## 2020 Modified Registration Information Sheet

DMBA will open registration from June 19-26<sup>th</sup>.

1. A return to train will be offered for the month of July. This is being offered to allow players an opportunity to get out and play, without committing to a team and a season.
2. A return to play (includes training and games within a cohort) will be offered for the months of July and Aug.

The board recognizes that many of our members have holidays planned this summer which may lead to reduced player participation resulting in not enough interest for an age group to field a team. The board will evaluate the number of players at each age group after registration closes to determine appropriate training groups and team formation.

DMBA is looking for committed head coaches and assistant coaches to help implement a return to the diamonds. Please consider volunteering. Head coaches will have their registration fee waived for one player in their family.
