

Calgary United Soccer Association 2018 Annual Report

About Calgary United Soccer Association

Organized soccer in Calgary dates back to 1898 when the Calgary Association Football League held its inaugural season with 6 teams and 140 players. Many iterations and 82 years later, CUSA was founded as an amalgamation of Calgary Men's Soccer League and Calgary United Soccer. In its inaugural season, CUSA operated leagues for approximately 30 teams and 600 players. Over the past 35 years the association has grown dramatically today consisting of over 300 teams and 8,000+ registered players and coaches. CUSA offers its members two seasons of play annually (indoor and outdoor) in men's, women's and co-ed programs.

Our Vision:

Letter from the President

Dear members, stakeholders and fans of the beautiful game in Calgary,

It is our pleasure to present the 2018 Annual Report for Calgary United Soccer Association. We are entering into an exciting time for the world's most popular game in Canada and within our Calgary community. Steven Reed, President of Canada Soccer has stated that the hosting of the 2026 FIFA World Cup™ will be a defining moment for Canada Soccer, a once-in-a-generation opportunity. We are that generation: What a fortunate time to be engaged in the sport. While Calgary will not be playing host to any of the games, we will reap the benefit of the enhanced interest in the sport itself. This is already evident with the buzz generated from the announcement of the new Canadian Premier League's franchise, Cavalier's FC commencing their inaugural season in 2019. It is momentous to see the largest sport in the city combine with the iconic venue of Spruce Meadows as part of this national venture. *We are Many; We are One* is demonstrated throughout this initiative!

In the past year a number of significant milestones have been met by our members and the association. Callies Major continue to raise the bar making their 11th trip to the Challenge Cup National Competition since the establishment of the AMSL. Calgary's own Progressive FC became the first Alberta Men's team

to participate in the Futsal Canada Championships. Canada is recognized worldwide for its strong grassroots participation which is reflected in our membership with programs ranging from the Elite level, challenging for a national title, to the Over 55 and Coed programs where players continue to play for the pure love of the game.

The Board and Administration have successfully completed the five year Strategic Plan and have shared in this Report the Executive Summary and the objectives for the next year and beyond. The specific objectives that we have outlined are in support of CUSA's broader goals to *Uphold the Foundation, Grow the Game and Enrich the Experience* for our members. We are extremely proud of our ability to help to build community, new relationships, diversity and inclusion in Calgary through our sport. We know that it fosters personal growth, health and happiness in our membership.

We look forward to building on the momentum of the launch of the CPL and the United 2026 bid success to elevate our game and our association in the City of Calgary. It is the collective effort of our members, administration, board and our partners to capitalize on this opportunity to help elevate the sport in our community, the province and beyond.

All the best in soccer and otherwise to our members during the upcoming year,

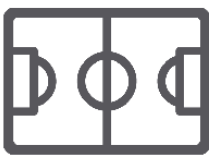

Sincerely,

A handwritten signature in black ink, appearing to read 'Jasprit Lail', with a stylized, cursive script.

Executive Summary

CUSA Business Plan 2017 – 2022

Calgary United Soccer has incredible potential. We've always been guided by our deep love of the sport of soccer and our mission to help the sport grow in Calgary and in the Province of Alberta. Our roots go back to 1898 when the Calgary Association Football League held its inaugural season of organized soccer with 6 teams and 140 players. Many iterations and 82 years later, Calgary United Soccer Association (CUSA) was founded as an amalgamation of Calgary Men's Soccer League and Calgary United Soccer. In its inaugural season, CUSA operated leagues for approximately 30 teams and 600 players. Over the past 35 years the association has grown dramatically today consisting of over 310 teams and 9,000+ registered adult players and coaches. CUSA offers its members two seasons of play annually (indoor and outdoor) in men's, women's and co-ed programs.

We have spent considerable time evaluating fresh strategic objectives as a part of our five-year review and we have created plans to achieve such objectives, with the singular view of improving competitions and our members' experience. This plan represents countless hours of dedicated and thoughtful refinement. We are confident that through this Strategic Plan, Calgary United Soccer can meet its tremendous potential, and help soccer in Calgary reach its potential, too.

Objects (2011):

- To promote, foster, develop, and manage all aspects of senior amateur indoor and outdoor soccer in District four (4) as defined by the Alberta Soccer Association.
- To acquire real estate by purchase or lease, to provide playing fields or structures for the games and social activities of its members.
- To make financial arrangements for the acquisition or sale of real property in such a manner as the Association may, from time to time, see fit.
- To pursue ways and means of raising funds for the Association and its members.
- To promote and foster the transition of players from youth to senior soccer.

Pillars

Uphold the Foundation

Act as diligent stewards of the association by regularly assessing and refining policies and procedures related to governance, leadership and financial stability

Grow the Game

Contribute positively to growth in soccer by delivering superior programs and services while embracing growth and diversity through organizational development and partnerships

Enrich the Experience

Endeavour to continually improve the experience of members through effective program administration and ensuring access to quality facilities

Strategic Priorities

Strong Communication and Brand Awareness

- Improve access to information
- Strengthen Partner Association and Community Ties
- Enrich relationships within the soccer community

Grow and Diversify Services

- Retention and recruitment of Membership
- Expand playing opportunities across association
- Enhanced capacity of membership

Strengthen Association

- Drive and maintain high satisfaction levels in the Association's programs
- Expand Soccer Related events hosted and promoted
- Demonstrated excellence in Association management

2018 Accomplishments

Strong Communication and Brand Awareness

- CUSA partners with *ProActive Health Group* to offer members an opportunity to access a multidisciplinary medical team to receive assessment and an option for treatment for an injury.
- Establishment of benchmark of website analytics
- Engagement of marketing and digital design firm April 2018
- Increased Social Media presence
- Supported Calgary Police Services with their Diversity Game in September and their game with the Calgary Drop In Centre during the Indoor Nations Cup.

Grow and Diversify Services

- CUSA received Good rating for financial management from City of Calgary for 5th consecutive year.
- CUSA successful in receiving Calgary Capital Conservation Grant, \$58,075 for Bleacher Replacement at Broadview.
- CUSA partners with *Soccer Without Boundaries*, an innovative multicultural outreach program aimed at integrating new Canadians into their community. It breaks down barriers and lets children feel that they belong. It allows them to build self-esteem, develop leadership skills and strengthen social relationships through teamwork, fair play, and conflict resolution. It also provides their parents and families with a means to volunteer and get involved.
- Continued provision of field times for referees to participate in on field training opportunities throughout the year.

2019 Areas of Focus

Strong Communication and Brand Awareness

- Continue expanding upon work with marketing and brand design firm including the exploration of updating the CUSA Brand.
- Formalize means to gather and analyse membership feedback on facilities, programs, social media and website.
- Expand strategic relationships with common focus organizations as it relates to facility development and access.

