## Technical Coordinator Bob Koethler

- Had 10 goalies come out for the Monday goalie night. Pretty good considering it was a holiday Monday. Right now the fee is \$2,300 to Top Goaltending, of which minor hockey pays half. So if no one else signs up, each participant will pay \$130. I told that it was \$150 for now.
- Jordan has his MCN stuff coming up for coaching at the lower levels. MCN has said they're doing a Christmas program, which in the past we've covered equivalent of \$50/kid entered. I'd need an up to date burn rate to see if we can fit it in.
- Have prices to have MCN attend one practice per team to conduct a skills session, with DVMH covering the cost. Originally fit within the skills budget for the year.
