

# **About Calgary United Soccer Association (CUSA):**

Organized soccer in Calgary dates back to 1898 when the Calgary Association Football League held its inaugural season with 6 teams and 140 players. Many iterations and 82 years later, CUSA was founded as an amalgamation of Calgary Men's Soccer League and Calgary United Soccer. In its inaugural season, CUSA operated leagues for approximately 30 teams and 600 players. Over the past 35 years the association has grown dramatically today consisting of over 310 teams and 9,000+ registered players and coaches. CUSA offers its members two seasons of play annually (indoor and outdoor) in both men's and co-ed programs.

## **Our Vision:**

Calgary players experience the best organization, development, support and accessibility in the sport of soccer.

## **Our Mission:**

# **Letter from the President**

Dear members, stakeholders and fans of the beautiful game in Calgary, It is my pleasure to present the 2015 Annual Report for Calgary United Soccer Association. There have been significant achievements across the association in the year. As reflected through this report, the association operates from a sound financial and strategic platform enabling it to provide leadership for the sport now and into the future.

As I reflect back on the past year I am not only proud of what has been accomplished, but also of the direction of CUSA. We have become a more efficient organization by becoming a governance board and letting administration lead CUSA's day-to-day business.

Our focus has been clearly on developing an organization in which the sport at a local level can flourish. Our participation numbers continue to grow in an extremely competitive environment for leisure time activities. The 2015 outdoor season saw 234 men's teams register between the AMSL to the Over 55 divisions. The summer Coed program saw 73 teams register for indoor and another six for the new outdoor Coed league. The combined total of 313 teams is the largest number of teams yet for CUSA in a single season. This is a testament to the fun, inclusive and social environment that the game of soccer offers, as well as the quality programs that CUSA continues to offer its members.

Building on the successful hosting of the 2014 Western Masters and Classics Nationals, the cohosting of the 2015 Canadian Soccer Association Sport Chek National Club Championships Challenge and Jubilee Trophies from October 6 to 12 is anticipated to exceed the expectations of Canadian Soccer and the teams participating. This week long event will showcase the best adult provincial club champions from across Canada.

Thank you to my fellow Board Members for their support and service to the sport during the year. Two long serving Board Members, each having served your association for 10 years, are stepping down. David Inhaber has served as Treasurer for his entire tenure, leading the Board and Administration through the budget and audit processes and establishing financial policies and procedures to ensure that the association has a strong financial foundation and is well positioned for the future. Michael Oliver has held various roles on the Board throughout his tenure, serving as Vice President and Facility Committee Representative, as well as serving on the Referee Affairs Committee and Discipline Committee. He has routinely been a familiar face representing CUSA at games and provincials. On behalf of the Board, Administration and the entire membership I want to thank these two gentlemen for their years of service to the Association and wish them well as they move onto future endeavours.

All the best in soccer and otherwise to our members during the upcoming year,

Sincerely,

Jasprit Lail

# **Noteworthy Achievements**

Congratulations to Drew Fischer! In 2015, Drew was awarded the FIFA international badge, making him a member of the world's most elite pool of soccer referees. It is an honour currently held by only two other Canadian men.

His most memorable moment has been refereeing an exhibition game in Dallas between A.S. Roma and Real Madrid C.F., two of the largest clubs in the world. "It doesn't get much better than that when you get to watch some of the world's best soccer players from the best seat in the house," Drew said.

# **Succeeding in Our Mission**

The Board and Administration of CUSA are dedicated to fulfilling the association's mission through the establishment and achievement of the following goals and objectives:

1. **Uphold the Foundation** Act as diligent stewards of the association by

regularly assessing and refining policies and procedures related to governance, leadership and

financial stability.

2. **Grow the Game** Contribute positively to growth in soccer by

delivering superior programs and services while embracing growth and diversity through

organizational development and partnerships.

3. **Enrich the Experience** Endeavour to continually improve the experience of

members through effective program administration

and ensuring access to quality facilities.

