 - First Shelley
 - Second Melissa Pusching
- 4. The President/Vice-President's Report

(President - Shannon Crinklaw & Vice-President - Brent Jackson)

- see attached report
- ..\Desktop\DRA\2020-2021\May 2021 AGM Summary Review.docx

Where we started the Season

- Lower than ideal bank account with concerns that we would not have enough money to pay our bills. 2% increase in ice time costs planned for next season.
- Last season was cancelled 2 weeks earlier than the anticipated end of season
- No Banquet for players due to lockdown
- Rock n Roll Bingo Fundraiser cancelled due to restrictions (expected to be our big fundraiser for the year)
- Dorchester/St. Mary's was awarded to host U12p tournament for 2020-2021 season this was cancelled

Highlights of the Season

- Able to navigate the Ringette Ontario applications and gain approval to have 117 players back on the ice
- Dorchester's application was used to help over 20 other associations get back on the ice
- Successful completion of first half of the season (September-December) with 7 pods on the ice and game play being allowed in November. Ringette Ontario Mandated break occurred over Christmas in December-January.
- Zoom meetings used for coaching meeting, all parent meeting and AGM successfully as an option for increased participation in the future
- Introduction of COVID leaders as bench staff bondable position to ensure our programs could run in compliance with arena and Ringette Ontario guidelines.
- Aggressive fundraising plan and sponsorship helped gives us enough revenue to cover expenses this season and next. Fundraising included:

- o Masks & Buffs, wine/chocolates, Elmira Chicken, Bottle Drive
- Able to purchase equipment and jerseys needed for a few years to better equip ourselves for future seasons
- Ringette Ontario acknowledged our bylaws and constitution as a benchmark and was thrilled at parent participation especially in younger age groups.
- Stronger relationships built with Thames Centre and support to turn back ice at no cost and provide guidance with all the changes was a big part of our success

Challenges this Season

- No provincial or regional league schedules announced, and all tournaments cancelled
- No London/Dorchester Tournament which also affected revenue
- Stage 3 game play was delayed longer than it could've been as we were waiting on coordination with London Ringette
- Cancellation of the 2nd half of the season resulting in full refunds
- Springette program planned and approved by Ringette Ontario but cancelled due to government restrictions
- DRA not able to become incorporated at this time and must consider for next season

Looking towards Next Season

- New Ramp System will replace registration, website and Team App which will be a one stop shop and integrated with Western Region and Ringette Ontario sites.
- DRA will continue to plan for provincial teams and regional teams for next season while we wait for government and Ringette Ontario decisions - U12p, U14A, U16AA and U19A

Final Comments

A sincere thank you to all the volunteers, board members, coaches, team managers, covid leaders, referees, parents and players for being so supportive and flexible this season. We've had restrictions change on us regularly, emergency meetings to address restrictions and constantly having to adjust quickly. We kept the players on the ice as long as possible when the government restrictions allowed groups of more than 10 players and we successfully moved the DRA into a healthy financial future. This is a volunteer organization that depends on the goodness and hard work of volunteers to run successfully. **THANK YOU!**
