CALGARY UNITED SOCCER ASSOCIATION

2019 Annual Report

About Calgary United Soccer Association

We – the Calgary United Soccer Association (CUSA) – provide an unmatched adult soccer league experience to registered players, officials and coaches. Our inclusive community brings individuals from all walks of life to the field to engage in competitive play and celebrate a shared passion for the sport of soccer.

As a leader in organized sport, we approach the future of CUSA with bold determination while honouring our rich heritage. We believe soccer is far more than a game. It's a platform for physical challenge, personal enrichment, and meaningful connection that we are dedicated to reinforcing.

We pride ourselves on taking care of the heavy lifting, empowering our member to play structured and quality games with ease. Beyond action, we provide opportunities for meaningful growth and development.

Our association exists to foster belonging and build community on and off the field. Welcoming all. . . **Together, for the love of the game.**

Our roots go back to 1898 when the Calgary Association Football League held its inaugural season of organized soccer with 6 teams and 140 players. Many iterations and 82 years later, Calgary United Soccer Association (CUSA) was founded as an amalgamation of Calgary Men's Soccer League and Calgary United Soccer.

In its inaugural season, CUSA operated leagues for approximately 30 teams and 600 players. Over the past 39 years the association has grown dramatically, today consisting of over 280 teams and 7,000+ registered adult players and coaches. CUSA offers its members two seasons of play annually (indoor and outdoor) in men's, coed and futsal programs.

Letter from the President

Dear members, stakeholders and fans of the beautiful game,

It is our pleasure to present you with the 2019 annual report for Calgary United Soccer Association. The past twelve months have been significant for our association and for soccer in the City of Calgary, and our ambitions for the year ahead are certain to ensure that we continue to improve our sport and the leagues we operate for our membership.

Following the significant amount of work put into and the completion of CUSA's strategic plan in 2018, the past year has been dedicated to the implementation of what we perceived to be the most important initiatives outlined therein. While nothing happens overnight, we have made significant progress on a number of fronts. Through the leadership of Pablo Romero, Seth Long, and CUSA's administrative team, we underwent a wholesale rebranding. The new, mobile responsive website highlights the fresh, cleaner look that the newly created and clearly defined brand standards have laid out for CUSA. It is substantial easily navigated and provides enhanced player and game stats, with more to come as work continues. Through the rebranding process, our men's and co-ed programs were merged into the single new identity, streamlining the look and feel of all of the programs that we operate. The significant work that has been done is critical to taking CUSA into the next phase of our growth as an association.

The past year has represented another significant milestone that we believe holds great importance for the future success of our association and for the growth of the sport in Calgary. Through the meaningful effort that has been put into fostering strong relationships with other stakeholder associations and organizations, CUSA is becoming a leader in the City for the sport of soccer. Our significantly improved relationship with CMSA at the board and administrative level has led to a greater alignment of interest and a higher degree of collaboration on league matters and the development of a framework to jointly lead the pursuit of facility initiatives with other stakeholders.

Within our own league, cup and tournament play, we have made significant strides in improving our offering to our membership. An improved league format in coed that allows teams to participate in four divisions with varying levels of skill has ensured greater parity among teams within each division and improved member experience. The introduction of an 8 v 8 non-boarded indoor game for the winter season was a smashing success, with 34 teams participating across 5 divisions in the inaugural season. We are excited by the prospects for next season and anticipate meaningful growth in this format as it is soccer's fastest growing game globally. Our commitment to cup and tournament play has been highlighted in recent years by the success of Nations Cup, with this year's indoor tournament boasting the largest night-over-night crowds since inception.

The past year has seen the re-introduction to Calgary of professional soccer, with the Cavalry playing in the inaugural season of the Canadian Premier League. CUSA is a proud supporter

of the Cavalry and the growth in the game that having a professional soccer team in the City of Calgary entails. The atmosphere at their Spruce Meadows stadium has been outstanding and provides our membership, their families and future generations of players a soccer experience that Calgary has long been missing. We have been actively involved with the Cavalry and soccer's major stakeholders via technical committees focused on providing a pathway for youth soccer players to achieve excellence in the sport. CUSA, alongside EDSA, AMSL membership and ASA, endorsed the addition of two CPL reserve teams to the AMSL for the 2019 season.

Before turning to what the future holds, we would be remiss not to highlight a deserved accomplishment for incredible contributions to our past and present. At the end of March, CUSA director Bill Malone was awarded the Honoured Athletic Leader Award by the Calgary Booster Club for his meaningful contributions to the game of soccer in Calgary and Alberta over the course of the last 40 years as a volunteer. We are incredibly fortunate to have Bill's invaluable insight and experience as a sport leader as we hope to create a great future for soccer and our members in Calgary.

The work that has been done over the past year has laid a strong foundation for the upcoming year. While the following highlights represent but a fraction of the work that will be done, they represent what we feel to be among the most significant of the strategic objectives set out in 2018.

Growing demand for facilities and weather-related events continue to demonstrate the need for CUSA and our partners and stakeholders to efficiently use existing facilities and to ensure that such facilities represent the sport well. This will entail investing intelligently in improving both current facilities and investing in future soccer and multi-sport facilities. Through capital grants over the past year, we were able to add stands to Broadview and ensure that it continues to hold its place among the best soccer fields in the City. This year, we have further opportunity to leverage grants to replace the trailers at Broadview, which would dramatically improve the experience of players, officials and fans attending games. We hope that we'll have your support in this effort. Outside of grant work, we will continue to collaborate with CMSA and other stakeholders to ensure that our current and future membership have the opportunity to play games on quality fields with amenities that improve everyone's experience.

Lastly, we will continue to support the Canadian Premier League in its objective to grow the sport in Canada and provide further domestic development opportunity for our most talented athletes. We are committed to growing the game in the City of Calgary and seeing our membership have opportunities to excel.

All the best in soccer and otherwise to our membership during the upcoming year.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jasprit Lail', with a stylized flourish at the end.

Executive Summary

CUSA Business Plan 2017 – 2022

Calgary United Soccer has incredible potential. We've always been guided by our deep love of the sport of soccer and our mission to help the sport grow in Calgary and in the Province of Alberta. Our roots go back to 1898 when the Calgary Association Football League held its inaugural season of organized soccer with 6 teams and 140 players. Many iterations and 82 years later, Calgary United Soccer Association (CUSA) was founded as an amalgamation of Calgary Men's Soccer League and Calgary United Soccer. In its inaugural season, CUSA operated leagues for approximately 30 teams and 600 players. CUSA offers its members two seasons of play annually (indoor and outdoor) in men's, coed and futsal programs.

CUSA delivered strong operational performance and sound progress in implementing the strategic initiatives central to the achievement of our goals. We are confident through the implementation of our 2017 Strategic Plan, CUSA can meet its tremendous potential, and help soccer in Calgary reach its potential, too.

Objects (2011):

- To promote, foster, develop, and manage all aspects of senior amateur indoor and outdoor soccer in District four (4) as defined by the Alberta Soccer Association.
- To acquire real estate by purchase or lease, to provide playing fields or structures for the games and social activities of its members.
- To make financial arrangements for the acquisition or sale of real property in such a manner as the Association may, from time to time, see fit.
- To pursue ways and means of raising funds for the Association and its members.
- To promote and foster the transition of players from youth to senior soccer.

Pillars

Social Integrity

CUSA promotes respect through sportsmanship and fair play, believing that the field is a place for inclusion, diversity and equality.

Organization

CUSA is prided on professionalism that is bolstered by company-wide organization and stability, advocating for uninhibited play time.

Passion

CUSA is a passionate community builder dedicated to supporting the promotion of the game.

