2016 Association

ANNUAL REPORT

About Calgary United Soccer Association (CUSA):

Organized soccer in Calgary dates back to 1898 when the Calgary Association Football League held its inaugural season with 6 teams and 140 players. Many iterations and 82 years later, CUSA was founded as an amalgamation of Calgary Men's Soccer League and Calgary United Soccer. In its inaugural season, CUSA operated leagues for approximately 30 teams and 600 players. Over the past 35 years the association has grown dramatically today consisting of over 310 teams and 9,000+ registered players and coaches. CUSA offers its members two seasons of play annually (indoor and outdoor) in both men's, women's and co-ed programs.

Our Vision:

Calgary players experience the best organization, development, support and accessibility in the sport of soccer.

Our Mission:

Working with other soccer organizations and stakeholders, CUSA supports the development of soccer in Calgary through:

- Facilitating player, referee and facilities development
- Organizing league play and tournaments for recreational to high performance amateur teams
- Promoting the benefits of soccer to all stakeholders

Our Values:

Leadership:

We lead with commitment and compassion, building trust through delivering on expectations and meeting our responsibilities.

Integrity:

We act with transparency, fairness, justice, honesty, consistency, and are committed to ethical practice.

Competence:

We demonstrate and develop skills in order to deliver on our promises, our beliefs and our commitments.

Stewardship:

We are responsible to maintain and grow our century-old organization through sound judgement and accountability.

Respect for others:

We are equal, fair, and inclusive in participation, open to differing experiences and points of view, and committed to the richness of diversity.

Letter from the President

Dear members, stakeholders and fans of the beautiful game in Calgary,

It is my pleasure to present the 2016 Annual Report for Calgary United Soccer Association. Much was achieved during the course of the year and your association finished the year on a strong financial and strategic foundation. We believe that the year ahead presents many opportunities to further provide leadership on issues that matter to our members, and we look forward to the continued pursuit of excellence in this regard.

The association has experienced significant growth during the past couple of years, with the introduction of new programs and the expansion of existing ones. 311 registered teams participated in the 2015 outdoor season, the most in the association's history, including the successful launch of the first 11-aside outdoor coed program. The winter of 2015/16 included the introduction of a futsal program, beginning with ten teams in a single division and strong growth prospects going into this winter. The 2016 outdoor season was highlighted by the successful introduction of a women's program, which will also be introduced for the upcoming winter season.

The year was punctuated by the co-hosting of the 2015 Sport Chek National Club Championships Challenge Trophy and Jubilee Trophy in October of 2015. CUSA received numerous accolades from teams and associations from around the country for the exceptional organization of the event and on our ability and willingness to be accommodating.

This year also represented the 25th anniversary of the Alberta Major Soccer League. For the first time in the club's history, Calgary's Villains Elite FC won the 2015 Championship. Since the AMSL's founding, Alberta has captured more national championships than any other province, highlighting the success of the league in supporting player development in Alberta.

Competitions aside, the association continued to support the community through not-for-profit organizations, donating over \$17,000 to KidSport and the Calgary Street Soccer Program over the course of the year.

Also of note, Calgary United Soccer Association was proud to win the Organizational Diversity Award as part of the 20th annual Immigrants of Distinction Awards ceremony hosted by Immigrant Services Calgary. The award has been presented since 1997 and honours the contributions and exceptional achievements of immigrants and refugees in the Calgary area. CUSA was recognized for fostering an environment of inclusiveness and diversity that benefits the many communities in the city.

The year ahead presents numerous opportunities and the association is well poised to take on the challenge. Of particular focus in the year ahead will be the continued expansion of the women's program, the growth of futsal, expanding on early efforts to collectively promote improved transition between youth and adult programs, generating non-fee based revenue and engaging with our fellow soccer associations to capture the City's attention with respect to facilities.

We continue to work hard for our members and look forward to sharing the successes of these upcoming efforts during the course of the next twelve months.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jasprit Lail', with a stylized flourish at the end.

Jasprit Lail

Noteworthy Achievements

Organizational Diversity Award

Calgary United Soccer was proud to be presented with the Organizational Diversity Award for the 20th Annual Immigrants of Distinction Awards through Immigrant Services Calgary (ICS).

The awards banquet has been held since 1997 and honors the contributions and exceptional achievements of immigrants and refugees in the Calgary area. This year's gala was held on March 16th. Calgary United Soccer President, Jasprit Lail, on behalf of Calgary United Soccer, was honored to accept the award for Organizational Diversity.

The roots of diversity within Calgary United Soccer extend far beyond our organization. Soccer is the most celebrated game in the world, and for generations Calgary's economic success has attracted new families from all corners of the globe. We don't need to promote diversity; we merely need to embrace it. A quick scan through the team names throughout our divisions exemplifies our success in having done so. We continue to actively embrace diversity through inclusive policies and practices that encourage participation in soccer for everyone in this city. These values are reflected in our mission and vision, and lead to a culture at Calgary United Soccer that was born out of diversity rather than one that adopted it as a critical value.

Succeeding in Our Mission

The Board and Administration of CUSA are dedicated to fulfilling the association's mission through the establishment and achievement of the following goals and objectives:

| | |
|------------------------------|--|
| Uphold the Foundation | Act as diligent stewards of the association by regularly assessing and refining policies and procedures related to governance, leadership and financial stability. |
| Grow the Game | Contribute positively to growth in soccer by delivering superior programs and services while embracing growth and diversity through organizational development and partnerships. |
| Enrich the Experience | Endeavour to continually improve the experience of members through effective program administration and ensuring access to quality facilities. |

During the year ended March 31, 2016 and the subsequent period up to September 15, 2016, the Board and Administration successfully completed the following initiatives in support of its objectives:

| Uphold the Foundation | Grow the Game | Enrich the Experience |
|--|--|--|
| Receive an unqualified audit for 2016. | Expanded scope of programs with the launch of a women's division in outdoor 2016. | Continued to expand the Referee Mentorship and Referee training programs at the local community level. |
| Commenced process of updating Strategic Plan. | Celebrated the 25 th anniversary of the Alberta Major Soccer League. | In 2016 launched a pilot project where Assistant Referees are available to all divisions / teams who request them. |
| Established common sized budget statements for utilization by the Finance & Audit Committee. | Increased presence within the Calgary sport community with an appointed soccer representative to the Lindsay Park Sport Society. | Providing awareness and education on concussions. |
| Commenced review of policies and procedures to ensure alignment with Alberta Soccer and Canadian Soccer. | Engaged with Alberta Soccer and Calgary Minor on means to improve transition of youth to senior players. | Continue to further stabilize the outdoor schedule by access to more artificial turf fields. |

Achievement Awards

At the 2015 Annual General Meeting seven individuals were recognized for their ongoing support to the sport of soccer in Calgary and in particular for Calgary United Soccer.

