Mike McGinnis is looking for a list of questions we have as an association regarding the transition from full to half ice

Hockey Alberta is not communicating about half ice

Tournament went well

16 kids moving up 2011 year and 34 next year in initiation

Novice: Wayne Nelson

1. Current Novice Standings;

Novice 1 – 8-2-1 Second place in Tier 1

Novice 2- 5-3-2 Tied for 6th in Tier 3

Novice 3A- 4-3-1 Tied for 9th in Tier 4

Novice 3B- 2-5-1 12th in Tier 4

Novice 2 is in the same Tier as Maskwacis 1 but no games on the schedule, If teams meet in the playoffs we will play the games

2. There are currently 18 2010 first year novice players that will be in novice again next year. I am unsure of the numbers of 2011's moving up from initiation but i believe it is similar. Dividing the two age groups and having full ice for 2010 and half for 2011 could be difficult with these numbers.

Pee Wee: Greg Mulligan

Peewee 1 10-4-1 Tier 1

Peewee 2 3-7-3 Tier 4

Peewee 3 6-7-1 Tier 5

Bantam: Brendon Emmett

Bantams are currently sitting at 4-10-2 with the exception of a few games that have been two goal losses. The coaching staff feel as though we are competing well and have grown a lot since the beginning of the season.

Alec Rice is 2nd place in Tier 1

Ryan Norton is 7th place in Tier 1

Jase Enyedy is in 21st place in Tier 1

Austin Musiyowski is in 23rd place in Tier 1

We are beginning our first round of C provincials in Whitecourt.

Currently we have 1 broken collarbone, 1 severe cut to the leg should be returning this week, 1 knee injury and 1 hip injury both should be returning this week.

Saturday we are playing in Westlock and the Westlock team was targeting a few of our players with late excessive hits causing the coaching staff to sit a few kids due to suspected head injuries which all of them were good the next day. Due to the nature of the reffing and some of the calls the coaching staff is making a formal complaint on the refereeing at that game.

Midget: Leslie Frasier ;
