Registration for the 2023-20234 season will open on June 15, 2023. This season DCMHA is using the Hockey Canada Registry (HCR) for registration, this will help streamline the registration and rostering of players and bench staff. As DCMHA is new to this registration system there may be a few glitches to work through so please be patient if you run into issues and call Debbie at the DCMHA office for issues encountered. You will need to create an account on the HCR unless you already have one.

DCMHA will offer the Early Bird rates, as in the past and the fees will go up after July 31, 2023. Above is the rate chart. Early registration will run until July 31, 2023, after that time all players will be waitlisted, and all fees will increase by \$100.00. There will be no exceptions to this, if you live out of town and want your player to tryout for a rep team you will need to register early and request a refund of fees should your layer not make the rep team. **Late registrations will not be able to register for rep tryouts on the HCR. You will need to request permission from DCMHA for any later registration requests for Rep tryouts.** When you register there will be a requirement to pay a 25% of the registration fees upfront and you will be able to split the remaining amount into monthly payments until February 2024 For example: Early U13 Registration fees = \$560.00, you will pay a deposit of approx. \$140.00 and the remaining \$420.00 can be spread out from July 15, 2021 until Feb 15, 2022 for 8 payments of \$52.50 (payments will go onto credit cards on the 15th of each month). If you register after July 31, 2023, registration fees will go up to \$660.00 and you will need to pay a 25% deposit of \$165.00 along with the monthly payments of \$61.88 up to the date you register. IE: if you register August 28, 2023, you will pay \$165.00 + \$61.88 for July and \$61.88 for August = \$288.76. It is felt allowing people to pay over a longer period will help make hockey more affordable and easier to manage for parents. The bottom line is DCMHA wants kids to be able to play hockey!! Please make note of when your payments are to come out and if there are changes in your credit card information, please contact Debbie at the DCMHA office to advise of these changes, payments will default automatically if your credit card number changes, DCMHA is not responsible for keeping your payment information current.

DCMHA encourages parents who may be encountering financial difficulty, to apply for funding from Jump Start with Canadian Tire <https://jumpstart.canadiantire.ca> and KidSport at <https://www.kidsportcanada.ca/british-columbia/dawson-creek/apply-for-assistance/> Apply early as it is expected that funds may be limited this season. DCMHA also has the Ryan Rowe fund for people experiencing difficulty affording registration fees. Applications are on the website at www.dcmha.ca once applications are filled out they need to be sent through the office email dcmha@pris.ca all applications are kept confidential.

On-line registration will be available at www.dcmha.ca starting June 15, 2023. Please note when registering your players there are separate packages for female players, please make sure you register your female player(s) under the female players' package! Payments on-line will be taken by credit card only and you will be given the option to pay in full or set up payments. E-transfers can be used but must be paid in full prior to on-line

registration being completed, no payment plan can be set up for e-transfers, cheques or cash. If you need to make alternate arrangements for payments, please contact the office at 250-782-7233 or dcmha@pris.ca

Registrations received after July 31, 2023, are contingent on available space. Players registered after December 01, 2023, may be ineligible to play League games, this is a League decision and is not determined by DCMHA.

Rep Try Out fee of \$150.00 must be received on or before July 31, 2023. This can be added to your online registration at the end of the process. No late rep tryout registrations will be accepted.

Families of 3 or more will get a 15% discount on all registration fees. If you complete the registration before being issued the discount code, contact the DCMHA office manager to enquire about an adjustment to your registration fees that will be applied to your credit card.