Jack Buckler Award

2016 Recipient: Mark Tyndale

Awarded for the most outstanding contribution to the sport of soccer within Calgary and area.

Mark has been an active official in Calgary and area for numerous years prior to his retirement in 2014. Mark was always available for league and tournaments. He has sat on CUSA Discipline Committee, taking the extra time to consider creative alternatives in some of the more unusual reports put in front of him. He has dedicated time to coach and mentor new officials as they learn the responsibility of the role.

In his day job he is a key part of the local judicial scene. He is someone who believes that you must be an active contributing member to the community. For the past four decades, criminal lawyer-turned-provincial court Judge Mark Tyndale would get up early on Tuesday mornings and drive to Canadian Blood Services to donate the gift of life then proceed to work.

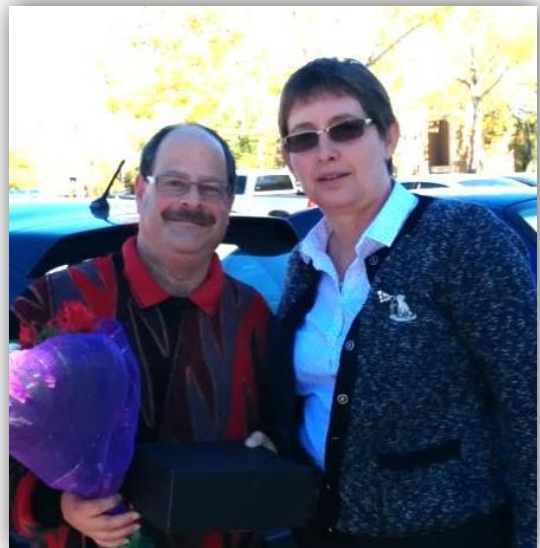

President's Award

2016 Recipient : David Inhaber

Awarded to an individual who has displayed a dedication in their support and contribution towards the programs of Calgary United Soccer.

David has served as the Treasurer of the Association for 10 years before moving onto other endeavors. In that time he has helped lead our organization through the development of sound financial policies and procedures and the successful integration of the Coed Financials into the CUSA records. Under David's leadership the Finance and Audit Committee have worked together to develop the league budgets and ensure that the audit has been unqualified in each of the years.

David has always been willing to take the time to discuss financial policies, accounting practices or general operational questions with Board Members, administration or members alike.

Lifetime Achievement

2016 Recipient : Peter Welsh

Awarded to an individual for years of outstanding contribution and unselfish effort toward the growth of Calgary United Soccer Association.

Peter was the head coach of Calgary Dinosaurs 1979 – 86; Coached Calgary Kickers, 1987-89. In 1987 they were the league champions of the Canadian Soccer League winning 2-1 over Hamilton Steelers.

Peter continues to be active in the Calgary Soccer Community as a historian, volunteer and until recently a player.

Award of Merit

2016 Recipient : Laurence Stanwell, Southside Rangers

Awarded to individuals for time and services rendered in support of Calgary United Soccer Association and its members.

Laurence immigrated with his family to Canada in 1967 and grew up in NW Calgary playing as a member of the Blizzards. He is credited with being instrumental in the team's 2 consecutive City Championships. After time in the Edmonton area playing with the St Albert Blues he returned to Calgary in 1996 and joined the Southside Rangers. He is known as a player with an aggressive style of play and strong running.

Back surgery among other injuries has not managed to keep him off the pitch. In recent years Laurence has served as the President of Southside Rangers and continues to play and remain active with the Club and League.

Award of Merit

2016 Recipient : Ashley Gibbs, Chinooks Soccer Club

Awarded to individuals for time and services rendered in support of Calgary United Soccer Association and its members.

Ashley Gibbs has played soccer in Calgary since he was able to walk. Currently serving as President to the Chinooks Club he is not only active in the Men's Program but the entire Chinooks youth program.

In addition to the style of play that Chinooks are infamous for they are also the most prolific tournament team from Calgary. It was rumored to be Ashley's 30th appearance in Kimberly this past July.

Award of Merit - Coed

2016 Recipient : Lorayne Rains, The Other Team

Awarded to individuals for time and services rendered in support of Calgary Coed Rec Soccer and its members.

Lorayne Rains has been apart of Calgary Indoor Co-Ed Rec Soccer (COED) since the second season of the league, summer of 2004. She was the team captain of The Other Team before calling it a career after 10 years at the end of the 2014 Summer season.

Lorayne saw Fair Play and sportsmanship as some of the key drivers to this league's success. Under her leadership, The Other Team may not have competed for the division championship but was always in the running for the Fair Play Award. Lorayne rarely missed completing a referee evaluation and would insist that her teammates compete them when she was absent from the game.

Lorayne was also a valuable member of the COED Advisory Committee for years. The Advisory Committee would approve alignments and recommend rule changes to the league. Members also act as liaisons with the rest of the league, gathering comments and complaints from players and teams. Her work was instrumental to make the seamless change when COED was brought under the Calgary United Soccer Association (CUSA) umbrella. Under Lorayne's watch, COED introduced new guest player rules, the Seeding Round format, and the introduction of Playoffs to the league.

Kieran McGarrigle Award

2016 Recipient : Rob Urquhart

Awarded annually to an individual for their outstanding contributions that improve the refereeing community in Calgary and area.