Grow and Diversify Services

- Continue to review and evaluate programs offered to membership
- Continue exposure of 7v7 Outdoor game to target age groups
- Engage CMSA and minor clubs about the options for players once graduating from the minor program
- Develop a systematic plan to attract, retain and develop competent coaches and officials
- Explore interest in the 7v7 non-boarded game
- Increase awareness to Futsal program for players and officials

Strengthen Association

- Assess internal needs to strengthen connection to and support of existing CUSA Community
- Review of sport governance best practices and documentation.
- Augment funding sources beyond fees to retain access and meet strategic priorities
- Investigate options and opportunities via Succession planning for Board and staff.
- Explore opportunities to support Calgary's Canadian Premier League team, the Calgary FC.
- Exploit opportunities as the result of the increased profile of the game in Canada as the result of the 2026 vote decision.

Achievement Awards

At the 2017 Annual General Meeting four individuals were recognized for their ongoing support to the sport of soccer in Calgary and in particular for Calgary United Soccer.

Jack Buckler Award

2017 Recipient: Blizzard Soccer Club

Awarded for the most outstanding contribution to the sport of soccer within Calgary and area.

The Calgary Blizzard Soccer Club began in 1967 when Marino Sedran and Gordon Hawkins took a team of 11 and 12-year-old Calgary boys to represent the province of Alberta at an Expo 67 soccer competition in Montreal. On their return, the team took the name of a defunct Canadian Junior Football team, the “North Hill Blizzards,” and was remodeled around six of the original players.

Sedran and Hawkins coached basically the same group of boys, moving up as the players’ ages changed. They played in a league against other Northwest Calgary teams, which included Montgomery, Highwood, and University Heights. From 1967 to 1977, the team won its way to the National Championships three times and captured the National title in 1971 as the top Juvenile Team in Canada.

By the mid 70s, the Northwest communities needed somewhere for their growing numbers of graduating pee wees and older boys to play. Gary Burkholder, soccer coordinator for Brentwood, and Kermit Newman, soccer coordinator for Triwood, helped fulfill this need along with Sedran, Hawkins, and several other soccer enthusiasts, by developing the idea of a Northwest Zone Club to handle soccer activities from Bantam level and up.

The Calgary Blizzard Soccer Club was registered as a Society in the Province of Alberta on March 14, 1977. The three teams of that year have grown many-fold, with the Club offering both recreational and competitive soccer for boys and girls from U4 to U18 and adult leagues for both men and women. Blizzard delivers programs and services of the highest caliber with many of our players competing at elite levels and receiving university scholarships across Canada and the United States.

Attending to accept this on behalf of the Calgary Blizzards is their long time President, and the 2016 ASA Women of Distinction Award Recipient – Mary Jo Spence

Life Time Achievement

2017 Recipient: Jim Marvill

Awarded to the individual for years of outstanding contribution and unselfish effort towards the growth of the Calgary United Soccer Association.

Born in England, Jim has enjoyed a long career as a graphic designer in the Calgary advertising community. Jim was a player (Goalie) before an injury moved him behind the bench and his coaching career began. He has been a long time coach and manager for the Darts Club. Under his watch Jim and Larry Porier were the ultimate good coach, bad coach pair that developed numerous players and teams, who enjoyed success both in the league and at provincials. Jim has retired as a coach and now enjoys his time as an artist.

President's Award

2017 Recipient: Gord Rodway

Awarded to the individual who has displayed a dedication in their support and contribution towards the programs of the Calgary United Soccer Association.

Gord was the long time Manager of the Callies Major team and a key part of the team responsible for success and building of the club over the years.

Gord was recognized by Alberta Soccer in 2003 with an Award of Merit for his dedication to the development of the AMSL.

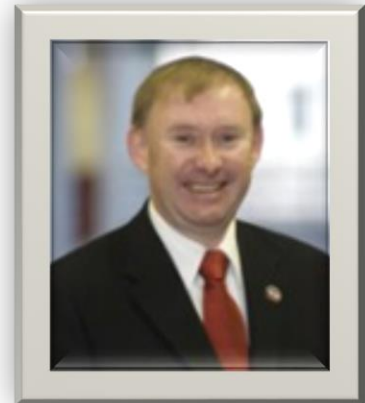

Kieran McGarrigle Award

2017 Recipient: Leo Donlevy

Awarded annually to an individual for their outstanding contributions that improve the refereeing community in Calgary and area.

Leo has been a soccer referee, assessor, provincial level instructor, mentor and a long time member of the ASA Referee Development Committee. Leo's impact upon the community as an advocate for education and development in it's striving for excellence was far reaching.

In his spare time he found time to serve on the CUSA Discipline Committee as well as officiating local games.

Award of Merit

2017 Recipient: Graeme Smiley

Awarded to individuals for time and services rendered in support of Calgary United Soccer Association and its members.

Graeme Smiley understands the power of sport, specifically soccer. He was instrumental in organizing the CPS vs Syrian Soccer Sons. "This is a great opportunity for us to meet and learn more about the Syrian community in Calgary."

Calgary police acting Staff Sgt. Graeme Smiley said the match was an opportunity to build bridges and understanding. "It is kind of a welcome to Canada and a discussion of how, in this case, what we have in common is a love of the game. It just breaks down barriers," Smiley said. "Perhaps where they are from and what they know, does not involve police officers being approachable, being active members of the communities. So we see this as a great breaking down of barriers and we are thrilled that they agreed to play us."

Smiley said it's also a chance to plant a positive seed. "We see this is a great kickoff event, it is consistent with our charitable partner the Calgary Police Foundation. They are involved in prevention, early intervention programs involving youth."

Award of Merit

2017 Recipient: Michael Oliver

Awarded to individuals for time and services rendered in support of Calgary United Soccer Association and its members.

Mike has been a fixture in the Calgary soccer community for several years as both a parent and volunteer coach/official and in recent years as a Board Member of CUSA. Mike still is involved through his involvement on the ASA Competitions Committee.

Mike has always been available to represent CUSA at Provincials, City Cups and for many years was the lead presenter for the Player of the Month.

He has also been very active as a regular member of our Discipline Committee. Often being available to fill in on short notice when vacancies occur.

Award of Merit – Co-Ed

2017 Recipient: Mike Pointmeier

Awarded to individuals for times and services rendered in support of Calgary Co-Ed Rec Soccer and its members.

Mike is one of the original members of the Coed program and understands what it is about – Fair Play and Sportsmanship. He has supported the league and provided suggestions on means for improvement over the years. Recently he has upped his game and joined the Coed Advisory Committee where he now has direct influence on the rules, alignment and direction of the program.

Structure of Soccer in Alberta

Calgary United Soccer Association is one of 19 members within Alberta Soccer Association, the governing body of soccer within the province. Through CUSA, teams and players have a direct link to FIFA, through the provincial governing body and Canada Soccer.

FIFA

Canadian Soccer Association

Alberta Soccer Association

Along with CUSA, Calgary Minor Soccer Association (CMSA) and Calgary Women's Soccer Association (CWSA), these 3 organizations make up District 4 within Alberta Soccer.

Calgary United Soccer

Alberta Soccer helps set directions that many leagues use as guidelines, such as rules and relegations, and referee and coach development. However, each league operates separately. For example, the league structures and rules in Edmonton are similar but vastly different than what is used in Lethbridge.

