Coaches update: Nothing new to report.

Provincial Bid update: DMHA has been selected to host the U15 Tier 3 Provincials March 21-24, we have accepted to host and please keep an eye open for future planning meetings.

Team reports:

1. **LTP/U7:** Had their home tournament and it went well.
2. **U9:** Also hosted their home tournament and it was another success. Hockey Alberta also announced a pilot program for U9 teams to do exhibition games that do not interfere with league games that can be done on full ice. See Hockey Alberta website for more rules on this.
3. **U11:** Everything going great.

4. **U13:** Things are going well, and the games have been close, and the kids have been working hard.
5. **U15:** Going well, the games are starting to be closer and are hosting the home tournament this upcoming weekend.
6. **U18:** The boys are improving and playing hard. Will be looking into having a 4-man refereeing system for future games.

Old Business:

1. **Cash Calendars:** They sold well and still collecting the last few booklets.
2. **Hockey Day in Delburne:** Went very well. The beef super was good with good attendance and a very busy lobby.
3. **Provost meat orders:** There was only one mix up that was easily fixed, and everyone seems pleased. The profit was like prior years with this fundraiser.

New Business:

1. **Central Alberta Selects:** Cheryl Andrea reported on their last held meeting. The program is looking for more ice time and in different areas to be more active in recruitment for future years. There needs to be a U18 team next year in the program or they risk losing their AA status. They will be out and recruiting for U18 players this coming year. Also, if there are any questions, please let Cheryl know.

Next Meeting: January 16, 2024

Adjourned: 7:25 p.m.
