

To start with you can either use the link to your team’s micro-site that is provided in the email or you can go to <https://ddmba.net/> and select the ‘Admin Login’ in the top left of the homepage

From there you will be taken to a website called ‘RAMP Interactive Website Manager’

Once you login you will be shown the following screen

On a mobile site the screen will look like this

It is a good idea to watch the video 'Team Login Tutorial' to see what can be done within the Team micro-site.

To Enter scores into the system the home team will select the 'League Games' option on the left hand of the page

Do not select the  icon as it is used for a different setup than we have at DDMBA.

On the mobile site you will need to select the  icon which will open up options for League Games

You will be presented with the following screen – first one is from a computer, second one from a mobile device