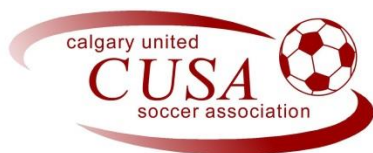

Team or Club

Player

Alberta Soccer hosts all provincial competitions between the minor and senior organizations. Teams that compete and earn the Provincial Championship title in the Challenge Cup and Youth Tier One Championships become the provincial representative at the various National Championships. Alberta Soccer sets out the rules for Provincial Competitions along with recommendations from the district members to set out competition guidelines that are fair for each qualified team.

Soccer remains the largest sport by participation in Alberta with over 95,000 registered players throughout the province. Senior soccer is comprised of approximately 25% of the total membership with Edmonton and Calgary representing over 80% of all registered senior players in the province.

Within Alberta the majority of the Alberta Soccer registrations are from youth soccer. Senior soccer is comprised of approximately 30% of the total membership with Edmonton and Calgary representing over 80 of all registered senior players in the province. Nation wide Alberta has the fourth largest soccer registration; Senior Soccer in Alberta is second in size behind Ontario.

The Men's Programs offer competitive league play for players as young as 16 years of age. The Program also offers age restricted divisions for older players to solely play with others of their age. The minimum age in the Open Division is 16 years of age, players in the Master's Division must be at least 35, and CUSA offers divisions for Over 45 and 55 age groups as well.

CUSA offers a comprehensive range of leagues and competitions to provide a platform for players of all ages, 16 and above, and of all skill levels. On top of our existing leagues - Open-aged from AMSL through to Division 6, Masters (Over 35), Over 45, Over 55, we followed a successful return to CUSA's running of a Men's Futsal league with an increased division size, while also introducing a competitive Women's Futsal league for the first time.

The league structure is based on promotion and relegation. Teams earn their way into higher

divisions through the previous season results. Top performing teams from the Premier, 1st, 2nd and 3rd divisions of the Men's Open League and of the Masters Premier division qualify to compete in the provincial championships. Provincial Champions from the AMSL and Master's Elite Divisions qualify for the Canada Soccer National Club Championships.

In total we had teams competing in 25 Outdoor Divisions, 19 Indoor Divisions and 8 different City Cup competitions throughout the year. We continue to work with our teams to be flexible and forward-thinking by providing as many opportunities as possible for them to play soccer. Based on feedback and survey results, we recently featured a successful round of 7 v 7 exhibition games for the Over 55's teams, with a view to rolling this out more comprehensively in the future as an option for more CUSA divisions.

Newly registered teams in the Open Division are required to start in the lowest division. Those demonstrating strong performance during the season have the option to participate in the league's Promotional Challenge held at the end of each season. An undefeated team from Division 6 has the ability, through a series of challenge games, to earn a position in Division 3 for the following season. Teams from all other divisions have the ability to move up two divisions based on results from challenge games, i.e. from Division 4 to Division 2.

Promotional Challenges

	Outdoor 2017	Indoor 2017/18
Division 1	No Challenge	CCSC Croatia defeated White Eagles
Division 2	Airdrie United 1 retained	No Challenge
Division 3	Crusaders FC defeated Chinooks Broheims	No Challenge

Age Demographics of the Men's Program

When making the move from youth soccer to adult programs players are also making the move from age based programs to those based upon prior performance. Within youth programs players and teams move within age groups, with the potential of under aged players playing into older age categories. Within adult programs players are not required to move playing categories as they age and often teams will be comprised of a diverse age range. Graduating U18 Tier 1 teams are predominantly comprised of 18 year olds. Within the AMSL the average player age in the men's division was 26 in 2012. Teams in adult programs will often supplement their roster with new players however; rarely will an entire team change over between seasons.

While the greatest majority of U19 players start in lower divisions in CUSA, U19 aged players did comprise 7.5% of Division 1 in 2015 with 21 registered players between 10 teams. This is in contrast to the U23 players comprising 40% of the AMSL membership, 31% of Premier and 25% of Division 1. This would be consistent with the time referenced as being required to adjust to the style of adult game and the required physical size to compete. Add to the fact that within U18 the entire program averages 30 teams over the past few years. CUSA Open Men's Division ranges between 123 to 140 teams, all of which have the opportunity to register U19 players.

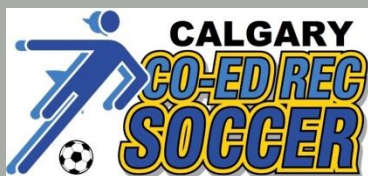

Age Demographics of the Men's Program

Co-Ed Program

Calgary Co-Ed Rec Soccer Program – *Just for Kicks*

About Co-Ed

Calgary Co-Ed Rec Soccer was first introduced by the Calgary Soccer Federation (CSF) in the summer of 2002. During this time, the break between the Indoor and Outdoor month's left unused Indoor field space throughout the city of Calgary and allowed for the Introduction of Co-Ed soccer during the summer months.

Creating the Co-Ed program allowed for adults (18+) to learn and enjoy the game of soccer in a fun, social and recreational environment.

Calgary United Soccer Association (CUSA) had its first inaugural season in the winter 2009 season with a total of 75 teams participating. In 2012, CUSA had its full amalgamation of the Co-Ed program and as a result has grown to 160 teams annually combined between the winter and summer indoor/outdoor programs offered.

Calgary Coed strives for adult players to have fun on and off the field and creates a social atmosphere for players to have fun and learn the game of soccer. It remains the only Alberta Soccer Association (ASA) sanctioned Coed Soccer league in Calgary and the only league with CSA certified officials.

Calgary Co-Ed Rec Soccer Recently added the Outdoor 7v7 program in 2015, where teams compete at the Calgary Soccer Centre on smaller artificial turf fields with field dimensions/nets similar to what is offered to the youth Under-12 program offered by Calgary Minor Soccer Association. At the end of each season, the top team within the group wins the divisional finalist and the team with the best Fair Play is awarded the Fair Play winner.

For the summer of 2018 the COED program expanded divisions from a linear divisional alignment, where each division is higher than the next, to a wide alignment, where there are groups teams that create various pools within either Competitive, Intermediate, or Recreational divisions. This will allow the league to shuffle the divisions to allow for more variety in competition, and also reduces concerns teams have when their rosters change between seasons.

During the season, teams compete in a regular season format, while finishing off the season with 2 play-off games. The top 4 teams in each division compete for the divisional winner, while the bottom teams participate in 2 friendly matches based on their rankings within the season. The team in each division with the best Fair Play wins the Fair Play award. A unique feature to the Indoor program is each division titles are named after countries from around the world.

FAIR PLAY – *My Game is Fair Play*

Fair play is a fundamental part of the game of soccer. It represents the positive benefits of playing by the rules, using common sense and respecting fellow players, referees, opponents and fans. FIFA created the "My Game is Fair Play" slogan to promote playing by the rules, being sportsmanlike, and showing respect for referees, teammates, opponents and fans. It is an easy to remember slogan that ALL players should abide by, on and off the field of play.

The Calgary Coed program followed in the footsteps of Fédération Internationale de Football Association (FIFA) to promote the famous "My Game Is Fair Play" slogan by creating the Fair Play Award. The Fair Play Award is awarded to the team with the highest Fair Play points in each division that represents playing by the rules, being sportsmanlike, showing respect to opponents, referees and teammates. Winner of this award are based on their total points accumulated throughout the season + half of their total Fair Play Points. Fair Play Points are earned during each game rated by the referee on a scale from zero (0) to ten (10), with zero being the lowest and ten being the highest. Factors throughout the season such as yellow or red cards received by team officials/players, forfeitures, etc. may affect overall Fair Play ratings. Teams are expected to earn at least 7 Fair Play Points per game over the course of the season.

