- 5.4 During the regular season a player must play at least 62% of his/her available time. Documents must be kept confirming playing time. An easy rule of thumb is that no player should sit anymore than 2 innings per game on a 12-team roster unless discipline is required. Discipline does not factor into the playing time requirements of the Arrows. For Provincials, Atlantic's, Eastern Canadians, and Nationals the head coach will follow the playing time rules listed by the governing organization (BNS, Baseball Atlantic and Baseball Canada) There is no fair play rule in Midget AAA. If there is a question from parents about playing time for their child, they must submit a written request (e-mail) to the team manager copying the Competitive coordinator (briansecord61@gmail.com). The Competitive coordinator will pursue conversation with the head coach and respond back to the parent within 48 hours. If the uniform (jersey) is not returned or has been abused the cheque will be cashed to replace the uniform as of Sept. 30.

Each player is now responsible to provide the team with the said cost per player amount, whether it is fundraised, sponsored or cash monies. This amount is to be paid in full by July 15th. If a family has overpaid their cost per player amount, the said overpayment will be held "In Trust" to under the player's name for the following year. If the player does not make/play for a "Dartmouth Arrows" team, the said monies will be donated to the DDMBA.