During the year ended March 31, 2015 and the subsequent period up to September 15, 2015, the Board and Administration successfully completed the following initiatives in support of its objectives:

- Associate Membership categories were inserted into the Association's bylaws. Associate
  membership information packages were developed and discussed with organizations of
  interest. In 2015 Copa Futsal became an Associate Member of CUSA.
- CUSA continues to provide support to emerging programs and special events. Since the opening of the Genesis Centre for Wellness CUSA has worked with the Aga Khan Men's soccer program with the provision of officials.
- As a continuation of the support provided in the 2014 exhibition season, the 2015 USL PDL Foothills FC were registered members of CUSA. In their first full season within the USL the team was comprised of several home town players and narrowly missed a playoff berth, establishing a strong foundation for the 2016 campaign.
- The inaugural Indoor Nations Cup saw 26 teams, representing 17 nations in 3 different divisions, compete over nine days at the end of the indoor season. Standing room only crowds were common most evenings of the competition.
- Seven teams formed the Over 55 Division that competed in the 2015 outdoor season, representing the first division for this age group of its kind in Alberta!
- In 2015, a pilot season for outdoor Coed league was launched with six teams participating.
- CUSA co-hosted the 2014 Western Championships / Classics Nationals with CWSA for 10 of the top Masters and Classics teams from across Canada.

#### Alberta Soccer Association

The Alberta Soccer Association (ASA) is the official governing body for soccer in Alberta. The Association has 19 District Members, governing bodies and partners. CUSA is one of the three District 4 members, along with Calgary Minor Soccer Association (CMSA) and Calgary Women's Soccer Association (CWSA). Soccer remains the largest sport by participation in Alberta with over 82,000 registered players.

The Alberta Major Soccer League (AMSL) is the highest level of amateur soccer in the province of Alberta. The league is operated by ASA and consists of teams from Calgary, Edmonton, Red Deer and Lethbridge. CUSA has three teams that compete in the AMSL.

Since the league's inauguration in 1992, the Alberta provincial champions have had great success at CSA Nationals. In the men's competition, teams from Alberta have won six (6) National championships in the past 23 years. Winners on the men's side include Edmonton Ital-Canadians, and Calgary Caledonian (Callies).

# Men's Program

The Men's Program offers competitive league play for players from 16 years of age and older. Teams move within the league through a promotion and relegation structure based upon final divisional standings. While the league has divisions with age restrictions, players are able to register to a division of choice providing they meet the minimum age restriction.

The league qualifies teams in the AMSL/Major, Premier to Division 3, Masters Elite and Masters Premier divisions for post-season play in the ASA Provincial Championships. In the outdoor season the provincial champions from the AMSL and Masters Elite competitions earn the opportunity to participate in Canadian Soccer Championships.

# **Promotion & Relegation**

Many teams participate in both the indoor and outdoor seasons although their placement within the league can vary between the two. Newly registered teams in the Open Division are required to start in the lowest division. Those demonstrating strong performance during the season have the option to participate in the league's Promotional Challenge held at the end of each season. An undefeated team from Division 6 has the ability, through a series of challenge games, to earn a position in Division 3 for the following season. Teams from all other divisions have the ability to move up two divisions based on results from challenge games, i.e. from Division 4 to Division 2.

# **Program Overview**

The Calgary Indoor Co-Ed Rec Soccer (CO-ED) program was started in 2002 out of the Calgary Soccer Centre as a way for adults to learn and enjoy the game of soccer in a social and recreational environment.

The program is guided through the members of the Coed Advisory Committee. This committee is comprised of members of the league and supported by the CUSA's Administration. They meet at least twice annually and review league alignment and rules. In addition they discuss options for the development of the program and value added options for the members. Their contribution over the years has played a significant contribution to the ongoing growth and development of the Indoor Coed Rec Soccer Program.