Strategic Priorities

Strong Communication and Brand Awareness

- Improve access to information
- Strengthen Partner Association and Community Ties
- Enrich relationships within the soccer community

Grow and Diversify Services

- Retention and recruitment of Membership
- Expand playing opportunities across association
- Enhanced capacity of membership

Strengthen Association

- Drive and maintain high satisfaction levels in the Association's programs
- Expand Soccer Related events hosted and promoted
- Demonstrated excellence in Association management

2019 Accomplishments

Strong Communication and Brand Awareness

- The Association launched an updated, mobile friendly website in April 2019. In its first month of operations there were 30,558 unique page views from 4,679 unique users. The site provides a new, cleaner look, easier navigation and enhanced player and game stats display with more upgrades to come in future.
- Brandsmith was retained to guide The Association through a major rebranding to reflect the shared history and passion for the game that the league has. Included in this process was the consolidation of the CUSA Men's brand with the Calgary Coed Soccer into one visual identity.
- Continued strong focus on infrastructure and facilities planning. The Association entered into a Memorandum of Understanding with Calgary Minor Soccer to work in tandem on facility development and on communication of current and future needs and facility designs.
- Continued support to the Calgary Police Services with their Diversity Game in September and their Goodwill Game with the Calgary Drop In Centre during the Indoor Nations Cup.
- Participated in MRU Career Fair promoting Association, Student Employment and opportunities for officiating and playing.

Grow and Diversify Services

- The format of Coed League was changed to combine teams of similar skill within larger divisions: Competitive, Intermediate; Recreational and Ultra Recreational.
- CUSA continued to support local training of officials through the provision of Broadview for on field work.
- Introduced 8v8 Indoor game as an alternative program for the Indoor Season. 34 teams participated in the inaugural season.
- Increase awareness to Futsal program for players and officials. Increased participation in the Men's Program in 2018 saw 10 teams register for the season.
- AMSL Membership, along with CUSA, EDSA and ASA endorse the addition of two CPL Reserve teams joining the AMSL for the 2019 season.
- Calgary players, Francisco Puerta and Graham Fisher, were invited to the National Futsal exposure camp in 2018.

- Villains Elite FC, following earning the Provincial Championship, makes their first appearance at Futsal National Championship finishing 5th of 8 teams.
- Nations Cup Tournaments remain popular with strong representation from a diverse range of teams for both the Indoor and Outdoor competitions.

Strengthen Association

- Government compliance requirements and other key obligations effectively met.
- Negotiated a refund from STACK, former sport management software for fees paid in USD.
- Provided Cavalry FC with exposure to membership at Outdoor Nations Cup with their ticket promotion and through sponsoring the Champions prize package at Indoor Nations Cup.
- Continue to nurture partnership with Cavalry FC through participation of their Technical Committee, focused on how to provide pathway for youth beyond Calgary Soccer.
- Auditors returned an unqualified audit opinion. The Association received *Good* rating for financial management from City of Calgary for 7th consecutive year.
- Spending allocation was consistent with the strategic goal of focusing membership fee allocation to on field products as possible as reduction to administrative expenditures were sought including the renegotiated office lease with landlord resulting in decrease in rental rate exceeding 38% per year over the 6 year term.

2020 Areas of Focus

Strong Communication and Brand Awareness

- Investigate means to increase sponsorship on website and leagues
- Seek marketing opportunities with the use of the CUSA Crests on merchandise
- Review utilization of additional social media platforms to raise CUSA profile.
- Continue to work with web developer for additional features and enhancement to platform.
- Investigate hosting a local Soccer Summit. Prepare and present detailed proposal to soccer community and external partners, including potential sponsors.
- Align and embed the organization culture, structure and service delivery model throughout all program and service areas.

Grow and Diversify Services

- Continue to review and evaluate programs offered to membership
- Continue to pursue new and innovative strategies and partnerships to increase participation in the game be it non-boarded, futsal or Coed programs..
- Promote the concept of the Soccer Pathway, the variety of ways to engage and participate in the sport.
- Demand for facilities is greater than supply capacity. This emphasizes the need to optimize use of existing facilities, and strategically plan and invest in future sporting facility developments and renewal of existing facilities. To ensure that future decisions are made through fact based business case CMSA, CWSA and CUSA will undertake a city wide survey of Calgary community on soccer and its future needs and demands.
- Develop a systematic plan to attract, retain and develop competent officials, completed in conjunction with CDSRA, RMOC, RDC.

Strengthen Association

- Assess internal needs to strengthen connection to and support of existing CUSA Community
- Review of sport governance best practices and documentation.
- Cultivates and leverages partnerships and relationships within the sport with the increased profile of the game in Canada as the result of the CPL's inaugural season of play

- Continue to pursue new and innovative strategies and partnerships to increase non-fee based revenue. Establishment of an inventory of CUSA Properties to be considered for corporate sponsorship, naming rights, etc.
- Development of a *Fund Development Strategy/Action Plan* and *Grant Program Plan*
- Further develop workforce skills and capabilities.

Achievement Awards

At the 2018 Annual General Meeting eight individuals were recognized for their ongoing support to the sport of soccer in Calgary and in particular for Calgary United Soccer.

Jack Buckler Award

Awarded for the most outstanding contribution to the sport of soccer within Calgary and area.

2018 Recipient | Bill Malone

As a player, coach, club executive and promoter of the game, Bill Malone has enriched every level and intensity of his sport from the youngest player to elite national club teams. For over 35 years in Calgary advocated for players to be provided with opportunities to play and advance to the potential. Referee development locally, provincially and nationally has been a passion of his for decades. So too was promoting the need for, and the ultimate construction and operation of the Soccer facilities within Calgary and the surrounding area.

Since his arrival to Calgary and Alberta over 40 years ago Bill has been active volunteer, coach, Board member and for a brief time period an employee of the Calgary Soccer Centre. Bill is most often associated as being one of the founding members for the establishment of the Alberta Major Soccer League (AMSL). Bill has also served on various soccer Boards. He has

been a member of the CUSA for almost 30 years including serving as its President for 10 consecutive years from 1988 to 1998.

Locally in Calgary a large number of players and coaches know Bill from the years he served on the local discipline committees for the leagues. Bill Malone has continually displayed an ongoing dedication to soccer in the capacity of coach, officials and administrator. He has served as an inspirational influence to athletes, coaches, officials and his peers.

Life Time Achievement

Awarded to the individual for years of outstanding contribution and unselfish effort towards the growth of the Calgary United Soccer Association.

2018 Recipients| **Dave Randall and Dave Morrow**

Dave Morrow and his cohort Dave Randall have been a fixture on the Calgary Callies sideline for over a decade. Together they helped develop a dynasty at the AMSL level. In addition to his coaching Dave Morrow continues to play the game when not away with work commitments. Dave is a prior recipient of the CUSA Award of Merit (2003) and it is fitting together with Dave Randall be awarded the Lifetime Achievement Award.

Dave Randall is a prior recipient of CSA Award of Merit; CUSA Award of Merit: represented Callies FC along with Dave Morrow when the Club was inducted into the Canadian Soccer Hall of Fame; Responsible for starting the MRU soccer program; coached Callies to a record setting number of trips to provincials and Nationals, served on the CUSA Board when the AT Project started at the CSC; played

with Calgary Outlaws. After retiring following the 2017 season his retirement has found him behind the bench for Callies 035 with eyes set on the Master's Championship.

Kieran McGarrigle Award

Awarded annually to an individual for their outstanding contributions that improve the refereeing community in Calgary and area.

2018 Recipient | **Laurie Darvill** Laurie is a Regional level referee in Alberta. She began her career in an effort to “put her money where her mouth was” and instead of complaining about the quality of officiating she was experiencing, contribute to improving it by becoming a referee. She became a Referee Instructor in 2014 and a District level Assessor in 2012 and was promoted to a Regional level Assessor in 2015. Within Calgary she has been active with the CDSRA and now active as a member

of it's executive. She notes that being an official is a great opportunity to develop tools and skills that transcend to all aspects in our lives. She likes the mental and physical challenges that officiating brings and being able to provide the best possible officiating to each match and continuing to develop as an official.

Laurie also enjoys the opportunity to share her experiences on the field with new officials and assist them with their development. Locally Laurie has been Instrumental in developing and delivering Referee Enhanced Development (RED) program for new officials. She has been a key instructor for Alberta Soccer's female-focused referee education pilot program – *Create Your Advantage*. This is the first female-only, female-led refresher and development opportunity in the province.

