## COED Program – Fairness Model

New this season, CUSA will be introducing a “Fairness Model” in the COED Intermediate Boarded Division. This rule may be expanded into all divisions of COED following this trial season.

### **How it Works**

The Fairness Model is enacted when a score differential reaches 7 goals in a game. The winning team must play one player short, while maintaining the 2 males and 2 females ratio on the field.

When/If the score differential is reduced to 5 goals, the team will return to even strength.

Should the differential reach 7 goals again, the winning team will go back to playing one player down.