CO-ED originally started with 21 teams over 10 years ago, and has since grown to a peak of 109 teams during the Winter 2010/2011 season. The league has subsequently sustained over 90 teams during the following winter seasons and over 70 teams during the summer seasons. It remains the only Alberta Soccer Association sanctioned Coed Soccer league in Calgary and the only league with CSA certified officials.

Growth can also be measured with the number of player registrations during a season:

Winter	# of Players	Male	%	Female	%
2013/2014	2339	1519	64.9	820	35.1
2014/2015	2198	1421	64.6	777	35.4
+/-	-141	-98	-0.3	-43	+0.3
2014	1570	1015	64.6	555	35.4
2015	1673	1076	64.3	597	35.7
Increase	+103	+61	-0.3	+42	+0.3

The most unique feature of the league is that Fair Play is valued higher than a win. Teams are awarded a maximum of 10 Fair Play Points (FPP) by the referee after every game; a maximum of 5 FPP are counted towards the standings. A win in CO-ED could be worth up to 8 points, 3 points for the win and 5 points for the Fair Play.

Teams are expected to earn at least 7 Fair Play Points per game over the course of the season. Teams have averaged over 9 FPP per game over the course of the last five seasons:

	Number of Teams	Average FPP
Summer 2013	72	164.2
Winter 2013/14	107	163.1
Summer 2014	72	165.3
Winter 2014/15	99	163.5
Summer 2015	79	168.4

Playoffs were introduced to wrap up the summer 2014 season. Each team is scheduled to play two playoff games, but only the top 4 teams after the regular season will compete for the division championship.

Many teams and players were in agreement that the introduction of playoffs would be a positive ending to the season as it would be something for the teams to work towards. In the playoffs, FPP may affect a team's standing to play. Teams with Fair Play issues may be held back from advancing in the playoffs. Since the introduction of playoffs, half of the Division Champions also finished either first or second in their division's FPP standings:

Division Champions and Fair Play Winners Since the Introduction of Playoffs				
Season	Team Name			
Summer 2014	Danny Dichio & the Slippery Pigeons, Ligers, Octosharks, Onion Baggers, Team Tuna, Turbo Turtles			
Winter 2014/15	Goalschlager, Fresh As Lettuce, Ligers, Rompe Palle, Skirts and Kilts, Tiger Blood			
Summer 2015	Rompe Palle, Turbo Turtles, Young and the Rested, Goalschlager			

CO-ED was proud to offer an 18 game 11 v 11 Outdoor league for the first time during the Summer 2015 season. Six teams were part of this inaugural season with growth expected in future seasons. The Outdoor Coed Season will draw to a close with a 7 v 7 Tournament September 25-26.

# **CUPS, TOURNAMENTS AND SPECIAL EVENTS**

CUSA continues to expand the number of playing opportunities and competitions offered to members in addition to league play.

# **League Cups**

During the course of the outdoor season, CUSA offers six City Cup competitions that are open to CUSA teams only.

The Black Cup is the oldest City Cup that CUSA offers. It was first awarded to Callies in 1914 and again 100 years later in 2014. Callies have captured the Black Cup 24 times, more than any other club.

# **Pre-Season Cups**

To assist teams with player tryouts prior to the commencement of each season, CUSA hosts a pre-season tournament that enables teams to combine team rosters and use new players in game situations. The competition also provides an opportunity for officials to be evaluated for divisional assignments during the upcoming season.

The popularity of this tournament has grown with each season, with more than 60 teams participating in both indoor and outdoor competitions during the last year. Increased interest by teams, the addition of new Indoor fields and the ability to utilize artificial turf fields at the end of April has enabled this competition to grow.