Award of Merit

Awarded to individuals for time and services rendered in support of Calgary United Soccer Association and its members.

2018 Recipient | Brian Wong Brian Wong has been an advocate and supporter of the game of Futsal in Calgary for over a decade. Brian has combined his passion as a player with his skills as an announcer and media guru to promote the game through his Fever TV and social media outlets. From its early starts of a few friends playing friendlies to the COPA Futsal League at Genesis to 2018 and the first Alberta Men's Futsal Provincials and the first Alberta Men's team at Futsal Canadian Championships Brian has been there.

In addition to his support of the game of futsal Brian manages to find time to officiate and be very engaged in the Chinese community in Calgary. Perhaps now we should challenge Brian to be the voice and face of Calgary at the 2026 World Cup announcing games and interviewing players?

2018 Recipient | **Ivor Cooke**

Ivor has been a Relic for over 30 years before retiring. Over those 30 years Ivor has been a coach, equipment manager, field coordinator, fee collector and likely a voice in the ear of the occasional official. Relics have joined under SWU a decade ago and now have a young Relics Team along with the original team in the O45 Division, all part of the legacy of Ivor. Given his length of play in CUSA we anticipated finding something interesting

in our collection of discipline – what was found was shocking – nothing – a 30 year career without a recorded red card!

2018 Recipient | **Keith Gill**

Keith has been involved in CUSA and the sport of soccer for over 18 years. Elbow Valley joined forces with Calgary Rangers, along the way the team has remained under the guidance of Keith. He has been a Team Manager, Coach and Player. In his nomination the key contributions he has brought to the sport were identified as Sportsmanship, dedication to his teammates, his club and his leadership.

The contributions to CUSA were cited as By making sure that over the last 18 years players have had a team to play for. By stepping up to manage the team. From collecting the fees, distributing the kits, dealing with league issues and babysitting us. Making sure everyone gets fair playing time, dealing with the league and players issues. Solving team disputes and making sure we all had a enjoyable soccer playing experience. After a few years we take people like Keith for granted. He's a credit to the league, and CUSA.

2018 Recipient **Les Neumann**

Les hung up his soccer boots last fall after 41 years of playing exclusively with Selects! A time period that not many other players will be able accomplish. He was pleasantly surprised to learn that his Award was the result of a nomination from another CUSA Member, not a team mate but a long time opponent who described Les as someone who was very dedicated to the sport. He has always been a very competitive player but, is a really nice guy.

Changes to Soccer Landscape in Canada

In May 2018 at the Annual General Meeting of Canada Soccer, teams in Vancouver Island, Calgary, York (Toronto) and Halifax were accepted as Professional Club Members.

The seven CPL teams were also introduced with Pacific FC, Cavalry FC, FC Edmonton, Valour FC, Forge FC, York9 FC and HFX Wanderers unveiled as the original clubs in the newly-established domestic men's soccer league. Canada's first truly coast to coast professional sport league.

The introduction of Cavalry FC has had an immediate impact within Calgary and surrounding area. Playing out of Spruce Meadows at the Meadows on the Green has the team situated on one of Canada's most iconic locations within the sporting community, albeit best known for show jumping. At the National level Canada Soccer

and the Canadian Premier League have formed a working partnership that focuses on the development of the 18 – 23 year old player. This focus is demonstrated in the CPL requirement that within the 23 player roster, a minimum of 3 must be U21 and each of those players must have at minimum 1,000 minutes played in each season.

The inaugural Cavalry FC roster has 9 southern Alberta players on it providing a new pathway to the Pros for Canadian players within Canada. It includes former players from the AMSL, University of Calgary and SAIT. The coaching staff continues to reflect the Calgary base with a pair of locals lead by Head Coach and General Manager Tommy Wheeldon Jr.

Structure of Soccer in Alberta

Calgary United Soccer Association is one of 19 members within Alberta Soccer Association, the governing body of soccer within the province. Through CUSA, teams and players have a direct link to FIFA, through the provincial governing body and Canada Soccer.

Along with CUSA, Calgary Minor Soccer Association (CMSA) and Calgary Women's Soccer Association (CWSA), these 3 organizations make up District 4 within Alberta Soccer.

Alberta Soccer helps set directions that many leagues use as guidelines, such as rules and regulations, and referee and coach development. However, each league operates separately. For example, the league structures and rules in Edmonton are similar but vastly different than what is used in Lethbridge.

Alberta Soccer hosts all provincial competitions between the minor and senior organizations. Teams that compete and earn the Provincial Championship title in the Challenge Cup and Youth Tier One Championships become the provincial representative at the various National Championships. Alberta Soccer sets out the rules for Provincial Competitions along with recommendations from the district members to set out competition guidelines that are fair for each qualified team.

Soccer remains the largest sport by participation in Alberta with over 100,000 registered players throughout the province.

Nation wide Alberta has the fourth largest soccer registration; Senior Soccer in Alberta is second in size behind Ontario.

Pathway for Calgary Players

The introduction of the Canadian Premier League has the ambitious goal to help direct Canadian's passion for the game. With that in mind ultimately it wants to help Canadian youth advance to playing the game professionally and strengthen the National Team pool in advance of co-hosting the 2026 World Cup.

Through our continued work on technical committees as well as increasing efforts to improve the transition from youth to senior soccer with CMSA, we are committed to growing the game in the City of Calgary and seeing our membership have opportunities to excel

"The CPL, our coast to coast professional soccer league will be the pathway for players to develop and showcase their skills in front of passionate supporters. The top priority being to increase the national team pool and create competition with the goal of Canada qualifying and competing for the FIFA World Cup. The development of our coaches, referees and administrators is also a top priority, with the intent of elevating the game at all levels. Together creating a solid foundation that will help grow the game and be a force on the world stage."

The Men's Programs offer competitive league play for players as young as 16 years of age. The Program also offers age restricted divisions for older players to solely play with others of their age. The minimum age in the Open Division is 16 years of age, players in the Master's Division must be at least 35, and CUSA offers divisions for Over 45 and 55 age groups as well.

CUSA offers a comprehensive range of leagues and competitions to provide a platform for players of all ages, 16 and above, and of all skill levels. On top of our existing leagues - Open-aged from AMSL through to Division 6, Masters (Over 35), Over 45, Over 55, we followed a successful return to CUSA's running of a Men's Futsal league with an increased division size, while also introducing a competitive Women's Futsal league for the first time.

The league structure is based on promotion and relegation. Teams earn their way into higher divisions through the previous season results. Top performing teams from the Premier, 1st, 2nd and 3rd divisions of the Men's Open League and of the Masters Premier division qualify to compete in the provincial championships. Provincial Champions from the AMSL and Master's Elite Divisions qualify for the Canada Soccer National Club Championships.

In total we had teams competing in 25 Outdoor Divisions, 19 Indoor Divisions and 8 different City Cup competitions throughout the year. We continue to work with our teams to be flexible and forward-thinking by providing as many opportunities as possible for them to play soccer. Non-Boarded 8v8 league was introduced in 2018, 34 teams across 5 divisions..

Newly registered teams in the Open Division are required to start in the lowest division. Those demonstrating strong performance during the season have the option to participate in the league's Promotional Challenge held at the end of each season. An undefeated team from Division 6 has the ability, through a series of challenge games, to earn a position in Division 3 for the following season. Teams from all other divisions have the ability to move up two divisions based on results from challenge games, i.e. from Division 4 to Division 2. In 2018 we also had the Foothills FC win the Premier Division and challenge the lowest placed AMSL team from the south, Lethbridge FC, for a position in the AMSL for 2019.

2018 Outdoor season ended prematurely for several divisions with the early arrival of significant snowfall. For those divisions final standings and Fair Play points were determined through the application of percentage average.

Age Demographics of the Men's Program

When making the move from youth soccer to adult programs players are also making the move from age based programs to those based upon prior performance. Within youth programs players and teams move within age groups, with the potential of under aged players playing into older age categories. Within adult programs players are not required to move playing categories as they age and often teams will be comprised of a diverse age range. Graduating U18 Tier 1 teams are predominantly comprised of 18 year olds. Within the AMSL the average player age in the men's division was 26 in 2012. Teams in adult programs will often supplement their roster with new players however; rarely will an entire team change over between seasons.

