### Fall Cup

While the late summer / fall weather in Calgary is often some of the best for playing outdoor sports we are pleased to announce the hosting of a Fall Cup. This will be offered in a very similar style as our traditional Pre-Season Tournaments where by you will have the opportunity to enter a team, will be places in a group of 4 teams and have four games. Each team can have a maximum of 11 registered players and coaches and the total group will form a cohort for the duration of the competition. All games will be 7v7 at the Calgary Soccer Centre utilizing the cross field pitches. For more detailed information or to register follow the [Fall Cup](#) link. Below are the currently registered teams. Space remains for additional teams in a variety of levels.

### Indoor Season

We are working with our various facility partners as we start to organize for the Indoor Season. To aid both our members and our selves we have developed a short survey to help focus discussions on what teams and players are considering for the upcoming season. You can find the [link here](#) as well as on our website and on our various social media platforms.

We continue forward under the current AHS Guidelines and Phase 2 of Alberta Soccer's Return to Play Plan. Should either of these change prior to the start of the Indoor program we will amend our planning accordingly. Each facility is also finalizing their Indoor operational plans that may require adjustments to how we traditionally offer programs. All these steps are combined to ensure that the game can return as safe as possible for all those involved: players, coaches, officials and spectators.

We hope everyone is staying safe and getting outside to soak up the sunshine. Any questions can be directed to [info@cusa.ab.ca](mailto:info@cusa.ab.ca).