COED Fair Play Principles

Fair play in an attitude that show itself in behavior
Playing is a privilege not a right

Respect for others	Hold your opponents and game officials in high esteem for without them there would be no game
Sportsmanship	Show fairness, recognize and appreciate excellence in performance and attitude regardless of team affiliation, enjoy the sport for its own sake
Respect for others	Demonstrate respect of written and unwritten rules (and the spirit of those rules) by following them
Friendship	Promote fellowship within the soccer community not just for your own team
Team Spirit	Believe in each other
Fair Competition	Be part of a just competition; be as cooperative as you are competitive
Equality	Share the sport with others regardless of creed, ethnicity or ability
Integrity	Do the 'right' thing, show grace when winning, good humor when losing
Solidarity	Be allies with one another
Tolerance	Acknowledge, accept and respect differences
Care	Maintain self-control at all times, be considerate of others

Futsal Program

This was the 2nd successful season that Futsal has been incorporated into the CUSA programs. The program was previously known as the COPA Futsal league which became an Associate Member within CUSA prior to the Indoor 2016/17 season.

The 2017-2018 season was an exciting season for CUSA Futsal, as a new Women's division was launched, and it was also the first season that a Men's team from Alberta would be represented at the National Futsal Championships.

What is Futsal?

Futsal is similar to soccer but vastly different. It is a unique, fast-paced indoor sport played across Canada and around the world. The ball is smaller and has less of a bounce which helps players work on their ball control skills. The game is played with 5 players, including the goalkeeper, and 23 minute halves. The last 2 minutes of the second half is stop time and teams get one-30 second time-out per half. Another major difference is that a goalkeeper may only touch the ball once per possession which creates helps create an offensive styled game. The Canadian National Futsal Club Championships are played on hard courts, typically using basketball court sizes.

Canada Soccer is committed to the growth and promotion of the game. At the elite club level, Canada Soccer supports domestic competition through the annual Futsal Canadian Championship. Canada Soccer also supports playing opportunities provided by the National Futsal Team in international competitions including the FIFA Futsal World Cup.

Men's Division

The 2017 – 18 season started on a high note with Canadian Futsal Team's head coach Kyt Selaidopoulos in Calgary for a Identification Camp in addition to delivering a Futsal Coaching Course. Following the camp two CUSA members, Dylan Tooby and Nico Gonzalez invited to join Team Canada in Costa Rica for a series of friendlies against the Los Ticos. Canada Soccer's Futsal National Team wrapped up a two-match international series with Costa Rica 20 January with a 0:5 defeat to the back-to-back defending CONCACAF Futsal Championship winners. The team featured 10 players making their international debut for Canada along with three players who attended the 2016 CONCACAF Futsal Championship hosted in Costa Rica.

"These matches were an important step in the preparations for the 2020 CONCACAF Futsal Championship giving our younger players top level international experience against the top team in our region," said Futsal National Team Head Coach Kyt Selaidopoulos. "We will continue to work toward preparing the players for the international opportunities that futsal provides, including the Futsal World Cup."

Team Canada (Costa Rica January 2018)

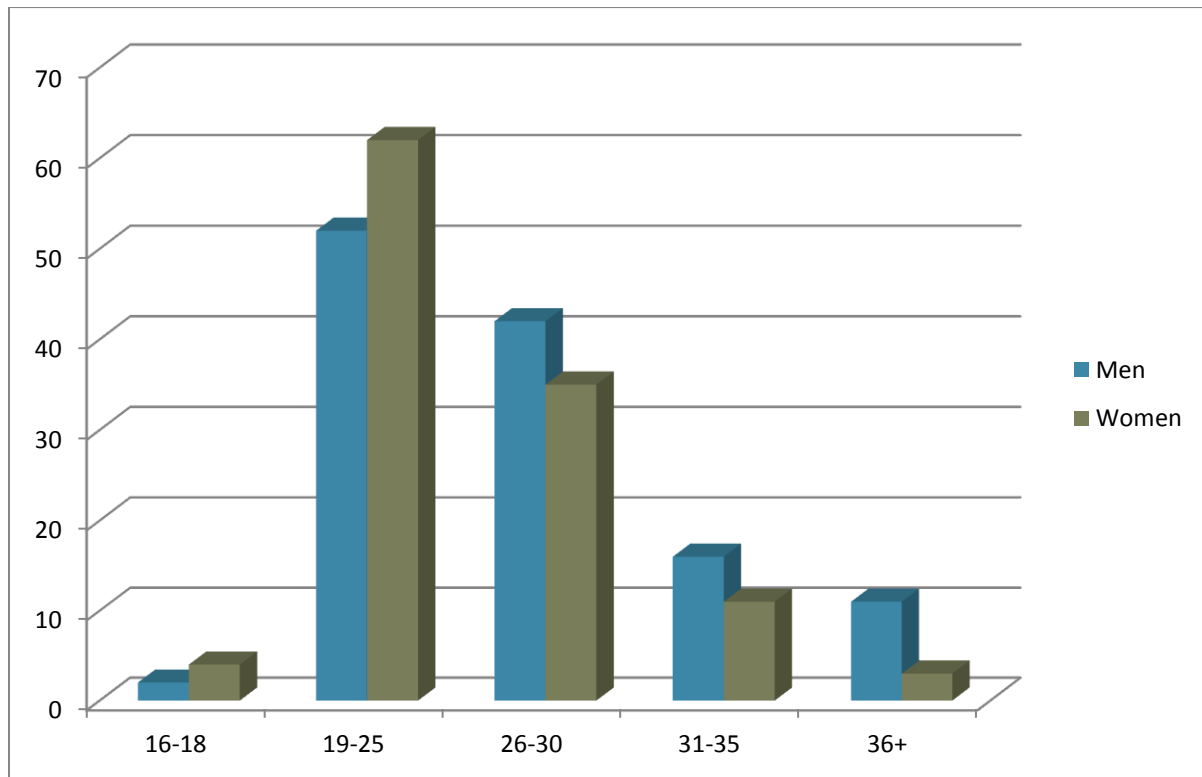

2017-18 season witnessed 7 men's teams compete throughout the season for the right to represent Calgary United and the province of Alberta at the Canadian Futsal National Championships. After an undefeated league season Progressive FC encountered a determined young SAIT squad in the Provincial Championship final. SAIT captured the inaugural Provincial Title in an exciting match with a 6-4 final score over Progressive FC. Exam and class schedules did not work in the team's favor and they were unable to attend. Progressive FC was accepted as the alternate representative and represented Alberta for the first time at the Canadian Futsal National Championships. Progressive FC finished in 5th place, and was the highest ranked new team to the competition.

Women's Division

Following a successful Women's Futsal tournament in the spring of 2017, CUSA launched our first ever Women's Futsal program. The opening season saw varsity teams from SAIT and Ambrose University, as well as the independent teams of PASS FC, Rapids Thunder, Wrangler Raiders and CFC Rangers. SAIT won the division with an impressive 12-0 record.