While the greatest majority of U19 players start in lower divisions in CUSA, U19 aged players did comprise 5.9% of Premier Division in 2018 with 13 registered players between 10 teams. This is in contrast to the U25 players comprising 75% of the PDL roster 52.9% of the AMSL, 48.2% of Premier and 40.4% of Division 1. This is a shift to a younger age group at this level then what was observed 3 years prior. CUSA Open Men's Division ranges between 123 to 140 teams, all of which have the opportunity to register U19 players.

Coed Program

Calgary Coed Rec Soccer Program – *Just for Kicks* About Coed

Calgary Coed Rec Soccer was first introduced by the Calgary Soccer Federation (CSF) in the summer of 2002. During this time, the break between the Indoor and Outdoor month's left unused Indoor field space throughout the city of Calgary and allowed for the Introduction of Coed soccer during the summer months. Creating the Coed program allowed for adults (18+) to learn and enjoy the game of soccer in a fun, social and recreational environment.

Calgary United Soccer Association (CUSA) had its first inaugural season in the winter 2009 season with a total of 75 teams participating. In 2012, CUSA had its full amalgamation of the Coed program and as a result has grown to 160 teams annually combined between the winter and summer indoor/outdoor programs offered.

Calgary Coed strives for adult players to have fun on and off the field and creates a social atmosphere for players to have fun and learn the game of soccer. It remains the only Alberta Soccer Association (ASA) sanctioned Coed Soccer league in Calgary and the only league with CSA certified officials.

Calgary Coed Rec Soccer Recently added the Outdoor 7v7 program in 2015, where teams compete at the Calgary Soccer Centre on smaller artificial turf fields with field dimensions/nets similar to what is offered to the youth Under-12 program offered by Calgary Minor Soccer Association. At the end of each season, the top team within the group wins the divisional finalist and the team with the best Fair Play is awarded the Fair Play winner.

Competitive

Semi-Competitive

Intermediate

Recreational

Ultra-Recreational

For the summer of 2018 the Coed program expanded divisions from a linear divisional alignment, where each division is higher than the next, to a wide alignment, where there are groups teams that create various pools within either Competitive, Intermediate, or Recreational divisions. This will allow the league to shuffle the divisions to allow for more variety in competition, and also reduces concerns teams have when their rosters change between seasons.

During the season, teams compete in a regular season format, while finishing off the season with 2 play-off games. The top 4 teams in each division compete for the divisional winner, while the bottom teams participate in 2 friendly matches based on their rankings within the season. The team in each division with the best Fair Play wins the Fair Play award.

FAIR PLAY – *My Game is Fair Play*

Fair play is a fundamental part of the game of soccer. The Calgary Coed program followed in the footsteps of FIFA to promote the famous “*My Game Is Fair Play*” slogan by creating the Fair Play Award. The Fair Play Award is awarded to the team with the highest Fair Play points in each division that represents playing by the rules, being sportsmanlike, showing respect to opponents, referees and teammates. Winner of this award are based on their total points accumulated throughout the season + half of their total Fair Play Points. Fair Play Points are earned during each game rated by the referee on a scale from zero (0) to ten (10), with zero being the lowest and ten being the highest. Factors throughout the season such as yellow or red cards received by team officials/players, forfeitures, etc. may affect overall Fair Play ratings. Teams are expected to earn at least 7 Fair Play Points per game over the course of the season.

