PURPOSE

The purpose of this handbook is to provide all members of DMHA with easy access to the most frequently asked questions about policies and procedures. This handbook does not cover all the bylaws, policies, rules, and guidelines used by DMHA but does outline the most common operational issues and frequently asked questions that arise during the season.

MISSION STATEMENT

The mission of Delburne Minor Hockey Association is to Lead, Develop and Promote Positive Hockey experiences for all players at all levels of hockey. To promote the importance of good work ethic, good sportsmanship, discipline, and the fair treatment of others. To encourage players to uphold these principles and to become fine young adults, contributing to the community after their playing involvement is over.

VALUES

Teamwork – Sportsmanship – Leadership – Respect

MESSAGE FROM THE BOARD OF DIRECTORS

Delburne Minor Hockey is a volunteer organization. Our volunteers do their best to make decisions that support the best interest of the association and the players. Anyone interested in volunteering is welcome to attend meetings or join the board of directors or executive as positions become available. Input from parents is encouraged. However, decisions are voted on by the board and ultimately, they have authority for the final decision. In the event that a board decision is not respected there may be possible discipline as the board sees fit.

DISCIPLINE COMMITTEE

In the event that a discipline matter should come up and a discipline committee is needed the executive members pick 5 to 7 impartial members from the directors. If the executive is impartial, they don't get to vote on the 5 to 7 members the remaining executives pick the directors. (As per March 3, 2020 meeting).

CODE OF CONDUCT – ZERO TOLERANCE POLICY

Membership and participation in DMHA activities are a privilege, not a right. Members, players and participants are required to abide by the bylaws, rules and regulations of the local association and provincial (Hockey Alberta) and national (Hockey Canada) organizations.

- All members and participants of DMHA must RESPECT other members, parents, players, fans, team officials, game officials, volunteers and executive members at home as well as any other associations we visit. Any inappropriate conduct, threats, harassment or abuse (including the use of profanity) directed towards these members or those of another association will not be tolerated.
- All members, fans, and participants of DMHA shall respect the game of hockey and shall behave in a manner so as not to make a travesty of the game.
- Registration may be denied to anyone, at the discretion of the DMHA executive. History of conduct detrimental to DMHA will be considered.
- Social media activity is subject to any and all Code of Conduct Standards. Social media activity referencing DMHA, its players, coaches, parents and opponents should be only of a positive nature, regardless of circumstance.

WITHDRAWALS & REFUND POLICY

Refunds for players withdrawing from DMHA will be paid upon written application to the President. For players withdrawing voluntarily for personal reasons or injury, guideline is as follows:

- \$50.00 processing fee will be charged to all refund applications.
- The insurance portion of a player's registration will NOT be refunded once the player has participated in one ice time.
- No conditioning camp fee will be reimbursed once the player has participated in one ice time.
- The remainder of the registration fees will be refunded as follows:
 - Before first ice time – full refund less the \$50.00 handling fee.
 - Before November 10th – 2/3 of registration fee less the \$50.00 handling fee and the insurance portion.
 - Before December 10th – 1/2 of registration fee less the \$50.00 processing fee and the insurance portion.
 - Before January 10th – 1/3 of registration fee less the \$50.00 handling fee and the insurance portion.
 - After January 10th – No refund.

No refunds will be issued to players suspended or expelled for disciplinary reasons.

LATE REGISTRATION

Anyone registering after the July 1 deadline will be charged an extra \$200 as a late registration fee. The only exception to this rule is for first time players in the association.

PARENT & FAN RESPONSIBILITIES

Parents are responsible for having their player at practice and games on time. It is also important that they show up consistently. It is very hard to develop a team if players are continually absent. Parents are also responsible to make sure their child has proper equipment, so they are safe out on the ice. Parents and fans need to remember that they are also role models and that their input should be positive and supportive with players, coaches and board members.

RISK MANAGEMENT

Risk Management in Hockey Alberta refers to Insurance, Safety and Abuse issues.

