

Passing Skills	Shooting Skills	Dribbling
1 – Can pass, but weak or not on target	1 – can shoot, but appears more like a pass	1 – needs to walk to dribble
2 – head down, but passes on target	2 – can shoot, but control and direction is not consistent.	2 – can do a slow jog when dribbling
3 – good knowledge of inside foot passes, on target and in middle of ball	3 – can shoot and has control and some direction	3 – can change directions while running with ball and keep moving
4 – exceptional passing skills with their strong foot	4 – can shoot while moving with decent control	4 – is able to use both feet when moving with the ball
5 – can use both feet to pass with control	5 – can “one time” it from a pass and shoot on target most of the time	5 – can lift ball with foot, stop it and use various parts of foot on ball