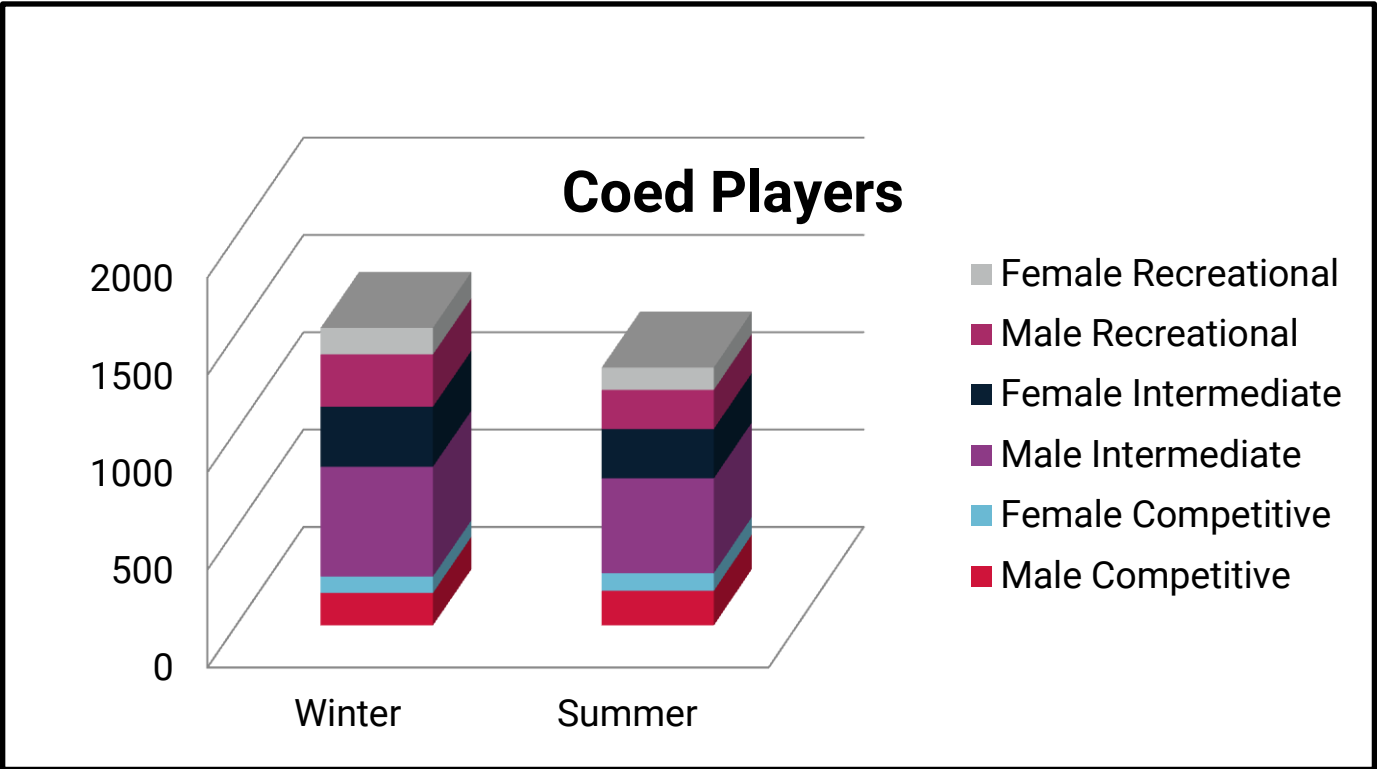

Coed Fair Play Principles

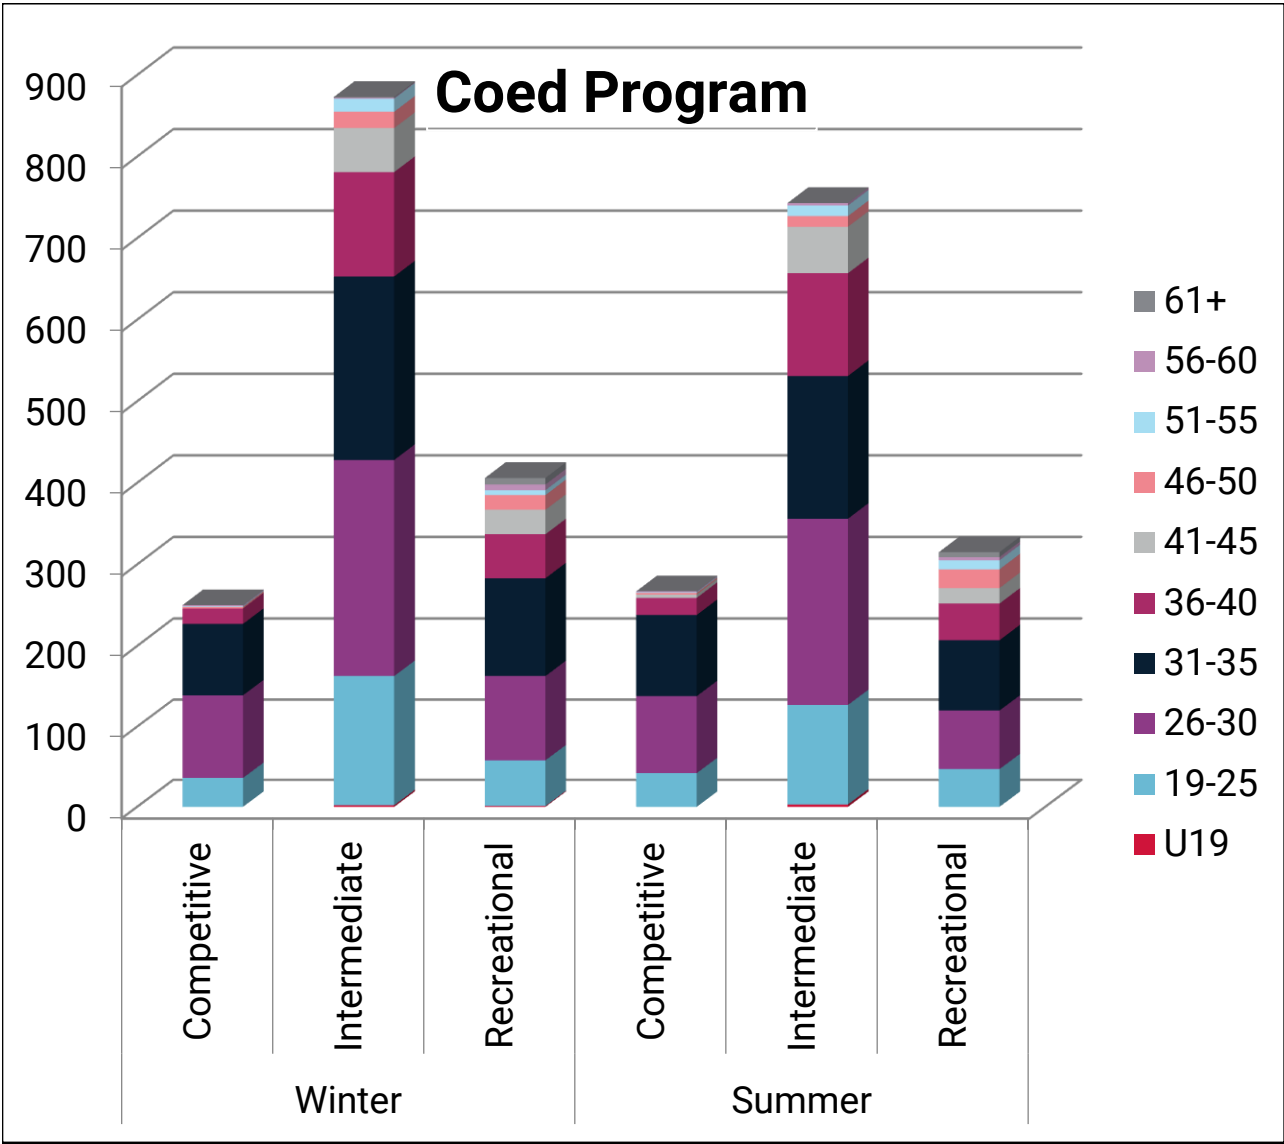

Fair play in an attitude that show itself in behavior
 Playing is a privilege not a right

Respect for others	Hold your opponents and game officials in high esteem for without them there would be no game
Sportsmanship	Show fairness, recognize and appreciate excellence in performance and attitude regardless of team affiliation, enjoy the sport for its own sake
Respect for others	Demonstrate respect of written and unwritten rules (and the spirit of those rules) by following them
Friendship	Promote fellowship within the soccer community not just for your own team
Team Spirit	Believe in each other
Fair Competition	Be part of a just competition; be as cooperative as you are competitive
Equality	Share the sport with others regardless of creed, ethnicity or ability
Integrity	Do the 'right' thing, show grace when winning, good humor when losing
Solidarity	Be allies with one another
Tolerance	Acknowledge, accept and respect differences
Care	Maintain self-control at all times, be considerate of others

Futsal Program

This was the 2nd successful season that Futsal has been incorporated into the CUSA programs. The program was previously known as the COPA Futsal league which became an Associate Member within CUSA prior to the Indoor 2016/17 season.

With the opportunity for a trip to compete for a National Title the Men's Division expanded in 2018 19 to 10 competitive teams.

What is Futsal?

Futsal is similar to soccer but vastly different. It is a unique, fast-paced indoor sport played across Canada and around the world. The ball is smaller and has less of a bounce which helps players work on their ball control skills. The game is played with 5 players, including the goalkeeper, and 23 minute halves. The last 2 minutes of the second half is stop time and teams get one-30 second time-out per half. Another major difference is that a goalkeeper may only touch the ball once per possession which creates helps create an offensive styled game. The Canadian National Futsal Club Championships are played on hard courts, typically using basketball court sizes.

Canada Soccer is committed to the growth and promotion of the game. At the elite club level, Canada Soccer supports domestic competition through the annual Futsal Canadian Championship. Canada Soccer also supports playing opportunities provided by the National Futsal Team in international competitions including the FIFA Futsal World Cup.

Men's Division

2018-19 season witnessed 10 men's teams compete throughout the season. Provincial competition saw 6 teams battle for the right to represent Calgary United and the province of Alberta at the Canadian Futsal National Championships. After capturing their second league title

Progressive FC encountered a determined Villains Elite FC team in the Provincial Championship final. Villains Elite FC captured the title and represented Alberta at the Futsal National Championships. At the Canadian Championships after a 2-1-0 record due to tie breaking rules they played to a 5th place finish, as Ontario's Toronto Idolo won its second straight Futsal Canadian Championship.