# **Calgary Nations Cup** (Davinder Singh Kajla Memorial Trophy)

2015 represented the 10<sup>th</sup> annual Calgary Nations Cup tournament, held July 24 – 26 at Foothills Athletic Park. Eighteen Open Men's division teams and six Master's

(O35) division teams participated in this very competitive tournament. The tournament provides a unique concept of grouping players based on their ethnic backgrounds and/or countries of origin, creating an exciting atmosphere that provides a platform for people throughout the community to express their ethnic pride. Teams are comprised of quality players from Calgary to compete for the coveted *Davinder Singh Kajla Memorial Cup*.

# **Discipline Report**

CUSA is committed to delivering a competitive, fun and <u>SAFE</u> soccer experience for its members. This means striking a balance between ensuring that players are able to compete in the programs within the laws of the game and application of sanctions that are sufficient to deter undesirable actions on or around the pitch.

## **Statistics**

2015 Outdoor - 2129 games to 443 bookable offences\*

2014 Outdoor – 2126 games to 700 bookable offences

2013 Outdoor – 2034 games to 648 bookable offences

2012 Outdoor - 1855 games to 602 bookable offences

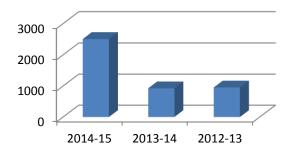

\*2015 stats are current with 2 weeks of game play remaining

Though it appears that there is a trend evolving with ratio of dismissals in games compared to total games played, the contributing factor or factors are not as quantifiable. Continued monitoring of the apparent trend and contributing factors is planned.

# **Changes in Discipline**

Starting in the winter 2014/15 season, ASA implemented a significant change in the indoor laws whereby blue cards would only be issued for "Delaying the Restart of Play" or "Failure to Respect the Required Distance when Play is Re-started with any Kick" calls.

Time penalties were also amended to align with the removal of the blue card and to ensure that application of the time to be served was consistent across the sanctions.

Statistics from the past three indoor seasons demonstrate the rise in yellow cards issued after the elimination of the blue card.

# **Referee Management Operations Committee**

During the past 12 months the administration and management of local officials has moved from being under the guidance of the Calgary Soccer Federation's Referee Affairs Committee to the newly formed Referee Management Operation Committee (RMOC), an operational, joint committee of the Calgary soccer associations (CMSA, CWSA, and CUSA).

The mandate of RMOC is:

- To support the development of referees in Calgary
- To set game ratings and referee ratings for all referees assigned by the Calgary Referee Scheduler
- To set referee payment rates, subject to the approval of the Leagues, and facilitate remuneration of referees.
- To schedule referees
- To establish, manage, and monitor the contracts of the Referee Scheduler and Referee Payments Co-ordinator.
- To recommend to ASA appointments for the Referee Development Committee
- To recommend to ASA appointments for regional or national training

CUSA members will see an increase in the number of games where officials and their mentors will be present. It is the anticipation of the RMOC that with additional on-field support and mentorship, new and young officials will be provided the information and tools required to develop into a stronger, more skillful official. Man management and consistent application of the laws of the game are key focuses of this project. These are two of the most common areas of concern cited in the referee evaluations submitted by teams year to year. To kick start this initiative, the 2015/16 indoor Preseason Cup will be utilized to evaluate the performance of the officials to determine their game rating levels for the 2015/16 season. As teams evaluate the division of play they will assign their players, the leagues will evaluate the division of play that the officials will be assigned for the season.

Canadian Referees In April 2015, Drew Fischer became only the third Canadian referee to earn the FIFA refereeing badge. Drew is now able to referee international club and country games, including the World Cup and Olympics. This Calgarian refereed the Amway Canadian Championship two years in a row, in 2012 and 2013, after making his professional debut as a referee only five years earlier. Thirteen other Canadian officials were also listed on FIFA's 2015 List of Referees which would allow for them to be appointed for international tournaments.

Want to follow in Drew's footsteps? Go to <u>www.albertasoccer.com</u> for more information on how to become a referee and to register for courses.