Futsal Age Demographics

Women's Program

The inaugural Women's Division in CUSA kicked off in the Outdoor season of 2016. Since then, the new program gave female players in Calgary and area a new league to play in. 6 Classics teams participated in CUSA's Women's program in 2017. CUSA has worked with the registered teams to help grow the program. One example is the grandfathering of underage players. It was requested that teams could register up to 2 underage players who are at least 27 years or older. This is similar to how the Over 45 division was started and how the Over 55 division currently is. Over the seasons, the minimum age will increase until the age is 30.

The Classics teams have had success at the Provincial level. Phoenix Rebels took Bronze in the top division, Classics Major for Outdoor. For Indoor 2017 18 there was no Classic Division within CUSA.

Alberta Major League

The Alberta Major Soccer League (AMSAL) started as an idea from Adrian Newman, Bill Malone and Mike Traficante to start a provincial-wide league to help Alberta teams prepare and compete at Provincial and National Championships. The men's program started play in 1992 and the women's program began in 1993. The top teams from Calgary, Edmonton, Red Deer and Lethbridge compete for the chance to represent Alberta at Canada Soccer Association's National Club Championships.

Alberta has captured 17 National Championships, between the men's and women's leagues, including 7 men's championships. The AMSAL league play season runs from May to September with the Provincial Championships held as the marquee event in Alberta Soccer's Senior Soccer Fest over the September Long Weekend.

United Soccer League's Premier Development League (USL PDL)

Calgary Foothills Football Club began in 2014 within the USL PDL. In their second full season in the PDL **Calgary Foothills FC** had a Cinderella season making it all the way to the finals. 2017 proved how difficult the feat was to repeat, as they were knocked out in the first round of the PDL Playoffs by the Portland Timbers.

The 2017 squad faced adversity with injuries causing challenges for the team with Elijah Adekunle sidelined the entire season with an Achilles injury. Following the completion of the PDL season goal keeper Dylan Powley followed in the footsteps of the other goalkeepers and signed a one year contract with FC Gute in Sweden. Simon Thomas, who played for Foothills during their 2014 exhibition campaign, is in his third year in Norway, and is a regular on the Canadian national men's team. Sean Melvin and Nolan Wirth, who split duties in 2015, have both signed USL deals with Whitecaps FC 2 and Phoenix Rising, respectively. Melvin made his national team debut in January, and Wirth has suited up for the national under 20 team in 2015. The league continues to live up to its expectation of being a stepping stone for players to continue to develop following the completion of their university careers.

The Black Cup is the oldest soccer trophy in Calgary. The first competition for the Black Cup was held in 1914. The Calgary Caledonian Soccer Club has been the most successful club in the tournament, winning the trophy 25 times throughout the tournament's history.

The tournament format is a single-elimination format and is held in September following the completion of Provincials. This tournament is the only opportunity for AMSL, Premier and Division 1 teams to compete for a City Cup which makes this competition one of the toughest to win. Any registered Outdoor team in Calgary United Soccer is eligible to participate.

The Tony Marques Memorial Cup has traditionally been a one weekend single-elimination tournament held during the last weekend in May. It is open to non-provincial teams in the Open, Master's, Over 45 and Over 55 divisions, as well as the Master's Premier division. Games are shortened to two-25 minute halves which creates a fury of action throughout the weekend.

The Airdrie United Soccer Club began a memorial tournament in 1999 honoring John Burns. The competition is held annually for Master's teams, except Master's Elite, and Over 45 and Over 55 teams. The tournament uses a single-elimination format throughout the Outdoor season. The Chinooks Blackstars have been the most successful team in the John Burns Memorial Cup, winning the trophy 3 times from 2007 to 2012.

The original tournament was held in a *family, friendly manner*. For each foul or knockdown the player was required to stop and assist his opponent back to his feet.

Teams that participate in Masters Premier and lower are eligible to participate, including all those registered in Over 45 and Over 55 Divisions.

The Kaiser Cup started in 2008 as an Over 55 tournament in recognition for Bernie Kaiser, who, at the time, was CUSA's oldest active player. Bernie last played in the tournament in 2012. The competition, prior to 2014, was open for Over 55 players in the Over 45 divisions to register a team to vie for the trophy. The 2012 and 2013 editions of the tournament used a round robin format and the team with the most points won the Kaiser Cup. Due to the Calgary floods, the 2013 tournament was cancelled mid-season and no champion was determined.

The Kaiser Cup was only offered to registered Over 55 league play teams after CUSA started offering a division in 2014. Once league play had finished, the top teams in the standings competed for the coveted Kaiser Cup. Southside Rangers O55 became the first Over 55 team to win the Kaiser Cup, followed by Selects O55 in 2015.

CALGARY NATIONS CUP

Davinder Singh Kajla Memorial Trophy

The Calgary Nations Cup Tournament began in 2006 in memory of the late Davinder Singh Kajla. This annual tournament has seen 36 different nations compete for the *Davinder Singh Kajla Memorial Cup*. Competing teams will represent nations, and building their rosters with players who are from those nations or have heritage ties back to their grandparents. The goal behind the tournament is to expand knowledge and excitement around soccer and to keep young adults engaged in building a community that recognizes diversity and works together.

This tournament has become the must see soccer event of the summer and highlights diversity, cultural awareness and sportsmanship amongst players, fans and nations. The Nations Cup has also had a global span outside of Calgary and Alberta. A Fijian newspaper ran a story about the tournament after Team Fiji claimed their first Nations Cup victory in 2013.

Over the years, the Nations Cup has offered four different divisions. The Open Division allows for players aged 16 and older to compete, and showcases some of the best soccer talent in the area. The Players aged 35 and older can sign up for the Master's Division and shows the legacy of many nations. The Over 45 Division highlights that age is not an issue when representing your country. The Women's Division displays the growth of premier female soccer.

Outdoor Nations Cup

The 13th Annual Outdoor Nation's Cup was held between August 4th to August 6th 2017. 21 teams registered. The Nations Cup featured tons of excitement and a very rich display of talented players from across Canada. Coupled with the tremendous growth that the tournament experienced, a new logo to mark the beginning of a new decade of the tournament was also unveiled.

The Ethiopia Master's team was crowned champions, for their first time, of the Over 35 division after a very impressive run in the tournament. In what was a very entertaining and tense finale, Sudan emerged winners in the final Game over Afghanistan to earn the crown of the Men's Open Division Champions.

2018 Goodwill Game

New for 2018, CUSA partnered with the Calgary Police Service and the Drop in Centre to host a *Goodwill Game* between the CPS and the Drop in Centre. The game took center stage on Friday April 13, between the Gold Medal matches for the Masters and Open Divisions in front of over a hundred spectators.