National Exposure

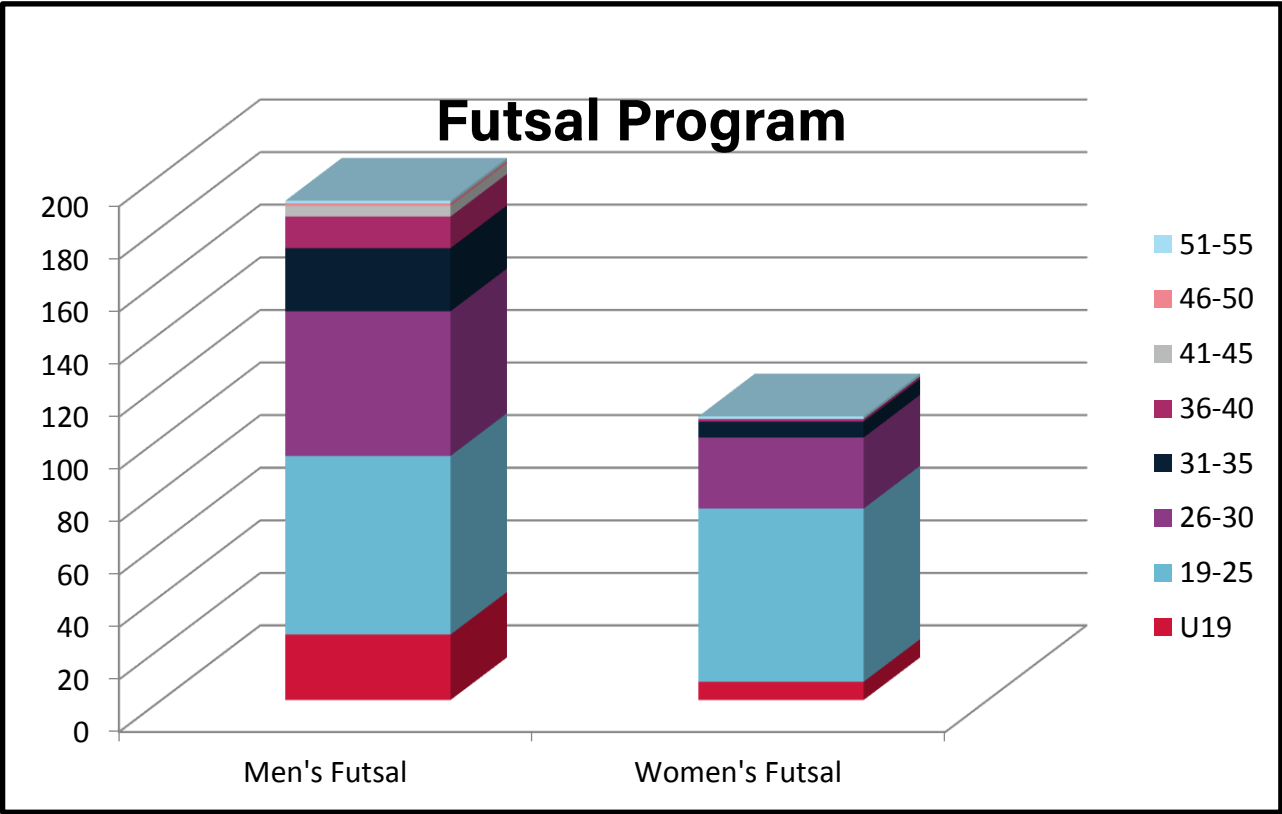

With a growing futsal player pool across Canada of more than 150 players Canada Soccer set out to host regional ID camps in each province and territory ahead of the 2020 CONCACAF Futsal Championships.

The team hosted a four-day National Camp in Gatineau, QC in September as a midway point on the path to qualify for the 2020 Futsal World Cup in Lithuania. Graham Fisher and Francisco Puerta from Calgary attended, representing Alberta at the camp.

Futsal Age Demographics

Of interest in the Futsal Program, although there are more male teams in the league the number of registered male and females in the 19-25 age category is equal. The four collegiate teams certainly contribute to this age group’s participant.

Women's Division

The 2018 19 season consisted of 6 teams, 2 of which were varsity teams from SAIT and Ambrose University, as well as the independent teams of PASS FC, Rapids Thunder, Wrangler Raiders and CFC Rangers. SAIT won the division for the second straight season.

Provincial Results

Adult teams from across Alberta participated in Indoor (74 teams) and Outdoor (66 teams) Provincial Championships in Edmonton and Calgary. Teams who demonstrated fair play and sportsmanship received the fair play award, provided by The Pint.

Alberta Major League

The Alberta Major Soccer League (AMSAL) started as an idea from Adrian Newman, Bill Malone and Mike Traficante to start a provincial-wide league to help Alberta teams prepare and compete at Provincial and National Championships. The men's program started play in 1992 and the women's program began in 1993. The top teams from Calgary, Edmonton, Red Deer and Lethbridge compete for the chance to represent Alberta at Canada Soccer Association's National Club Championships.

Alberta has captured 17 National Championships, between the men's and women's leagues, including 7 men's championships. The AMSAL league play season runs from May to September with the Provincial Championships held as the marquee event in Alberta Soccer's Senior Soccer Fest over the September Long Weekend.

Challenges: After qualifying as the 1st place finisher in CUSA Calgary Foothills FC Premier unsuccessfully challenged Lethbridge FC in the best of two game series for the 2019 league spot.

United Soccer League's Premier Development League

Calgary Foothills Football Club began in 2014 within the USL PDL. In their second full season in the PDL **Calgary Foothills FC** had a Cinderella season making it all the way to the finals. 2017 proved how difficult the feat was to repeat, as they were knocked out in the first round of the PDL Playoffs by the Portland Timbers. Redemption came in 2018 in an extra time game in Pennsylvania against Reading Foothills FC earned their first PDL title.

"It's a pivotal moment for me, this is my final PDL game with the club," said Wheeldon. "It's made a lot of special memories, but we've done it to build a pathway for up and coming Canadian players. We've shown Canadian's can play and we've shown we can do it with local players."

"The boys deserve all the credit they get because they're exceptional. This bodes very well for the future of Canadian soccer."

Black Cup

Est.1913

The Black Cup is the oldest soccer trophy in Calgary. The first competition for the Black Cup was held in 1914. The Calgary Caledonian Soccer Club has been the most successful club in the tournament, winning the trophy 25 times throughout the tournament's history.

The tournament format is a single-elimination format and is held in September following the completion of Provincials. This tournament is the only opportunity for AMSL, Premier and Division 1 teams to compete for a City Cup which makes this competition one of the toughest to win. Any registered Outdoor team in Calgary United Soccer is eligible to participate.

Tony Marques Memorial Cup

Est.1997

The Tony Marques Memorial Cup has traditionally been a one weekend single-elimination tournament held during the last weekend in May. It is open to non-provincial teams in the Open, Master's, Over 45 and Over 55 divisions, as well as the Master's Premier division. Games are shortened to two-25 minute halves which creates a fury of action throughout the weekend.

The competition is named after a past Calgary United Soccer President, the first elected following the amalgamation of Calgary Soccer and United Soccer. Tony played with Juventus in the Men's Open Premier Division and later in the Master's Division with many from the same team. Tragically Tony passed away while in Mexico in October 1996.

John Burns Memorial Cup

Est.1999

The Airdrie United John Burns. The competition is held annually for Master's teams, except Master's Elite, and Over 45 and Over 55 teams. The tournament uses a single-elimination format throughout the Outdoor season. The Chinooks Blackstars have been the most successful team in the John Burns Memorial Cup, winning the trophy 3 times from 2007 to 2012.

The original tournament was held in a *family, friendly manner*. For each foul or knockdown the player was required to stop and assist his opponent back to his feet.

Teams that participate in Masters Premier and lower are eligible to participate, including all those registered in Over 45 and Over 55 Divisions.

Centennial Cup

Est. 2005

The Centennial Cup was first offered in 2005 as a tournament for lower division Master's, Over 45 and Over 55 teams to coincide with the celebration of the 100th year of soccer in Calgary. The Villains Alumni Soccer Club donated the current trophy in 2008 to award to the tournament's champion. The Centennial Cup is a single-elimination tournament held throughout the Outdoor season. Teams are eligible for the competition if they are registered outdoor teams in Master's 2 or lower; Over 45B or lower or any Over 55 team.

Kaiser Cup

Est. 2008

The Kaiser Cup started in 2008 as an Over 55 tournament in recognition for Bernie Kaiser, who, at the time, was CUSA's oldest active player. Bernie last played in the tournament in 2012. The competition, prior to 2014, was open for Over 55 players in the Over 45 divisions to register a team to vie for the trophy. The 2012 and 2013 editions of the tournament used a round robin format and the team with the most points won the Kaiser Cup. Due to the Calgary floods, the 2013 tournament was cancelled mid-season and no champion was determined.

The Kaiser Cup was only offered to registered Over 55 league play teams after CUSA started offering a division in 2014. Once league play had finished, the top teams in the standings competed for the coveted Kaiser Cup.

CALGARY NATIONS CUP

Davinder Singh Kajla Memorial Trophy

The Calgary Nations Cup Tournament began in 2006 in memory of Davinder Singh Kajla who was a soccer player. This annual tournament is open to players who come together and form a team which identifies their roots by the country of origin or heritages that tie back to their grandparents. The tournament has grown to become a must see soccer event in the summer and about 52 nations have participated in the competition since its beginning in 2006. The purpose of the tournament is to expand the knowledge and excitement of soccer around Canada and to bring together young adults engaged in building communities that encourage diversity and unity.

This tournament has evolved to become the must see soccer tournament of the summer and highlights inclusion, diversity and sportsmanship amongst players, fans and nations. The impact of the Nations Cup has grown globally beyond Calgary and Alberta. A Fijian newspaper ran a story about the tournament after Team Fiji became champions of the tournament for the first time in the 2013 Nations Cup.

