**Registrar Report:** Registrar report (Cheryl was not in attendance) possible outside kids might be interested in U13. Possibly pull u11 kids into u13, coaches choice. Second years can be affiliated. Discussion over how these choices are being made. Stacy Rieder brought up a policy to be put into place on how these decisions should be made. As it stands coaches decide who they want to move up. U11 evaluations will be made and they will see how that lands on who would be moving up. Should know better the u13 numbers once other community tryouts are done. U18, revisit after all tryouts are done. Don't want to make cuts and have kids not play hockey, but we have to wait and see. Two u7 teams, need to decide on coaches.

**Ag Society Report:** Nikki Pivert said everyone who uses this building is a AG member therefore the volunteer hours must be shared to keep the cost down. Also the AG employees are not babysitters and no kids who are not on the ice should be running around in the back area.

**Arena Manager's Report:** No Report

**Merchandise Report:** Jackie Smith has still not received the grade 12s jersey that was made incorrectly. Jackie will finalize things with Kim McKnight October about ordering online.

## **New Business**

A) Scott Campbell brought up Goalie Clinics will be booked once a month for 4 hours for the months of October, November, December and January with Tanner Jalliet (Gold in the net) the cost is \$450 per session with a total of \$1800 all goalies from U9-U18 will participate. Stacy Rieder made a motion 2nd Jackie Smith

B) Reed Olson brought up that the ice times need to be changed by 30 mins for the U7 as it's not enough time for coaches to get off work as well as kids riding the bus to get to the rink in time for practise. Scott will talk to Leanne

C) The welcome meeting will be changed to individual team meetings with the president present at all of them to determine/announce coaches and managers. This will happen first week in October

D) Photos were discussed and 3 photographers were presented with their prices and packages. Nikki Pivert made a motion to choose Amanda Brockhoff as our photographer paying her \$300 per team . It was a majority rule vote that was then carried? (\*The wording on this may be wrong\*)

E) Chelsie Christensen brought up power skating to be offered to the U7-U11 teams. It was suggested that DMHA pays Can-Skate to provide their power skating program. It was also suggested that asking Cheryl Andre to be hired to do power skating. It was also suggested that Scott Campbell will contact Meagan Douglas to be hired directly instead of using can-skate. Scott will follow up.