Over the past several years, Rob has been very active in the referee community, even since largely "hanging up the whistle". He is an active instructor, having taught a number of entry level and refresher courses, in addition to offering regular instruction for CARD. Even more than instructing, Rob has been a prolific assessor over the past 3 years, including assessing at multiple Provincial competitions and two national competitions. In particular, his work with the 'up-and-coming' officials has been second to none. He has formally assessed nearly every upgrade candidate in southern Alberta, but more than that has acted as a mentor countless times (really whenever one of them has asked).

It's a testament to his contributions to their development, and his willingness to share his knowledge and experience, that a number of them regularly text, email and Facebook message him looking for advice and feedback.

Alberta Soccer Association Achievement Awards

President's Award

2016 Recipient : Pearl Doupe

Selected by the ASA President to recognize one person's outstanding achievement and contribution to soccer.

Pearl first started with the Calgary United Soccer Association as Executive Director in the spring of 2001.

This past year, Pearl helped lead the local organizing committee that organized the Challenge and Jubilee Trophy National competitions in Calgary. The event received so many accolades from the teams, the coaching staff, other provincial representatives and Canada Soccer recognized the local organizing committee an outstanding job hosting this event.

Pearl has volunteered for numerous boards and committees within the sport community, always looking to pursue innovation and best practice in sport. Pearl is the first woman to win the Alberta Soccer President's Award.

Alberta Major Soccer League Awards Coach of the Year – League's MVP's

Annually the Alberta Major Soccer League Members vote on the Coach of the Year and the league's MVP's. In 2015 from the Men's division both awards were earned by members of Calgary Villain's Elite FC. Munib Koric was voted AMSL Men's Coach of the year as he lead the Calgary Villains Elite FC to their first AMSL title. Joining Koric was goalie Marcel Galaszekwicz and the Men's MVP. In addition to their efforts with the AMSL team both men are also activity involved with the club's youth player development program. Congratulations gentlemen on a great season.

Structure of Soccer in Alberta

For both youth and senior players, your local soccer club or local community association is a member of the local district soccer association. The local district soccer association is a member of the provincial association (Alberta Soccer Association), and the provincial association is a member of the national association (Canadian Soccer Association). Finally, soccer is governed internationally by FIFA who appears at the top of this hierarchy

Alberta Soccer is the official governing body for soccer in Alberta. The Association has 19 District Members, governing bodies and partners. Calgary United Soccer is one of the three District 4 members, along with Calgary Minor Soccer Association (CMSA) and Calgary Women's Soccer Association (CWSA). Soccer remains the largest sport by participation in Alberta with over 82,000 registered players.

Alberta Soccer hosts all provincial competitions between the minor and senior organizations. Teams that compete and earn the Provincial Championship title in the Challenge Cup and Youth Tier One Championships become the provincial representative at the various National Championships.

Men's Program

The Men's Program offers competitive league play for players from 16 years of age and older. Teams move within the league through a promotion and relegation structure based upon final divisional standings. While the league has divisions with age restrictions, players are able to register to a division of choice providing they meet the minimum age restriction.

The league qualifies teams in the AMSL/Major, Premier to Division 3, Masters Elite and Masters Premier for post-season play in the ASA Provincial Championships. In the outdoor season the champions from the AMSL and Masters Elite earn the opportunity to participate in Canadian Soccer Championships.

Calgary United Soccer was the first league in Alberta to offer an Over 55 division. It started as a fall tournament, the Kaiser Cup, and has evolved into a division where the majority of each team are 55 years of age or older.

Men's soccer in Calgary continues to show growth at both ends of the league's spectrum. Players are remaining in the league as demonstrated by the growth in the Masters, O45 and O55 divisions and new teams are forming as players graduate from youth soccer or move into Calgary.

Teams may participate in both the indoor and outdoor seasons, although their placement within the league can vary between the two. Newly registered teams in the Open Division are required to start in the lowest division. Those demonstrating strong performance during the season have the option to participate in the league's Promotional Challenge held at the end of each season. An undefeated team from Division 6 has the ability, through a series of challenge games, to earn a position in Division 3 for the following season. Teams from all other divisions have the ability to move up two divisions based on results from challenge games, i.e. from Division 4 to Division 2.

Age Demographics of the Men's Program

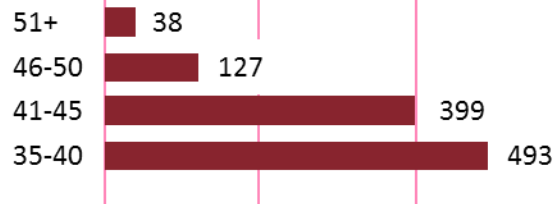

When making the move from youth soccer to adult programs players are also making the move from age based programs to those based upon prior performance. Within youth programs players and teams move within age groups, with the potential of under aged players playing into older age categories. Within adult programs players are not required to move playing categories as they age and often teams will be comprised of a diverse age range. Graduating U18 Tier 1 teams are predominantly comprised of 18 year olds. Within the AMSL the average player age in the men's division was 26 in 2012. Teams in adult programs will often supplement their roster with new players however; rarely will an entire team change over between seasons.

While the greatest majority of U19 players start in lower divisions in CUSA, U19 aged players did comprise 7.5% of Division 1 in 2015 with 21 registered players between 10 teams. This is in contrast to the U23 players comprising 40% of the AMSL membership, 31% of Premier and 25% of Division 1. This would be consistent with the time referenced as being required to adjust to the style of adult game and the required physical size to compete. Add to the fact that within U18 the entire program averages 30 teams over the past few years. CUSA Open Men's Division ranges between 123 to 140 teams, all of which have the opportunity to register U19 players.

Co-Ed Program

Co-Ed Program – *Just for Kicks*

The Calgary Coed Rec Soccer (Coed) program was started in 2002 out of the Calgary Soccer Centre as a way for adults (18+) to learn and enjoy the game of soccer in a fun, social and recreational environment. The Coed program now offers both an Indoor and Outdoor (7v7) season throughout the year. Calgary Coed strives for adult players to have fun on and off the field and creates a social atmosphere for players to have fun and learn the game of soccer. Throughout the growing years of the Coed program teams are able to take part in various skill levels. With the vast amount of levels throughout the program it allows a multitude of players to enjoy the game of soccer and develop their skills.