Over the years, the Nations Cup has offered four different divisions within the tournament. The Open Division allows players aged 16-34 to compete and display some of the best soccer talent in the area. The Players that are aged 35 and older can sign up for the Master's Division which shows the legacy of many nations. The Over 45 Division highlights that age is not an issue when representing your country.

Outdoor Nations Cup

The 13th Annual Outdoor Nation's Cup was held August 3rd to August 5th 2018. There were 26 teams registered in the tournament which featured tons of excitement and a high display of talented players and unified teams from across Canada.

The Ethiopian Master's team was victorious in the tournament and crowned champions for the second time in succession, in the Over 35 division, after an impressive run of games and a close match in the final. In a highly entertaining game in the Final, Namibia edged Canada to claim victory and win the Men's Open Division Championships.

2019 Goodwill Game

CUSA partnered again in 2019 with the Calgary Police Service and the Drop in Centre to host a *Goodwill Game* between the CPS and the Drop in Centre. The game took center stage on Friday April 12, between the Gold Medal matches for the Masters and Open Divisions in front of over a hundred spectators.

The Goodwill Game was a great success and we look forward to continuing the partnership into future events.

Coed Tournaments

Calgary Coed strives to provide a fun, safe and social atmosphere to the game of soccer with providing various tournaments throughout the year to its members. As well as league play, all tournaments offered throughout the year have a main focus of Fair play and Sportsmanship.

BOXERS, BRAS AND BEERFEST – COED TOURNAMENT

The 15th Annual Boxers, Bras and Beerfest (BBB) Tournament was held on the weekend of September 28-29, 2018 at the Calgary Soccer Centre.

The Boxers, Bras and Beerfest is best known for it's long tradition of players, referees and coaches wearing boxers and/or bras over their uniforms throughout the tournament. The team that dresses the best during the tournament is awarded the "Best Dressed Team" award.

Originally, when the BBB was first introduced to the Coed program in 2004, it was limited to the first 16 teams to register with Calgary Coed, due to limits on field availability. Throughout the years the 16 team maximum was eliminated and extended to unlimited registration due to field availability and the growing interest in the tournament.

During the 2018 tournament, a total of 13 teams took part in the event. Teams were divided into the following categories based on their skill level and/or registered league play team

Boxers (Competitive)

Bras (Recreational)

Beerfest (Recreational)

Each team played in a total of 4 games over the two day event with 2 games on Friday, September 28th and 2 games (including finals) Saturday the 29th. During the event we saw some unique team outfits such as Ninja Turtle themed uniforms, a team of Waldo's and Wanda's, rainbow tutu's, and a man riding a baby.

Spring Kickoff

2019 saw the kick off of the inaugural Spring Kickoff Coed Tournament. The tournament was held in late March to help bridge the gap between the Winter and Summer boarded programs, and was held on March 29-30, 2019. During the 1st annual Spring Kickoff, a total of 8 teams participated in the tournament, where teams were split into 2 competition categories:

Flowers – Recreational A

Sunshine – Recreational B

During the tournament teams competed in a total of 4 games over the two day event with 2 games on March 29th and 2 games on March 30th.

The tournament is expected to grow in 2020, with the addition of small group and individual registration options available to players.

Discipline Report

CUSA is committed to providing a competitive, fun and SAFE soccer experience for all its members. This means working with our players, coaches, officials and administration to ensure that our participants adhere to the rules and laws of the competition. Players or teams who do not stay within the rules or who display actions not befitting of the standards set are subject to disciplinary sanctions as per our Discipline Code and procedures.

Teams and players sometimes, either mandatorily or when choosing to, appear before our Discipline Committee panel at our weekly Discipline Hearings evening. This is our member's opportunity to discuss the circumstances regarding their alleged misconduct and a decision is reached based on all the evidence presented.

Our Committee consists of three volunteers who adjudicate at these evenings. Their experience and judgement allows a considered and fair decision to be made.

The 3 members are comprised of:

1. An experienced Chairperson who is often still playing within our Leagues or involved in some capacity.
2. An experienced referee who can offer insight from an official's perspective.
3. A member-at-large. This can be any responsible individual from any club within our system.

Twenty-seven of our members kindly volunteered their time to represent on the Discipline Committee. Ten had not sat on the Committee before – this is mutually-beneficial – players and coaches get the opportunity to be a positive impact as part of the decision-making process, while also being able to take what they have learned from the experiences back to their clubs to help when faced with any similar incidents out on the field in the future.

CUSA continues to encourage an open, transparent two-way relationship; working with the teams and players to not only deliver the appropriate punishments when warranted, but also to provide advice and support to help try and minimize future inappropriate conduct.

Referee Management Operations Committee

The Referee Management Operation Committee (RMOC) is an operational Committee comprised of the different Calgary soccer associations (CUSA, CMSA, and CWSA) who work in partnership with 2 nominated, respected referee representatives who meet monthly to discuss everything relating to our referees, to ensure the best communication between the leagues and officials.

RMOC Mandate is to **support the development of referees in Calgary**

During the 2018-2019 Outdoor and Indoor season

- Met with 3 leagues and scheduler on a monthly basis
- Negotiated an Education Program with the 3 leagues (now under the ASA umbrella)
- Overseen the Mentorship Program where 64 Outdoor and to date 15 Indoor were completed
- Reviewed the referee ratings once for Indoor and once for Outdoor
- Identified upgrading referees who require higher rated games for Assessments
- Recommend referees to ASA for upgrading and Provincial appointments
- Met with individual Referees where complaints had come from the leagues
- Reviewed Leagues Tournament preferred referee lists where some were removed and some were added
- Presented RMOC 7 core values and poster to ASA
- Attended 12 Refresher courses for Indoor and Outdoor

Calgary District Referee Association

The Calgary District Soccer Association (CDSRA) is an organization for the development and improvement of referees. It is currently the only organization that offers post entry level training of referees in District 4 (Calgary) and surrounding districts (Foothills, Airdrie, Big Country). The CDSRA currently has approximately 100 members.

Twice in every month the CDSRA offers integrated referee training classes (IRT) and post entry level training (RED) in Calgary. These classes are taught by ASA instructors and we are lucky enough to have 2 CSA National Instructors within our association who have access to the latest FIFA and CSA training modules. The access to the best material, gives all participants the best possible training available to any referees worldwide and the better the referees we have in the soccer community, of course means the betterment of soccer in general for CUSA and its member teams. Referee training is not just limited to CDSRA members, any referee who is registered to referee CUSA games can attend up to 2 sessions for free to see what it is all about before deciding to join. In 2018 the CDSRA in collaboration with RMOC embarked upon a program targeted at new post entry level referees – the RED program. RED is open to all referees and is designed to be the “next 16 hours of instruction”. RED has also been adopted by ASA in their Provincial training model.

CDSRRA is a non-profit organization and the biggest percentage of our modest membership fee goes into the cost of referee training. Our biggest challenge is arranging field time for the RED and IRT classes due to cost and time slots available. CUSA has been very supportive of the CDSRA by kindly providing this field time free of charge from their own fields like Broadview or at the Calgary Soccer Centre – without this kind of support from CUSA, the referee training sessions would not be able to be the success that they have been and for this, the CDSRA and all referees in Calgary that attend these sessions are truly grateful!!

The CDSRA would like to take this opportunity to thank CUSA for their support and look forward to working together for many future years for the development of Soccer in Calgary.

President

Communications

We intend to leverage the effort put into rebranding and the website to begin to market CUSA more effectively and communicate to stakeholders the value that CUSA, our teams and our players bring to the City of Calgary. Data analytics are an important tool in being able to communicate that message, something that the new website affords us the opportunity to generate. For example, 4,679 unique users visited the new website in its first month, generating 30,558 unique page views. We need to build on the above to grow non-fee-based revenue through establishing a structured grant application process and evaluate opportunities for sponsorship of certain CUSA property such as cup competitions and division play.

