with an official, while 3 players were referred in the 2013 14 Indoor season.

There has also been a gradual but noticeable increase in the number of red cards and team discipline that occur at Senior Provincial Championships.

Team Offences

While Indoor team discipline issues continue to decline, team discipline for the Outdoor season has been increasing primarily related to the use of ineligible players who have played after 3rd yellow cards.

Finance

TREASURER: DAVID INHABER, FCGA

On September 11, 2014, the chartered accounting firm of Lockhart LLP issued an unqualified audit report on the financial statements of Calgary United Soccer Association for the year ended March 31, 2014.

CUSA's financial decisions are based on building a strong foundation from which the league can invest into the development of infrastructure, officials, coaches and delivery a diverse array of programs to its members at an affordable value. CUSA continues to devote its resources to on-field activities with over 70% of all expenditures disbursed on direct on field expenses excluding related administrative items. In 2014 Member value added opportunities commenced with a team fund raising program at COWBOYS Night Club and discounts on purchases at Fishers Soccer Shack.

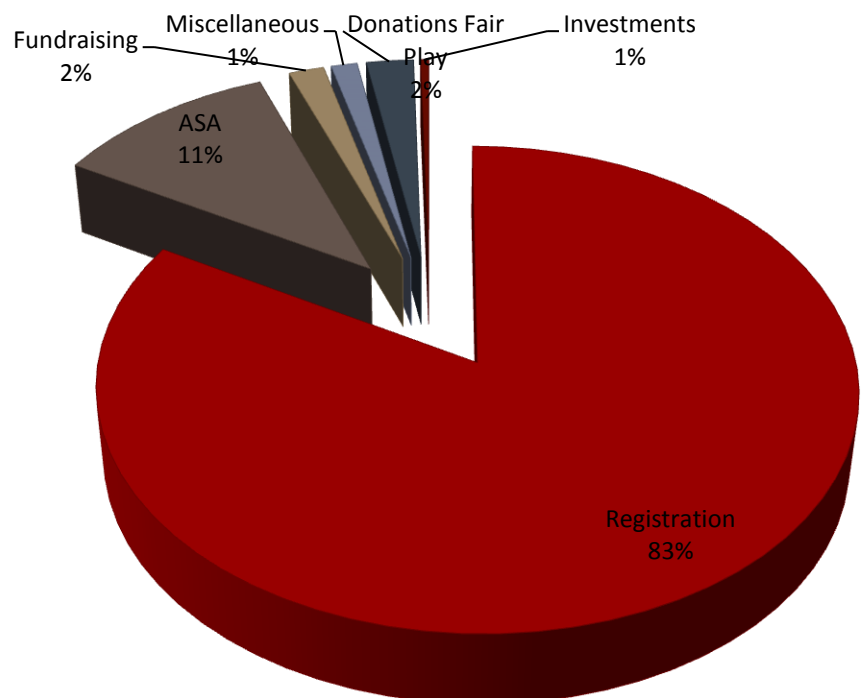

With a strong foundation in place, CUSA will continue to provide leadership for the growth of the sport in our community by reinvesting future surpluses in the development of the game and its infrastructure. Continually working closely with our membership and partner associations, we will govern the game professionally for the benefit of all involved, and nurture a passion for the beautiful game for Calgarians.

In 2013 CUSA fulfilled its' obligations on Capital contributions to the projects at the Calgary Soccer Centre and in doing so started to replenish the Future Facility Fund. Teams annually contribute \$200 per season to this internally restricted fund. Withdrawals from the fund may only occur upon Membership approval for specific projects.

The following information summarizes the financial position and results of operations for the league for the year ended March 31, 2014.

Expenditures

The CUSA League did not encounter any unforeseen events in the past fiscal year that had significant impact to the budgeted expenditures.

The introduction of additional artificial turf fields has seen an increase in the outdoor field rental as more artificial turf fields and fewer community (City D & E) fields are used. CUSA continues to be an active participant on an ASA Fee Review Committee. Work remains to ensure that the distribution of fees from the Provincial Association is reasonably distributed to those members benefiting from the services offered.

REALITY CHECK ✓

FAIR PLAY is an attitude that shows itself in behaviour.

Respect for others	hold your opponents and game officials in high esteem for without them there would be no game
Sportsmanship	show fairness, recognize and appreciate excellence in performance and attitude regardless of team affiliation, enjoy the sport for its own sake
Respect for Rules	demonstrate respect of written and unwritten rules (and the spirit of those rules) by following them
Friendship	promote fellowship within the soccer community not just your own team
Team Spirit	believe in each other
Fair Competition	be part of a just competition; be as cooperative as you are competitive
Equality	share the sport with others, regardless of creed, ethnicity or ability
Integrity	do the 'right' thing, show grace when winning, good humour when losing
Tolerance	acknowledge, accept and respect differences

PLAYING IS A PRIVILEGE NOT A RIGHT