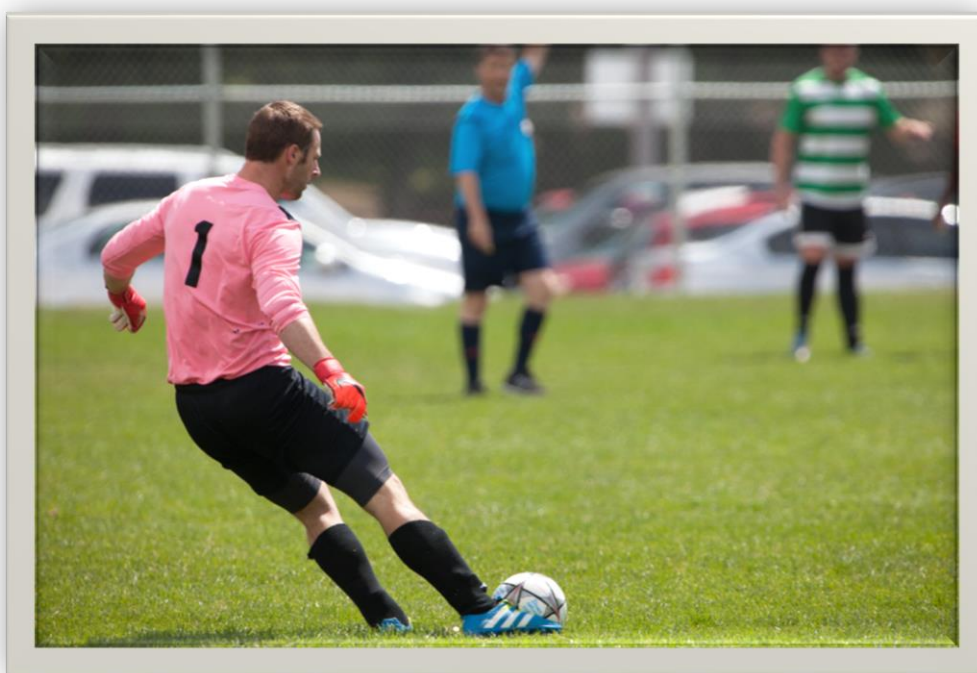

The Drop In Center was the crowd favorite – and the CPS team featured CUSA Treasurer Rajinder Uppal in goal – much to the delight of CUSA staff and board members who were in attendance. The Drop in Center had a standout keeper and a great team effort put in by all. The final score was 4-2 for the Drop in Center team.

The Goodwill Game was a great success and we look forward to continuing the partnership into future events.

Co-Ed Tournaments

Calgary Co-ed strives to provide a fun, safe and social atmosphere to the game of soccer with providing various tournaments throughout the year to its members. As well as league play, all tournaments offered throughout the year have a main focus of Fair play and Sportsmanship.

BOXERS, BRAS AND BEERFEST – COED TOURNAMENT

The 13th Annual Boxers, Bras and Beerfest (BBB) Tournament was held on the weekend of September 29-30, 2017 at the Calgary Soccer Centre.

The Boxers, Bras and Beerfest is best known for it's long tradition of players, referees and coaches wearing boxers and/or bras over their uniforms throughout the tournament. The team that dresses the best during the tournament is awarded the "Best Dressed Team" award.

Originally, when the BBB was first introduced to the Co-Ed program in 2004, it was limited to the first 16 teams to register with Calgary Co-ed, due to limits on field availability. Throughout the years the 16 team maximum was eliminated and extended to unlimited registration due to field availability and the growing interest in the tournament.

During the 2017 tournament, a total of 14 teams took part in the event. Teams were divided into the following categories based on their skill level and/or registered league play team

- Knickers & Drawers (Competitive)
- Lingerie (Rec A) – Recreational
- Undies (Rec B) - Recreational

Each team played in a total of 4 games over the two day event with 2 games on Friday, September 29th and 2 games (including finals) Saturday the 30th. During the event we saw some unique team outfits such as Ken and Barbie themed uniforms, Borat inspired swimsuits, superheros, and a man with a bright pink tail.

The 14th Annual Boxers, Bras and Beerfest will be held on Friday, September 29th to Saturday, September 30th at the Calgary Soccer Centre.

Kick the Winter Blues

The 5th Annual Kick the Winter Blues (KTWB) tournament was held on December 15-16, 2017 at the Calgary Soccer Centre. The KTWB was created in 2013 to allow for players/teams to have a fun and social event during the Christmas break. Originally, the tournament was offered as a Men's and Co-Ed indoor tournament in the month of February. Since 2014, the tournament is now offered in the month of December and is now only offered to the Co-Ed program.

During the 5th Annual KTWB, a total of 8 teams participated in the tournament, where teams were spilt into 2 competition categories:

- Santa Claus – Competitive
- Frosty the Snowman – Recreational

During the tournament teams competed in a total of 4 games over the two day event with 2 games on December 15th and 2 games on December 16th. For the first time in the tournament, teams were given Santa Clause hat's to wear on the field during play.

The 6th Annual Kick the Winter Blues is anticipated for December, 2018.

Discipline Report

CUSA is committed to providing a competitive, fun and SAFE soccer experience for all its members. This means working with our players, coaches, officials and administration to ensure that our participants adhere to the rules and laws of the competition. Players or teams who do not stay within the rules or who display actions not befitting of the standards set are subject to disciplinary sanctions as per our Discipline Code and procedures.

Teams and players sometimes, either mandatorily or when choosing to, appear before our Discipline Committee panel at our weekly Discipline Hearings evening. This is our member's opportunity to discuss the circumstances regarding their alleged misconduct and a decision is reached based on all the evidence presented.

Our Committee consists of three volunteers who adjudicate at these evenings. Their experience and judgement allows a considered and fair decision to be made.

The 3 members are comprised of:

1. An experienced Chairperson who is often still playing within our Leagues or involved in some capacity.
2. An experienced referee who can offer insight from an official's perspective.
3. A member-at-large. This can be any responsible individual from any club within our system.

Twenty of our members kindly volunteered their time to represent on the Discipline Committee. Eight had not sat on the Committee before – this is mutually-beneficial – players and coaches get the opportunity to be a positive impact as part of the decision-making process, while also being able to take what they have learned from the experiences back to their clubs to help when faced with any similar incidents out on the field in the future.

CUSA continues to encourage an open, transparent two-way relationship; working with the teams and players to not only deliver the appropriate punishments when warranted, but also to provide advice and support to help try and minimize future inappropriate conduct.

Referee Management Operations Committee

The Referee Management Operation Committee (RMOC) is an operational Committee comprised of the different Calgary soccer associations (CUSA, CMSA, and CWSA) who work in partnership with 2 nominated, respected referee representatives who meet monthly to discuss everything relating to our referees, to ensure the best communication between the leagues and officials.