CUSA 2018 Contribution: \$4,922

Soccer Without Boundaries is a grassroots volunteer group that has grown into an innovative multicultural outreach program aimed at integrating new Canadians into their community. Soccer is something they all share, regardless of their culture, creed or nationality, and Soccer Without Boundaries is designed to bring them together. It breaks down barriers and lets children feel that they belong. It allows them to build self-esteem, develop leadership skills and strengthen social relationships through team work, fair play, and conflict resolution. It also provides their parents and families with a means to volunteer and get involved.

The program runs all year, in-door and outdoor, on the strength of its wonderful volunteers: coaches, assistant coaches, helpers and donated soccer gear (shin guards, shoes, balls). To help engage the program with CUSA Members the kids escorted the two finalists onto the pitch for the Championship Match for Nations Cup.

In the past year the program has expanded to include Saturday morning meetings called *The Kickon* Life Skills Program. This program focuses the youth developing essential life skills. The youths learn about the power of relationships, routine, resourcefulness, awareness and focus. In December 11 youth completed the 20 training sessions. As part of the program they were able to obtain \$950 in donations for the SWB Summer Camp in just 5 hours!

CUSA 2018 Contribution: \$10,020

KidSport Calgary is the largest of the 178 KidSport chapters working across Canada. Its mission is to make sure no child is on the sidelines because they cannot afford sport registration fees. According to a 2014 CIBC national survey, a third of Canadian children cannot afford to participate in organized sports due to high registration fees. Alberta has the highest costs of children's sport in Canada; on average, Alberta parents spend \$1,428 per child each year to participate in sports.

Registration fees by sport	2018	2019
Soccer	\$420,132	\$372,659
Hockey	\$342,459	\$452,023
Gymnastics	\$138,006	\$134,108
Dance	\$123,081	\$74,358
Martial Arts	\$118,117	\$81,568

In 2018 KidSport Calgary helped 5,647 kids, helping pay over 1.62 million dollars in sports fees over the course of the year. Of this number 1,672 kids in soccer were assisted, 30% of all kids in the year with over \$433,000 distributed back to local soccer clubs, high schools and soccer camps so all kids can play! In the past 5 years this has equated to 7,636 + kids supported and more than \$1.84 million distributed to the sport..

The Calgary chapter of KidSport was founded in 1995 and is an amateur athletic association rather than a registered charity. It is eligible to issue donation receipts.

"I just wanted to let you know how grateful I am for this program. As a single mother, it is important that my boys are involved in sports to keep them busy. As a low-income citizen, I have been using the KidSport program for my children who have found a passion and love for soccer. The skills and experience they will have for life is made possible because of you, so on behalf of my kids and I, BIG, HUGE, GIANT THANK YOU.

Sincerely,

A proud soccer mom of 3 amazing athletes J. T."

Financial Review

On June 5, 2019 the independent external auditors of Lockhart LLP carried out the audit on Calgary United Soccer Association for the year ended March 31, 2019 in accordance with Canadian accounting standards for not-for-profit organizations.

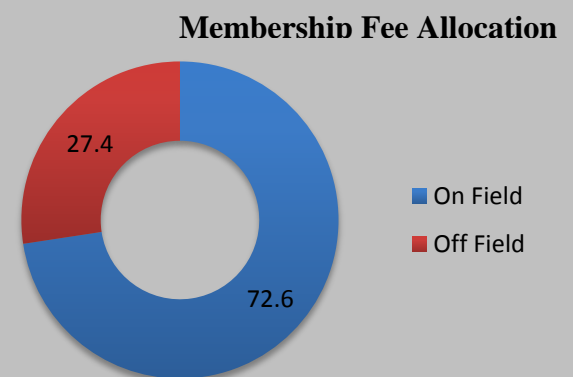

Although the current economic climate in Calgary and Alberta is challenging, CUSA has maintained a strong financial position and is focusing its efforts on continued financial stability in these trying times. As diligent stewards of the funds and resources our members provided us, CUSA will continue to deliver exceptional programs to Calgarians.

Financial Highlights

Total Revenue – 2.4M

There is a strong focus on meeting the operational needs of the Association while continuing to provide resources for the growth of the sport by reinvesting future surpluses in the development of infrastructure, officials and coaches to deliver a diverse array of affordable programs to its members.

- The main source of revenue is from team registration fees. Attracting third party partnership revenues remain a goal of the association. CUSA has established corporate partnerships with a growing number of companies that provide products and services to our members. Fishers Soccer Shack, ProActive Health Group and Chartwell Retirement Residences provide value added benefits for our membership.
- CUSA continues to invest in growth by providing jobs, sourcing grants to employ post secondary summer students to assist with the coordination of a busy slate of tournaments and cups.
- Ability to use the growing principal on investment certificates for better rates of return.

- CUSA gives back to its members up to 10% of its casino revenues to in the form of team credits. Remaining funds are allocated to on-field expenses. CUSA members volunteered over 300 hours during the two day event held the first weekend in March, 2018.

Total Expenses – 2.3M

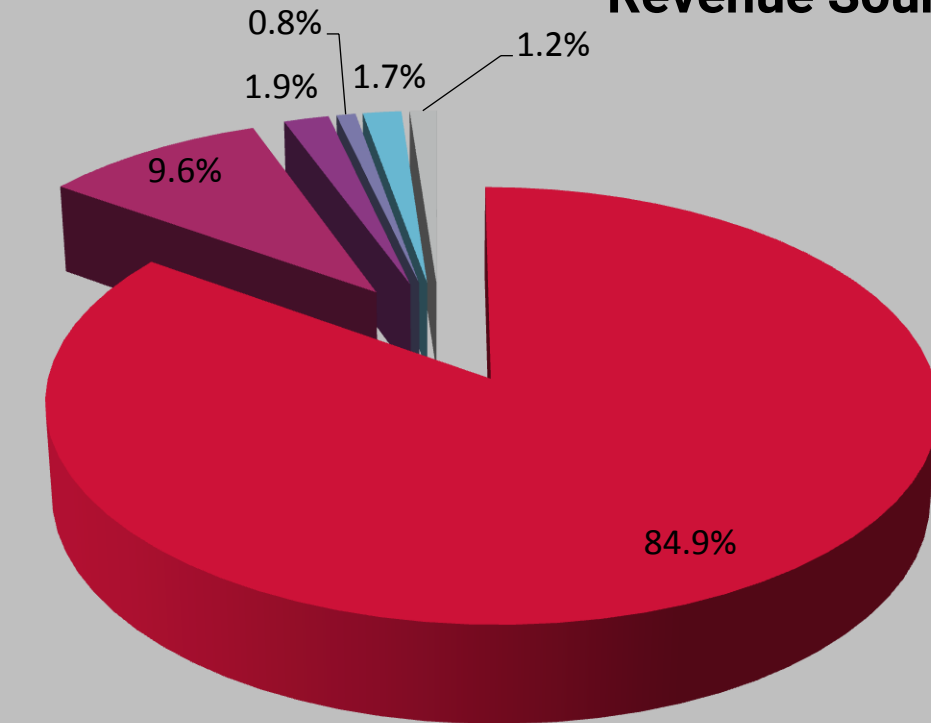

The major expenditure categories for CUSA are field rentals and officials. CUSA continues to devote its use of funds to on-field activities, with nearly 73% of all expenditures disbursed directly to on-field expenses excluding administrative items.

- In 2019 CUSA reduced administrative office expenses by 1.0% by re-aligning staff levels with team registrations, negotiating lower rates with third party payment processors, replacing software providers and eliminating redundancies on its IT contracts.
- Negotiated the office lease saving CUSA an average of 38.5% per year over the 6 year term.
- Took over coordination of the District's officials certification courses increasing access, cost control and service delivery to our members.

Sport plays a significant role in the economic, as well as the social life of communities, by providing jobs, boosting tourism in large and small communities alike, contributing to neighbourhood economic renewal and enhancing skills and productivity in the workplace. The Conference Board of Canada reports that Canadian households spent \$15.8 billion on sport in 2004, or 2.18 percent of total household spending which translates into \$1,963 in sport spending per Canadian household. Canada's sport sector employs 2% of all jobs in Canada,