The Outdoor program was started by CUSA in 2015 where a total of 6 teams participated in 11 v 11 soccer. To wrap up the season, the Outdoor Fall Cup was offered to teams as a 7 v 7 event, a total of 4 teams participated. With the feedback of teams and the success of the Outdoor Fall Cup, the current Outdoor program transitioned from 11 v 11 to 7 v 7. Teams play on smaller artificial fields at the Calgary Soccer Centre with field dimensions/nets similar to what is offered to the youth U12 program offered by the Calgary Minor Soccer Association.

The summer 2016 program will be the final year for the seeding/regular season format. The Winter 2016/17 season will kick off into a promotional/relegation format, where final standing at the end of the regular season will determine the promotion and relegation eligibility to the teams. The divisional winner and runner up (1st/2nd) will be eligible for promotion to the next higher division while the bottom 2nd placed teams will be subject to relegation to the next lower division. Promotion/Relegation will only affect teams season to season i.e. Summer to Summer and Winter to Winter.

Coed has seen an increase over the years when it first started out in 2002 with a total of 21 teams; it has since grown to a peak of 109 teams during the Winter 2010/11 season. The league has subsequently sustained over 90 teams during the following seasons and over 70 teams during the summer season.

It remains the only Alberta Soccer Association sanctioned Coed Soccer league and the only league with CSA certified officials in Calgary.

Co-Ed Fair Play – *My Game is Fair Play*

Fair play is a fundamental part of the game of soccer. It represents the positive benefits of playing by the rules, using common sense and respecting fellow players, referees, opponents and fans. FIFA created the "My Game is Fair Play" slogan to promote playing by the rules, being sportsmanlike, and showing respect for referees, teammates, opponents and fans. It is an easy to remember slogan that ALL players should abide by, on and off the field of play.

The Calgary Coed program followed in the footsteps of Fédération Internationale de Football Association (FIFA) to promote the famous "My Game Is Fair Play" slogan by creating the Fair Play Award. The Fair Play Award is awarded to the team with the highest Fair Play points in each division that represents playing by the rules, being sportsmanlike, showing respect to opponents, referees and teammates. Winner of this award are based on their total points accumulated throughout the season + half of their total Fair Play Points.

Fair Play Points are earned during each game rated by the referee on a scale from zero (0) to ten (10). Factors throughout the season such as yellow or red cards received by team officials/players, forfeitures may affect overall Fair Play ratings. Teams are expected to earn at least 7 Fair Play Points per game over the course of the season.

Points (Pts) + FPP/2 = Total FPP (Tpts)

| Team Name | Games | Wins | Loses | Ties | Pts | GF | GA | FPP | Tpts |

Co-Ed Fair Play Principles

Fair play in an attitude that show itself in behavior

| | |
|---------------------------|---|
| Respect for others | Hold your opponents and game officials in high esteem for without them there would be no game |
| Sportsmanship | Show fairness, recognize and appreciate excellence in performance and attitude regardless of team affiliation, enjoy the sport for its own sake |
| Respect for others | Demonstrate respect of written and unwritten rules (and the spirit of those rules) by following them |
| Friendship | Promote fellowship within the soccer community not just for your own team |
| Team Spirit | Believe in each other |
| Fair Competition | Be part of a just competition; be as cooperative as you are competitive |
| Equality | Share the sport with others regardless of creed, ethnicity or ability |
| Integrity | Do the 'right' thing, show grace when winning, good humor when losing |
| Solidarity | Be allies with one another |
| Tolerance | Acknowledge, accept and respect differences |
| Care | Maintain self-control at all times, be considerate of others |

Playing is a privilege not a right

Copa Futsal

Copa Futsal became an Associate Member of Calgary United Soccer for the 2015 16 Indoor Season. Futsal is the official FIFA and UEFA version of indoor 5 a side football and indeed the only small sided game recognized internationally by every confederation.

Futsal is a sport in its own right which does not compete with football but serves to enrich it. It is widely viewed as the ideal skill building environment for producing technically excellent football players. There are proven benefits to playing Futsal for the technical skill development of young players, with particular emphasis on the skills of passing, dribbling and close control.

The main feature of the game is the ball which is a size 4 slightly weighted leather ball with restricted bounce rather than the fluffy, bouncy, green ball traditional to the indoor game in Canada.

In 2015 10 teams participated in the league playing Sunday nights at Genesis Centre. We look forward to the new upcoming season ahead by announcing a new Women's Futsal League as well as the chance to send our best team to nationals. We are able to do so by joining forces with Ambrose University to play at a collegiate level as well as play on a proper gym floor.

Our mission is to provide futsal as an affordable alternative to all athletes from the amateur to collegiate level. Futsal Fever is a platform for Calgarians, especially newcomers, to participate in this fast-paced and fun alternative form of soccer.

Women's Program

Calgary United Soccer expanded its programs beyond the delivery of men's and adult coed soccer to include the delivery of a women's program commencing in the 2016 Outdoor Season. The new program gave the female players in Calgary and area a new league to play in. The inaugural season saw 9 teams participate in the Classics Division. With the interest in female soccer being strong across the nation CUSA anticipates that this will be an area of additional growth in future seasons.

Alberta Major League The Alberta Major Soccer League (AMSAL) started as an idea from Adrian Newman, Bill Malone and Mike Traficante to start a provincial-wide league to help Alberta teams prepare and compete at Provincial and National Championships. The league is now entering its 25th season. The men's program started play in 1992 and the women's program began in 1993. The top teams from Calgary, Edmonton, Red Deer and Lethbridge compete for the chance to represent

Alberta at Canada Soccer Association's National Club Championships.

Alberta has captured 15 National Championships, between the men's and women's leagues, including 6 men's championships. In the past 10 years, Calgary men's teams have claimed 6 league titles and Callies Major won the National Championship in 2007 and 2008.

The AMSAL league play season runs from May to September with the Provincial Championships held as the marquee event in Alberta Soccer's Senior Soccer Fest over the September Long Weekend.