1. Insurance:

- a) Registration is the method for hockey players and coaches to become insured. Only coaches, managers and players registered or affiliated to a team are protected and allowed to participate in practices or games.
- b) Violation of this policy could jeopardize the insurance for the team and puts the coaches, parents and players of the team and the Association at a high level of personal financial risk.
- c) DMHA will provide 5 cards per team for Coaches, Assistant Coaches, and Team Manager.

2. Safety:

- a) The ultimate goal of this program is for all hockey coaches and volunteer managers to implement effective risk management programs with their own teams where safety is the first priority at all times both on and off the ice. Volunteers need to have as much knowledge and awareness as possible related to safety, injury prevention, emergency planning, and dealing with injuries until medical assistance can be obtained.
- b) All hockey teams must have 1 person registered to their team that has completed the Hockey Canada Safety Program on the bench at each game.
- c) All DMHA registered players must be fully dressed whenever they are on the DMHA ice (including helping with another team's practice).
- d) No player is allowed on the ice without adult supervision.
- e) Any player who is not playing but is on the bench (unless s/he is a carded coach) is expected to wear full equipment.
- f) Parents are not insured when on the ice unless they are a carded coach. As per Hockey Alberta rules under no circumstances is there any Parent/Child games. This is not insurable.

3. Abuse:

- a) Hockey Canada has adopted a zero-tolerance policy on abuse. DMHA supports this policy.
- b) Hockey Canada defines child abuse as any form of physical, emotional and/or sexual mistreatment or lack of care, which causes physical injury or emotional damage to a child.
- c) All teams registered to play in a given hockey season must have all team officials complete the Respect in Sport – Coach Program (or Speak Out equivalent) by the beginning of the current season.
- d) One parent from each family must complete the Respect in Sport – Parent Program in order for their child(ren) to be eligible for play. Respect in sport is valid for up to 4 years then you will be required to renew.

CONCESSION HOURS

DMHA requires each parent to complete 15 hours of concession time per child they have registered in the association. Parents are able to fill some of those hours during practices but not all. For any family that does not have the time to work their hours or do not wish to do so, there is the option for the hours to be paid out. The cost of paying your kitchen hours is \$225/player due at registration time. Players or siblings 15 years of age and older may work kitchen hours.

- Free Concession hours = 1 session -President, Vice President, Secretary, Treasurer, Registrar, CAHL Director, CAHL Governor (as per meeting September 9, 2019).

FUNDRAISING POLICY

Each year all teams from U7 to U15 are expected to host one home tournament as their only fundraising activity for their team. The team is allowed to keep 30% of their income for team expenses like away tournaments. The remainder will go into the collective pot for DMHA to cover expenses during the season. If a team has struggled with finding teams for their home tournament and does not gross a profit large enough to cover one away tournament, DMHA board may approve (if funds permit) to top that team up to cover the cost of one tournament

entrance fee. All other fundraising will be done as an association. Teams are NOT ALLOWED to solicit for donations outside of their home tournament or do any individual team fundraising. In the past, sponsorship has been given to individual teams. When sponsorship is offered, all sponsorships are to be approved by the board before being accepted, and no money is to be directly given to the team. All team donations and sponsorship beyond home tournaments must be presented to the board in a timely matter with all questions answered before proceeding forward.

(Providing sponsorship to a charity or non-profit is not a gift, and a receipt cannot be issued for sponsorship. Sponsorship is when a business sponsors and in return receives advertising or promotion of its brand, products or services. A donation is a gift with no strings attached and a receipt can be provided. Usually, donations are given to associations that have charitable/non-profit standing)

MANDATORY PARENT VOLUNTEER OBLIGATIONS

(As per January 7, 2020 meeting)

It is mandatory that parents equally participate in selling 50/50s and/or work in the time box at team games.

- It is mandatory that one parent per team is to attend a monthly meeting. Board members who already have an obligation to go to the monthly meetings will not be considered as the parent from the team. Parents are to rotate.
- In the event that you are not able to fulfill your assigned commitment it is your responsibility as the parent to trade or find your own coverage for your commitment. All team commitments are to be split equally amongst parents.
- Cash Calendars- Is a mandatory fundraiser one book per player. If you do not sell them, you buy them.