The mandate of RMOC is:

- To support the development of referees in Calgary
- To set game ratings and referee ratings for all referees assigned by the Calgary Referee Scheduler
- To set payment rates, subject to the approval of the Leagues, and to facilitate remuneration of referees.
- To schedule referees
- To establish, manage and monitor the contracts of the Referee Scheduler and Referee Payments Coordinator
- To recommend to ASA appointments for regional and national training and for the Referee Development Committee

In the last 12 months RMOC has worked on the following projects:

- RMOC changed ratings format for newer referees who show potential and enthusiasm which allows them to be scheduled middle opportunities sooner.
- Introduced a Referee Enhanced Development (RED) Program which targets 16-24yr age group. RMOC prioritize early mentorship for this group and also utilize CDSRA for classroom education.
- Updated Mentorship form for the Indoor 2017/18 and Outdoor 2018 game.
- Mentors were added, now up to 31
- 126 Mentorships were completed for the 2017/18 Indoor season
- Identified and scheduled up and coming referees in Tournaments and Pre Season games
- RMOC Representatives presented at (6) Refresher courses
- RMOC met with (2) referees for hearings
- RMOC Representatives assisted ASA with Referee concerns
- RMOC Representatives met with (9) referees on (3) different occasions for one on one conversations regarding their performances
- RMOC Representatives were assigned as District Referee Assistants (DRA)

The Calgary District Soccer Association (CDSRA) is an organization for the development and improvement of referees. It is the only organization that offers post entry level training of referees in District 4 (Calgary) and surrounding districts (Foothills, Airdrie, Big Country). The CDSRA currently has approximately 100 members.

Twice in every month and year round the CDSRA offers integrated referee training classes (IRT) in Calgary for its members. These classes are taught by ASA instructors and we are lucky enough to have 2 CSA National Instructors within our association who have access to the latest FIFA and CSA training modules. This gives our members the best possible training available to any referees worldwide and the better the referees we have in the soccer community, of course means the betterment of soccer in general for CUSA and its member teams. This IRT training is not just limited to CDSRA members, any referee who is registered to referee CUSA games can attend up to 2 sessions for free to see what it is all about before deciding to join.

In 2018 the CDSRA in collaboration with RMOC has embarked upon a program targeted at new and younger referees in order to help them develop and provide the tools to help them gain their confidence in their first few years refereeing. This new program is called **RED** and the first training session in May with monthly classes planned throughout the summer.

CDSRRA is a non-profit organization and the biggest percentage of our modest membership fee goes into the cost of the IRT training. Our biggest challenge is arranging field time for the IRT classes. This is because of the cost and time slots available on suitable fields that are accessible for all referees. CUSA has been very supportive of the CDSRA in past years by kindly providing this field time free of charge from their own fields like Broadview or from spare time slots at the Calgary Soccer Centre – without this kind of support from CUSA, the IRT training sessions would not be able to be the success that they have been and for this, the CDSRA and all referees in Calgary that attend these sessions are truly grateful!!

The CDSRA would like to take this opportunity to thank CUSA for their support and look forward to working together for many future years for the development of Soccer in Calgary.

Great leagues and Excellent Soccer Tournaments. They do so much for the soccer community in Calgary :)

Giving Back

Soccer Without Boundaries is a grassroots volunteer group that has grown into an innovative multicultural outreach program aimed at integrating new Canadians into their community. Soccer is something they all share, regardless of their culture, creed or nationality, and Soccer Without Boundaries is designed to bring them together. It breaks down barriers and lets children feel that they belong. It allows them to build self-esteem, develop leadership skills and strengthen social relationships through team work, fair play, and conflict resolution. It also provides their parents and families with a means to volunteer and get involved.

The program runs all year, in-door and outdoor, on the strength of its wonderful volunteers: coaches, assistant coaches, helpers and donated soccer gear (shin guards, shoes, balls). To help engage the program with CUSA Members the kids escorted the two finalists onto the pitch for the Championship Match for Nations Cup.

CUSA members contribute \$10 from each team registration to this program.

KidSport Calgary is the largest of the 178 KidSport chapters working across Canada. Its mission is to make sure no child is on the sidelines because they cannot afford sport registration fees. According to a 2014 CIBC national survey, a third of Canadian children cannot afford to participate in organized sports due to high registration fees. Alberta has the highest costs of children's sport in Canada; on average, Alberta parents spend \$1,428 per child each year to participate in sports.

In 2017 KidSport Calgary helped 4974 kids, helping pay over 1.3 million dollars in sports fees over the course of the year.

The Calgary chapter of KidSport was founded in 1995 and is an amateur athletic association rather than a registered charity. It is eligible to issue donation receipts.

Financial Review

On June 6, 2018 the independent external auditors of Lockhart LLP carried out the audit on Calgary United Soccer Association for the year ended March 31, 2018 in accordance with Canadian accounting standards for not-for-profit organizations.

The Finance and Audit Committee plays a critical role in financial and governance matters at CUSA and oversees the integrity of the financial statements, preparation of the budget, internal controls, policies, and procedures. There is a strong focus on meeting the operational needs of the Association while continuing to provide the resources for the growth of the sport by reinvesting future surpluses in the development infrastructure, officials and coaches to deliver a diverse array of affordable programs to its members.

Revenue and Expenses

In 2018 CUSA committed to attain financial sustainability by using a well-managed financial system and through building alliances in the community. Obtaining increased third party partnership revenues remain a goal of the association. CUSA has established partnerships with a growing number of companies that provide products and services to our members. Fishers Soccer Shack and ProActive Health Group provide value added benefits for our membership. Over the past four summers CUSA has employed a summer student to assist with organizing a busy slate of tournaments and cups, this position is 75% grant funded. CUSA qualifies for a Casino license every couple of years, and with providing volunteers to work at the event in turn CUSA receives gaming funds that are allocated to on-field expenses. Grants fund the Board's efforts on implementing the next phase of CUSA's Strategic Plan.

