

Comments about 2025-2026 Boardless Alignment

- 171 Teams Registered. 40 Team did not return from last season, however 37 new teams registered. This creates vacancies in the alignment, especially in men's open where new teams start in the lower divisions.
 - Please note the teams in your division as well as the division name. There are unearned promotions applied and teams who finished outside of the typical promotion position have advanced up a division to fill vacancies.
- Teams who wish to deny an unearned promotion must do so in writing, no later than **5pm Monday October 6**. Following October 6, no requests for division changes because of unearned promotion can be considered. Teams who earned promotion are not eligible to deny their promotion to the next higher division.