Tournament Commitments:

U7 – It is mandatory that a \$40 cash donation or a donation worth \$40 per player is provided for the tournament draw table.

U9-U15 – It is mandatory that a \$50 cash donation or a donation worth \$50 per player is provided for the tournament draw table.

*All duties in a tournament are to be split equally amongst parents. If you cannot fulfill your obligation, it is up to you as the parent to trade or find your own coverage not the manager.

MILEAGE FOR VOLUNTEERS

Mileage will not be paid to volunteers except for circumstances that have been previously approved by the board. Currently the CAHL rep/governor, those required to attend West Country meetings and Hockey Alberta meetings, are the only ones approved to submit mileage. (AS PER AGM 2016/2017) Mileage rate will be set by the board.

AWAY TOURNAMENTS

Each team is responsible to discuss **as a group** at the start of the season how many tournaments they will attend and what distance everyone is willing to travel. Away tournament dates should be decided upon collectively amongst the team. Managers and Coaches need to be mindful of families that may have more than 1 child in hockey, and that families have more commitments than just hockey. If a team's decision is to proceed with extra tournaments and the team has spent its earned tournament money the extra cost will be at the expense the parents on the team.

PLAYER MOVEMENT

Policies in regard to player movement are as follows

- DMHA will not grant player movement in U7 or U9
- Players are no longer required to submit a Notification of Tryout form. Elite Draw Zones and AA Recruitment Areas are responsible for communicating with the Minor Hockey Associations in their Recruitment Area regarding players trying out for their teams. Forms can be found on the Hockey Alberta website.
- If the player does not make the designated team, they must return to DMHA.
- Movement up and down within the association will only be granted if;
 - There are not enough players for a team
 - Movement won't affect the numbers of either team negatively
 - Preference will be given to 2nd year players first and then 1st year players.

INJURY

Any coach has the authority to not allow a player to return to the ice prior to an injury being assessed by a doctor or appropriate medical professional and a medical release provided even if the injury did not occur at hockey.

CONCUSSION

Players who suffer a concussion must obtain a letter from a licensed medical professional outlining that it is safe to return to play hockey. Once the letter is received, the player must skate (in a different colored jersey) symptom free for one practice prior to game play.

DRESS CODE

Professional appearance will assist in gaining respect and confidence of everyone involved in the game both on and off the ice. With this in mind, the following outlines the acceptable dress code for all divisions of Delburne Minor Hockey:

- button up shirt and tie
- casual pants or dress pants
- appropriate footwear
- DMH hats only

*Coaches are to coordinate outfits (all track pants or all button up shirts/ties) Black jeans are permitted as long as they are not faded.

*The only exception to this will be if the entire team opts to purchase matching Delburne Minor Hockey track suits issued through the Delburne Minor Hockey Merchandizing Coordinator.

*Teams will vote on the dress code of the team at the welcome meeting. Coaches are to set an example for the team.

DELBURNE MINOR HOCKEY LOGO

All merchandise that has the DMHA logo can only be ordered through the merchandise coordinator. Individuals are not allowed to make orders directly through the apparel company. The DMHA logo is not to be used outside of the association, unless it has been approved by the DMHA board. The Men's Senior Hockey team does have permission to use the logo like their own all approval must go through the Senior Men's Board. (As per February 04, 2020 meeting)

PLAYERS DRIVING

DMHA allows midget players to drive themselves to practices and home games ONLY. Players may NOT drive themselves to any away games.

SCHOLARSHIPS

To be eligible to claim a scholarship with DMH a player must have played a minimum of 4 years with DMH and has played all of their possible hockey years with DMH (lived in zone and played in Delburne, not been released to another center that has comparable hockey) except for if the player has played in elite hockey. If there was no team for the player to play on in Delburne, and the player had to play elsewhere, the player is still eligible for the scholarship. The player must claim the scholarship with proof of enrollment in a secondary school within four years of Minor hockey completion. The amount will be for \$350.00

(AS PER MEETING MINUTES OCTOBER 2015/2016)