Calgary has been home to various professional soccer teams in the last 40 years. One of the earliest iterations of professional soccer was the **Calgary Boomers**. The team finished with 10 wins and 8 losses in the 1980-1981 North American Soccer League Indoor Season which did not qualify them for playoffs. In the 1981 Outdoor Season, the **Boomers** finished 2nd after league play with a 17 Win 15 Loss effort, but the Regular Season success did not continue after being eliminated by the Fort Lauderdale Strikers in the first round of the playoffs. The Boomers did not continue operations after the 1981 season.

Calgary United FC were the last professional indoor team participating in the Canadian Major Indoor Soccer League from 2008 to 2012. In they lost to Edmonton in the finals twice and in 2010 and 2011 in quarterfinals to the American teams. The CMISL folded prior to commencement of the 2013 season.

The **Calgary Mustangs** joined the Canadian Professional Soccer League for the league's only season in 1983. Originally a 6 team league, 2 teams folded mid-season creating chaos amongst the remaining teams. After almost 2 months, the remaining 4 teams decided to suspend operations and hold a final playoff to determine the champion. The **Mustangs** lost in the semi-finals to the eventual winner Edmonton Eagles.

The next Calgary professional team came in the form of the **Calgary Kickers** within Canadian Soccer League's 1987 season. They became the **Strikers** in their last season in 1989. The **Kickers** took the league by storm in their first season by winning their division and the league title. Calgary struggled in their final two years with first round exits in both seasons. The community-owned team folded after the season.

The **Calgary Storm** entered the 2001 United Soccer Leagues Premier Development League (USL PDL) as apart of a three team expansion, bringing the number of teams to 44. The team took home the Regular Season title and finished runner-up to the league champions Westchester Flames after the playoffs.

The USL PDL was the 4th division within the USL and the Storm moved to the 4th division A-League. They played 3 more seasons, known as the **Mustangs** in their last season. The Storm only qualified for the playoffs once more, losing in the first round.

Calgary Foothills Football Club began in 2014 within the USL PDL. In only their second full season in the PDL **Calgary Foothills FC** have had a Cinderella season. They were voted to only have a 4% chance of winning the Northwestern division. A division that includes the Seattle Sounders U23 and Portland Timbers U23, whom they beat both in regular season play enroute to winning the Northwest division. **Foothills FC** then beat Seattle Sounders, for the third time in nine days, in the first round of play offs to qualify for the Western Conference finals.

They won the Western Conference beating FC Golden State and then powerhouse FC Tucson, and made the final four. **Foothills FC** moved on to beat the Ocean City Nor'Easters in New Jersey, in the final four to make the PDL final. **Calgary Foothills FC** made the finals of the Premier Development League championship vs. Michigan Bucks in Pontiac, Michigan where they lost in an 3-2 heartbreak.

Cups, Tournaments & Special Events

Calgary United Soccer continues to expand the number of playing opportunities and competitions offered to members in addition to league play. In addition the league has played host to a variety of different special events in the past year.

The Canada Soccer Sport Chek National Championships brings together the best amateur teams in Canada for an opportunity to showcase their talents on the national stage. October 7 to 12, 2015 saw 22 provincial champions arrive to compete in Calgary. Alberta was the only province that had three teams play in three different medal games on the final Monday afternoon. Edmonton Victoria Women's captured their third consecutive Jubilee Trophy over Quebec's Royal Select Beauport. Edmonton Green and Gold finished behind BC's Estrella de Chile in the Men's Bronze match. The final saw Ontario's London Marconi defeat the Edmonton Scottish in a hard fought match. Marconi had in 2014 defeated the Calgary Callies in the Challenge Trophy final.

The weather for the week was remarkable. While the Local Organizing Committee had prepared for the potential of winter-like conditions the competition was held under the fabulous big blue skies that Alberta is known for. In the evenings the sky provided some magnificent sunsets as the competition for the days were wrapping up.

BLACK CUP

EST. 1913

The Black Cup is the oldest soccer trophy in Calgary. The first competition for the Black Cup was held in 1914. The Calgary Caledonian Soccer Club has been the most successful club in the tournament, winning the trophy 25 times throughout the tournament's history.

The tournament format is a single-elimination format and is held in September following the completion of Provincials. This tournament is the only opportunity for AMSL, Premier and Division 1 teams to compete for a City Cup which makes this competition one of the toughest to win. Any registered Outdoor team in Calgary United Soccer is eligible to participate.

In recent years, CUSA has offered a 50% discount for teams that have registered in another City Cup to play in the Black Cup. CUSA has also started to use the FA Cup in England as an influence for the tournament draw and allowing the higher division teams to enter the competition in the later rounds. These enhancements have helped the tournament double in size from the 2012 to 2015 Outdoor seasons.

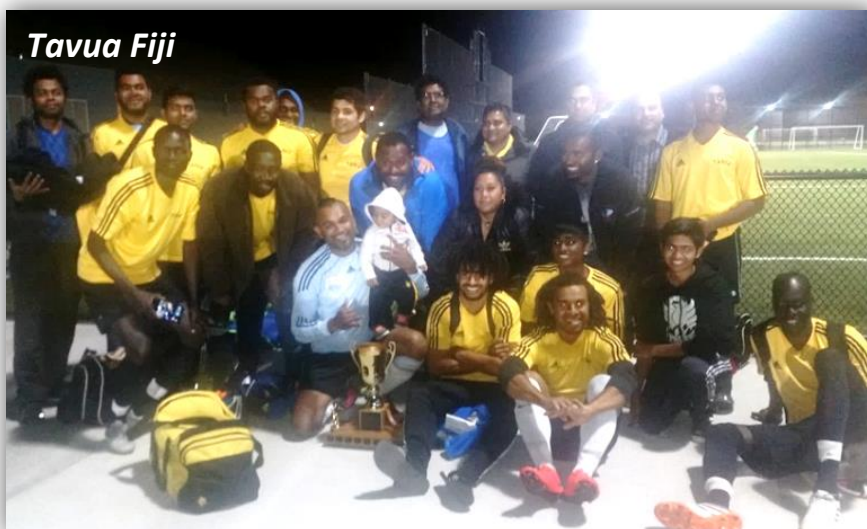

CALGARY CUP

EST. 1999

The Calgary Cup gives a second and final opportunity for Division 2, Division 3 and Master's Elite teams to win a City Cup. The Cup is a single-elimination format and is traditionally held in September.

