

JANUARY 28, 2021 LEAGUE UPDATE

We are disappointed to have to announce that the remainder of the CUSA Indoor 2020/2021 season is cancelled. Should we get the green light from AHS/ASA that we can play games again between now and the middle of April, we will quickly be able to announce a game structure to suit the parameters and time window we would have available.

We will be communicating directly with all players and coaches who registered for the Indoor Season next week and explain to them the options we are outlining for their \$8 affiliation fee that they paid directly upon registering online.

We appreciate your patience as we have waited to determine if we were able to provide you with a credible Indoor Season. We will be reaching out to you in the near future with information regarding the Outdoor Season. Deposits will be collected later than normal this year as we continue to await news from AHS on what restrictions will be applied for team sports. At minimum we anticipate commencing the season within similar restrictions that the Indoor season faced; cohorts of 50, no out of district travel, no tournament play etc.

Thank you for your continued support.

The CUSA team
