First Initiation House league games held November 11 2017, great success

Ariant lost two players since season start, they are short, they do have the option of “ borrowing” players from the other team sharing the ice. Going forward Ariant has permission to borrow players for exhibition games and tournaments from CFI and Trican, as long as it doesn't conflict with their schedule. All initiation and timbit teams are under one large roster, so that should work out okay.
