PERSONNEL SCREENING POLICY

Definitions

1. The following terms have these meanings in the policy:
 - a. “Police Vulnerable Sector Check” or “PVSC” – means, for individuals who are volunteering or employed in a vulnerable sector (such as with minor athletes), a search for the existence of a criminal record, outstanding charges, various charges and convictions, and any pardoned sex offences.
 - b. “Personnel” – Personnel includes individuals and volunteers over 18 years of age whose position within DSA is one of trust or authority relative to young people. Personnel are required to obtain A Police Vulnerable Sector Check (PVSC). Personnel include, but are not limited to coaches, team managers, board members, committee members, administrators and referees.

Purpose

2. DSA understands screening personnel and volunteers is vital part of providing a safe sporting environment for athletes. Like many sport organizations, DSA requires personnel who are in a position with ongoing, unsupervised interaction with young athletes or other vulnerable person to be vetted. Though submitting proof of the completion of this process assists DSA in the screening process, the DSA recognizes that no sport organization or sector of society can ever be 100% safe from harm.

Failing PVSC

12. Should an individual applying for a position fail a PVSC, the individual will not be permitted to participate in such position until completing further screening measures as indicated for the position.