Any registered Outdoor team in Calgary United Soccer in Division 2 and lower are eligible to participate.

TONY MARQUES MEMORIAL CUP EST. 1997

The Tony Marques Memorial Cup has traditionally been a one weekend single-elimination tournament held during the last weekend in May. It is open to non-provincial teams in the Open, Master's, Over 45 and Over 55 divisions, as well as the Master's Premier division. Games are shortened to two-25 minute halves which creates a fury of action throughout the weekend.

The competition is named after a past Calgary United Soccer President, the first elected following the amalgamation of Calgary Soccer and United Soccer. Tony played with Juventus in the Men's Open Premier Division and later in the Master's Division with many from the same team. Tragically Tony passed away while in Mexico in October 1996.

JOHN BURNS MEMORIAL CUP

EST. 1999

The Airdrie United Soccer Club began a memorial tournament in 1999 honoring John Burns. The competition is held annually for Master's teams, except Master's Elite, and Over 45 and Over 55 teams. The tournament uses a single-elimination format throughout the Outdoor season. The Chinooks Blackstars have been the most successful team in the John Burns Memorial Cup, winning the trophy 3 times from 2007 to 2012.

The original tournament was held in a *family, friendly manner*. For each foul or knockdown the player was required to stop and assist his opponent back to his feet.

Teams that participate in Masters Premier and lower are eligible to participate, including all those registered in Over 45 and Over 55 Divisions.

CENTENNIAL CUP

EST. 2005

The Centennial Cup was first offered in 2005 as a tournament for lower division Master's, Over 45 and Over 55 teams to coincide with the celebration of the 100th year of soccer in Calgary. The Villains Alumni Soccer Club donated the current trophy in 2008 to award to the tournament's champion. The Centennial Cup is a single-elimination tournament held throughout the Outdoor season. Teams are eligible for the competition if they are registered outdoor teams in Master's 2 or lower; Over 45B or lower or any Over 55 team.

The Genesis Land Dogs have been the most successful team in the competition, winning back-to-back tournaments in 2009 and 2010. Due to the Calgary floods, the 2013 tournament was cancelled mid-season and no champion was determined.

Kaiser Cup

EST. 2008

The Kaiser Cup started in 2008 as an Over 55 tournament in recognition for Bernie Kaiser, who, at the time, was CUSA's oldest active player. Bernie last played in the tournament in 2012. The competition, prior to 2014, was open for Over 55 players in the Over 45 divisions to register a team to vie for the trophy. The 2012 and 2013 editions of the tournament used a round robin format and the team with the most points won the Kaiser Cup. Due to the Calgary floods, the 2013 tournament was cancelled mid-season and no champion was determined.

The Kaiser Cup was only offered to registered Over 55 league play teams after CUSA started offering a division in 2014. Once league play had finished, the top teams in the standings competed for the coveted Kaiser Cup. Southside Rangers O55 became the first Over 55 team to win the Kaiser Cup, followed by Selects O55 in 2015.

CALGARY NATIONS CUP

Davinder Singh Kajla Memorial Trophy

The Calgary Nations Cup Tournament began in 2006 in memory of the late Davinder Singh Kajla. This annual tournament has seen 36 different nations compete for the *Davinder Singh Kajla Memorial Cup*. Competing teams will represent nations, and building their rosters with players who are from those nations or have heritage ties back to their grandparents. The goal behind the tournament is to expand knowledge and excitement around soccer and to keep young adults engaged in building a community that recognizes diversity and works together.

This tournament has become the must see soccer event of the summer and highlights diversity, cultural awareness and sportsmanship amongst players, fans and nations. The Nations Cup has also had a global span outside of Calgary and Alberta. A Fijian newspaper ran a story about the tournament after Team Fiji claimed their first Nations Cup victory in 2013.

Over the years, the Nations Cup has offered four different divisions. The Open Division allows for players aged 16 and older to compete, and showcases some of the best soccer talent in the area. The Players aged 35 and older can sign up for the Master's Division and shows the legacy of many nations. The Over 45 Division highlights that age is not an issue when representing your country. The Women's Division displays the growth of premier female soccer. Co-Ed and Over 55 divisions could also be offered in the future to align with all the programs CUSA currently offers.

Outdoor Nations Cup The 11th Annual Outdoor Nation's Cup was held between July 29th and August 1st 2016. 29 teams registered, the highest number of teams entered in the event, which included a record high 24 Men's Open teams. 5 Men's Master's teams also competed in the tournament. The Nations Cup featured tons of excitement and a very rich display of talented players from across Canada. Coupled with the tremendous growth that the tournament experienced, a new logo to mark the beginning of a new decade of the tournament was also unveiled.

The Zimbabwe Master's team was crowned champions of the Over 35 division after a very impressive run in the tournament. In what was a very entertaining and tense finale, South Sudan emerged winners in the final Game over Chile to earn the crown of the Men's Open Division Champions.

Indoor Nations Cup

The Outdoor Nations Cup inspired CUSA to start an Indoor Nations Cup tournament in 2015. Demand for an indoor tournament had been building for some time, and after the Annex was built at the Calgary Soccer Centre, CUSA brought together 26 teams to the competition. Most nights there was only standing room at the Calgary Soccer Centre as fans poured in to cheer for their countries.

The 2nd Annual Indoor Nations Cup kicked off on March 29th, 2016 at the Calgary Soccer Centre with 14 Men's Open teams and 6 Men's Master's teams vying for the championship. The Canadian Master's team was able to defend their title over surprise finalist, Serbia. Chile tried to defend their Men's Open Division but upstart Italy secured victory with a late 2nd half goal to earn the championship.