# **2015 LICENSING PROGRAM**

"EVERY PLAYER DESERVES A QUALIFIED COACH"

# **Giving Back**

Calgary Street Soccer is a registered non-profit organization formed to help homeless men and women get their lives back on track through the power of sport, specifically soccer. The benefits of playing a team sport are physical, emotional and psychological.

By providing the facilities, equipment, and structure for a relatively inexpensive team sport like soccer, the Calgary Street Soccer offers a positive, character building experience that players can carry into the rest of their lives.

2015 was another great year for Calgary Street Soccer. Some of our highlights include:

- Hosted our 3<sup>rd</sup> Annual Corporate Soccer Tournament
- Created a new partnership with the Boys and Girls Club
- Participated in the National Homeless Championships in Hamilton, ON

CUSA members contribute \$10 from each team registration to this program.

**KidSport Calgary** is the largest of the 178 KidSport chapters working across Canada. Its mission is to make sure no child is on the sidelines because they cannot afford sport registration fees. According to a 2014 CIBC national survey, a third of Canadian children cannot afford to participate in organized sports due to high registration fees. Alberta has the highest costs of children's sport in Canada; on average, Alberta parents spend \$1,428 per child each year to participate in sports.

KidSport Calgary is immensely proud that, with strong community support, it has always been able to fund every eligible application received. In 2014, KidSport Calgary provided \$900,000 to pay for sports registration fees for 3,412 kids, a 26% year-over-year increase. KidSport expects demand will grow in 2015. Its goal is to help 3,675 kids play organized sports at a cost of \$1.1m. The all-in cost per child at KidSport Calgary for 2014, including management and administrative overhead and fundraising costs, is \$420.

Founded in 1995, KidSport Calgary is an amateur athletic association rather than a registered charity. It is eligible to issue donation receipts.

CUSA Members contribute \$20 from each team registration to this program.

# StopBully.com

In 2015 CUSA provided the local StopBully.com chapter the opportunity to attend tournaments and promote its programs and services in addition to sell memberships. In return CUSA received a portion of each membership sold for use within the leagues' general programs.

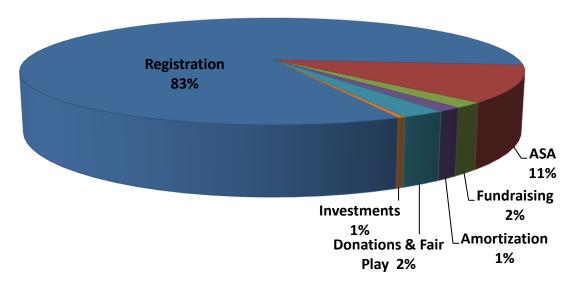

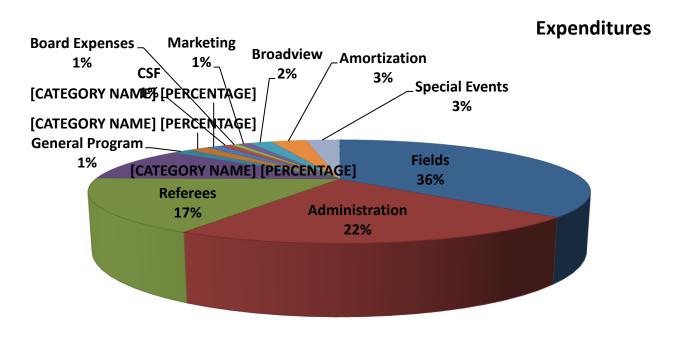

# **Financial Review**

On July 17, 2015, the chartered accounting firm of Lockhart LLP issued an unqualified audit report on the financial statements of Calgary United Soccer Association for the year ended March 31, 2015.

CUSA's financial decisions are based on building a strong foundation from which the league can invest into the development of infrastructure, officials, and coaches and deliver a diverse array of affordable programs to its members. CUSA continues to devote its resources to on-field activities, with over 70% of all expenditures disbursed on direct on field expenses excluding related administrative items.