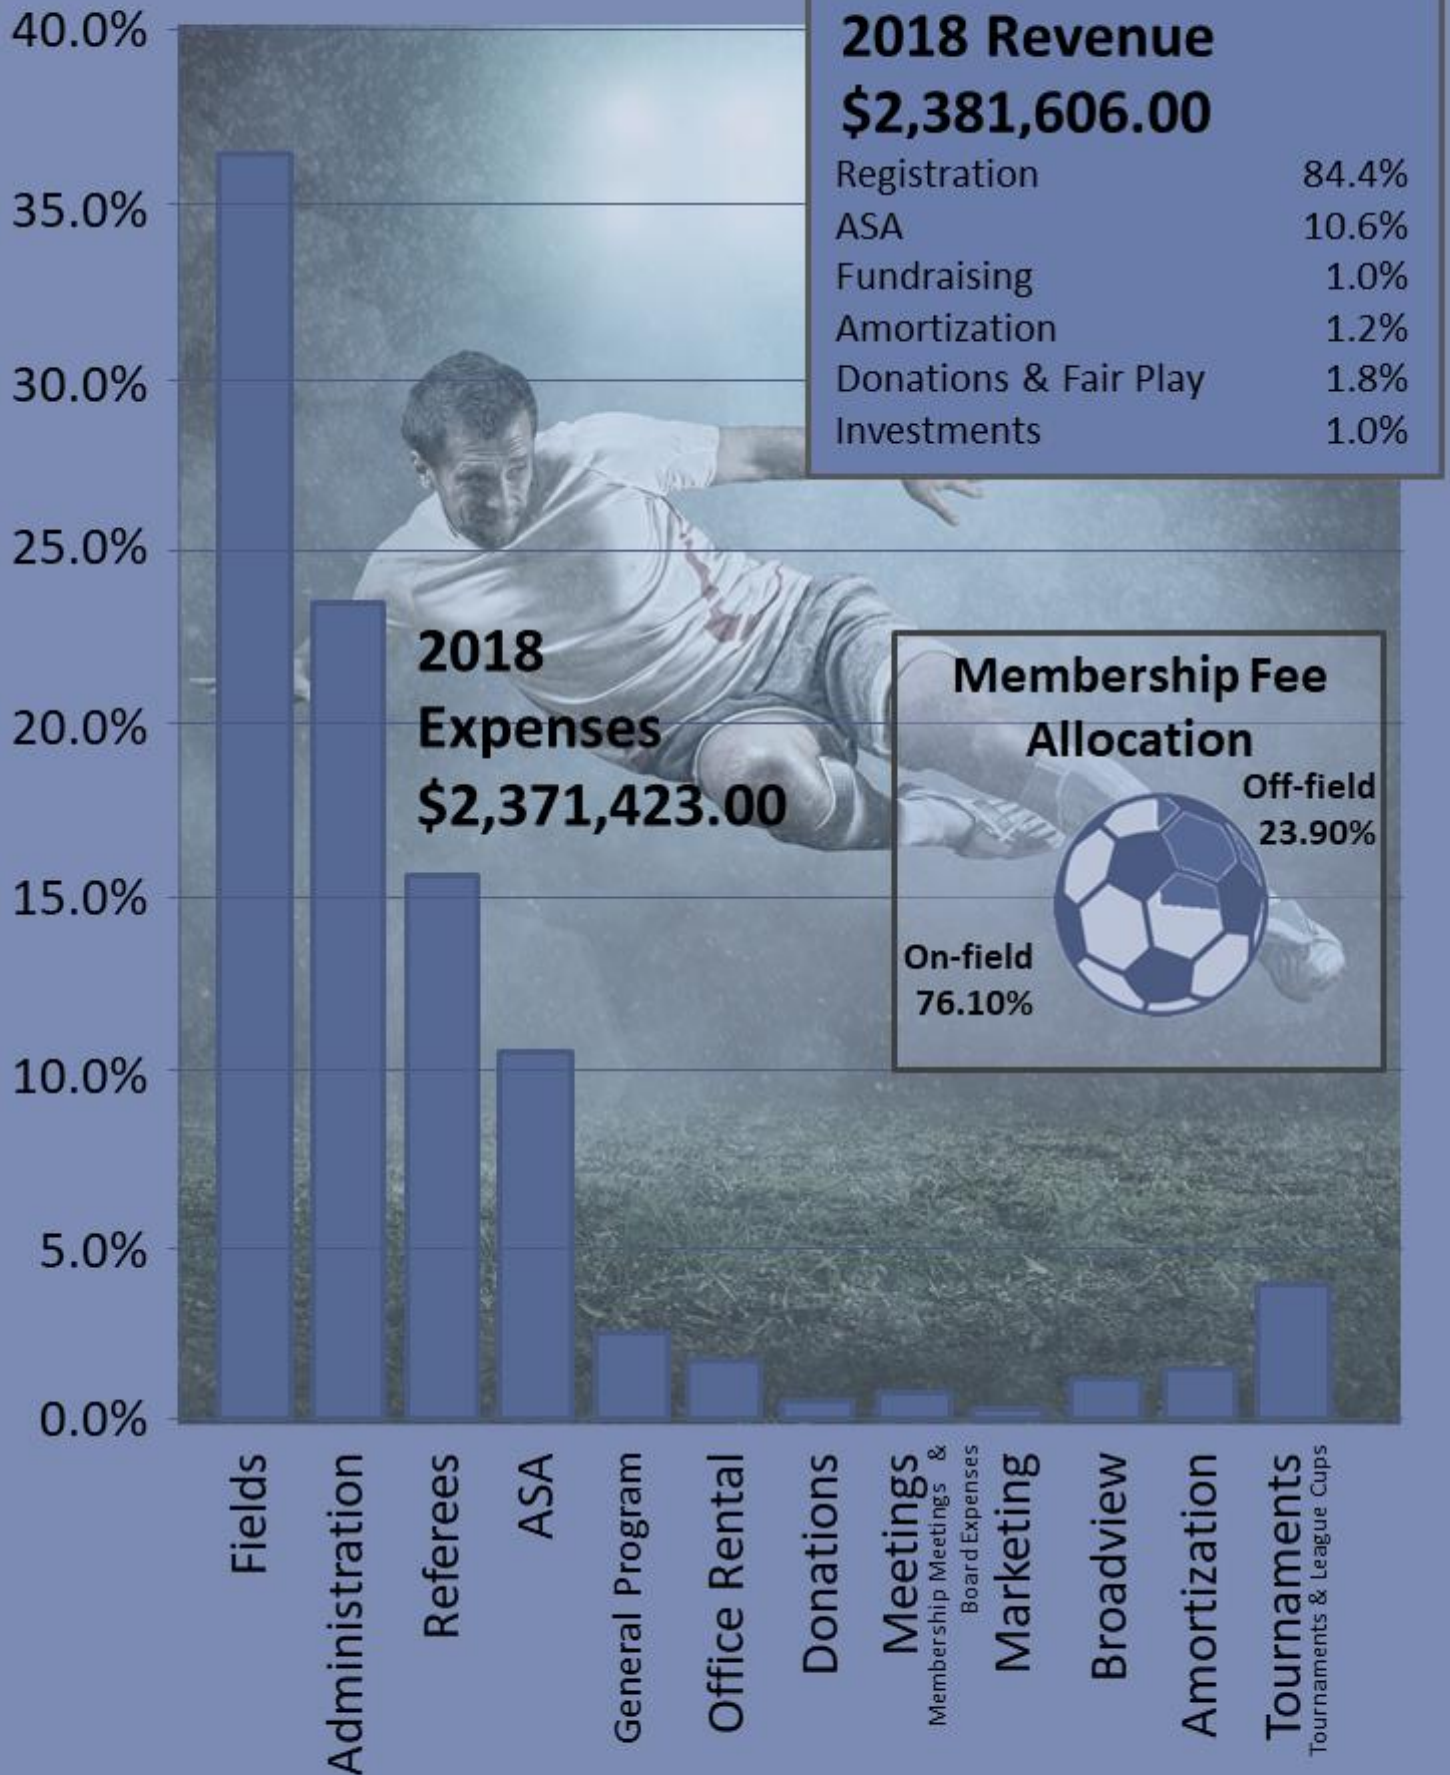

CUSA continues to devote its use of funds to on-field activities, with over 72% of all expenditures disbursed directly to on-field expenses excluding administrative items. CUSA supports automation and innovation in the delivery of its services and has seen success in eliminating redundancies and increasing efficiencies. For instance, CUSA's steadfast commitment to best banking practices has seen better than average returns on investment certificates and stronger results when combined with annual reviews and favorable reductions of processing fees on electronic financial transactions. In 2018 CUSA identified various third party information technology and insurance contracts to go to market with consolidation or replacement resulting in a small cost savings to the association.

The "**Gross Municipal Amateur Sport Product**" in Calgary was over **\$1.2 billion**, which represents the sum of expenditures such as private household consumption (over \$715 million), various levels of government spending (nearly \$150 million), balance of trade (over \$350 million), and other private capital investments.

While contributing to amateur sport in Calgary, **volunteers provided an estimated 15 million hours.**