Co-Ed Tournaments

In keeping with the objective of the Coed League to provide a fun, social atmosphere to the game of soccer the league offers three tournaments annually for the membership. Participants in the tournaments can be registered to any Alberta Soccer Association adult program. Within each tournament fair play and sportsmanship is recognized. Year over year the interest remains strong with many teams returning for each tournament.

Boxers, Bras and Beerfest Co-Ed Tournament

The Boxers, Bras and Beerfest Coed tournament was first offered by CUSA in 2004 with teams playing at the Calgary Soccer Centre. During the early stages of the tournament, team registration was only available to the first 16 teams to register with CUSA. Throughout the years, with more field availability throughout the City of Calgary and the growing interest in the tournament, the 16 team maximum was eliminated and extended to unlimited registration!

The Boxers, Bras and Beerfest Coed tournament is held annually prior to the Winter Coed season. During this tournament, players, spectators, and referees are strongly encouraged to wear boxers and bras over their uniforms while participating in the tournament. The highlight of this tournament is for female/male soccer players to enjoy a fun filled weekend of dressing up in their boxers and/or bras over their uniforms during their matches. The team who dresses the best throughout the tournament is awarded "Best Dressed Team". Games are typically played at the Calgary Soccer Centre over the two day event with two (2) twenty-five minute halves per game.

The 12th annual tournament will be held on September 30- October 1st, 2016 at the Calgary Soccer Centre.

Kick the Winter Blues

The Kick the Winter Blues Coed tournament was started by CUSA in February 2013 as a Men's/Coed tournament. During this time Calgary Minor Soccer Association (CMSA) hosted a coaching conference which freed up space at the Calgary Soccer Centre. This allowed for the tournament to kick off, where it hosted 12 Coed teams and 7 Men's during the first year. During the 2014 season, the tournament was moved from February to December and is now only offered to the coed program.

The Kick the Winter Blues is growing into a popular tournament to end the year with a fun and social event right before the Christmas break. The 4th annual tournament will be held on December 16-17, 2016.

Outdoor Fall Cup

The Outdoor Fall Cup kicked off for the first time in September, 2015 after the recent Outdoor program was offered to teams for regular season play. Teams played on the artificial turf fields at the Calgary Soccer Centre, where fields were divided in half to the equivalent of U12 field dimensions offered by Calgary Minor Soccer Association.

A total of four (4) teams participated in a single group over the two day event on September 26-27, 2015. The champion was Hubba Bubba, with Cleats and Cleavage taking the Fair Play Award.

Discipline Report

CUSA is committed to delivering a competitive, fun and SAFE soccer experience for its members. This means striking a balance between ensuring that players are able to compete in the programs within the laws of the game and application of sanctions that are sufficient to deter undesirable actions on or around the pitch.

Discipline Committee:

Over the course of 2016 so far we have held 16 discipline committee hearing evenings. This is when players dispute the initial decision given out by the Discipline Coordinator, or sometimes in certain circumstances when players must attend a hearing as compulsory. Our committee is made up of three people who volunteer their time:

1. An experienced Chairperson, who is often still playing or involved in the game in some capacity.
2. An experienced referee/official, who can offer their insight from a referee's perspective.
3. A member at large; this can be any responsible individual from any club within our system

We encourage and seek to make this as diverse as possible, so that it is mutually beneficial for both CUSA to have variety and for the individuals and teams to have transparency into how our Discipline process operates. So far in 2016, our committee has comprised of 25 different people.

We have also invited in several other teams to our committee in an unofficial capacity; for example when we see behavioral patterns emerging or when they are due to play a team against which there have been problems during previous games. The teams seem to have responded well to this pro-active approach; they are able to voice their views and our committee are able to impart advice to help the teams in their future conduct.

* statistics as of August 24, 2016

2015/16 Indoor had more overall red cards than 2014/15 Indoor. Roughly half of the increases were boarding calls, perhaps in part due to extra training for the referees as we work to continue ensuring player safety is of uppermost importance.

Referee Management Operations Committee

The Referee Management Operation Committee (RMOC), is an operational, joint committee of the Calgary soccer associations (CMSA, CWSA, and CUSA).

The mandate of RMOC is:

- To support the development of referees in Calgary
- To set game ratings and referee ratings for all referees assigned by the Calgary Referee Scheduler
- To set referee payment rates, subject to the approval of the Leagues, and facilitate remuneration of referees.
- To schedule referees
- To establish, manage, and monitor the contracts of the Referee Scheduler and Referee Payments Co-ordinator.
- To recommend to ASA appointments for the Referee Development Committee
- To recommend to ASA appointments for regional or national training

In the past twelve months the Referee Management Operations Committee has continued to develop certain areas:

- Continued the mentoring program into the Outdoor 2016 season

Referee Mentorship

| Season | CUSA | CWSA | Coed | Total |
|----------------|-----------|-----------|----------|------------|
| Indoor 2015 16 | 141 | 92 | 104 | 337 |
| Outdoor 2016 | <u>74</u> | <u>31</u> | <u>0</u> | <u>105</u> |
| Total | 215 | 123 | 104 | 442 |

- Offered 3 on-field education sessions in partnership with the Calgary District Soccer Referees Association (CDSRA) between November 2015 - February 2016
- Offered 2 assistant referee training sessions in May 2016, led by Alberta Soccer instructors
- Added Youth Representatives to the panel to help improve young referees' pathways into senior soccer by providing a support network and ensuring they gain the necessary experience in appropriate games
- Sponsored three female youth officials to attend the Alberta Soccer workshop for the Development of Women in Soccer.
- Utilized the Pre-Season tournaments for game evaluations of officials.

RMOC reviews twice annually the local ratings assigned to officials along with the local game ratings. As part of this review process the team submissions for Referee Evaluations are taken into consideration. Without this feedback, be it for a good or a poor performance by the official, RMOC has only limited mentorship and assessment reports to consider as the determinant for a referee's rating.

Giving Back

Calgary Street Soccer is a registered non-profit organization formed to help homeless men and women get their lives back on track through the power of sport, specifically soccer. The benefits of playing a team sport are physical, emotional and psychological.

