Having our own in town clinic instead of reimbursements for going to other goalie clinics. Kids have been finding the power skating beneficial.
- 5) **Treasurers Report:** General Account \$49,942.13 Casino \$20,519.82. Goalie clinic should be totally covered now. Re-entered some stale dated cheques in. \$2022 for power skating was after this report.
- 6) **CAHL Report:** No updates from Cathy. January meeting was postponed as they are waiting on some info. Cathy email out play off platform so read through that.