The initiative started in 2006 and has led teams to the Homeless World Cup. Over 300 individuals have been apart of programs in Vancouver, Montreal, Toronto, and, of course, Calgary. The Homeless World Cup has been held annually since 2003. Canada first competed in 2004 but has never finished in the top 4 at any tournament. Calgary hosted the National Championship in 2008, which is used to select the individuals who represent Canada at the World Cup.

By providing the facilities, equipment, and structure for a relatively inexpensive team sport like soccer, the Calgary Street Soccer offers a positive, character building experience that players can carry into the rest of their lives.

CUSA members contribute \$10 from each team registration to this program.

KidSport Calgary is the largest of the 178 KidSport chapters working across Canada. Its mission is to make sure no child is on the sidelines because they cannot afford sport registration fees. According to a 2014 CIBC national survey, a third of Canadian children cannot afford to participate in organized sports due to high registration fees. Alberta has the highest costs of children's sport in Canada; on average, Alberta parents spend \$1,428 per child each year to participate in sports.

Soccer is the most supported sports, helping 1,574 kids and donating \$403,325 in 2015. Hockey is the next largest sport which KidSport supports with 485 kids in 2015.

The Calgary chapter of KidSport was founded in 1995 and is an amateur athletic association rather than a registered charity. It is eligible to issue donation receipts.

CUSA was named KidSport Calgary's MVP of the Month in November 2015. CUSA has supported KidSport for over 8 years and donated over \$65,000. CUSA Members contribute \$20 from each team registration to this program.

Financial Review

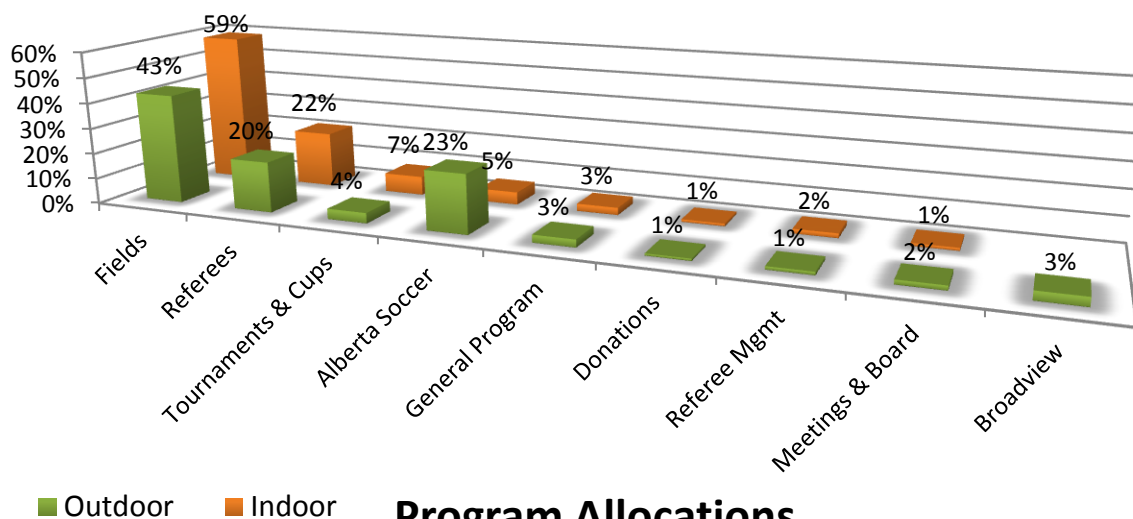

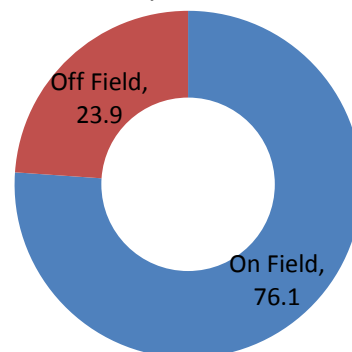

On July 18, 2016 the chartered accounting firm of Lockhart LLP completed an audit on Calgary United Soccer Association for the year ended March 31, 2016.

CUSA's financial decisions are based on building a strong foundation from which the league can invest into the development of infrastructure, officials and coaches to deliver a diverse array of affordable programs to its members.

CUSA continues to devote its use of funds to on-field activities, with over 76% of all expenditures disbursed on direct on field expenses excluding administrative items.

Within the two seasons, the program allocations are in close alignment with the exception of two categories Fields and Alberta Soccer fees. The Indoor Fields are a higher allocation as all are similar hour rate in 2015 16. Outdoor Fields and game times range from the artificial turf to the community club field. The Outdoor Alberta Soccer fees initially appear greater however, under the current fee structure the bulk of the player affiliation for Alberta and Canada Soccer are collected in the Outdoor Program, with a nominal \$4 per player collected for those returning teams and players for the indoor season.

Program Allocations

From planning to execution the Board oversees the annual preparation of the financial budget, financial controls, practices and policies. There is a strong focus on meeting the operational needs of the Association while continuing to provide the resources for the growth of the sport by reinvesting future surpluses in the development of soccer in our city. CUSA supports automation in the delivery of its services and has seen success in eliminating redundancies and increasing efficiencies.

While there has been an economic decline and uncertain times in our city CUSA's steadfast commitment to best practices has positioned itself well for future growth and advancement. The Association has seen results in a number of ways – from a steady decrease in bank charges through the annual review of processing fees to seeing healthy interest returns with the aggressive purchase and redemption of investment certificates.

2015-2016 saw two significant one time events - revenues included a one time donation of gaming funds from the Calgary Soccer Federation in the amount of \$25,376.00 and the hosting of the 2015 National Club Championships saw healthy gate receipts, merchandise sales, and grant revenues resulting in a post-event surplus.

Sport and recreation organizations make up 21 % of Canada's nonprofit sector but engage 28 % (5.3 million) of all volunteers, more than any other sector. 73% of sport organizations have no paid employees at all and, on average, they receive only 12% of their funding from governments, compared with 49% for voluntary organizations overall.

The True Sport Report 2015

Calgary United Soccer remains committed to attain financial sustainability by using a well-managed financial system and through building alliances in the community. Obtaining increased third party partnership revenues remain a goal of the association.
