U7 Director Katie Molzan:

- Tournament went well this past weekend, just one complaint about one of our Drayton managers before the tournament and reminded teams to use the proper chain of command. Had 3 teams attend and our timbit team played a game against Spruce Grove timbits. Thanks to Jen Winter and everyone else involved that helped get the Timbit game set up.
- One request was if we could advertise and have info out about our Drayton tournament earlier in the season (maybe have the tournament committee set up earlier so they can start contacting and finding teams) as most teams picked their away tournaments by the end of Oct. They had a really hard time finding teams to attend.

U9 Director Jackie Greenlee:

- Two of the teams have been doing lots of exhibition games

U11 Director Karrie Jones:

- DV Meter Team - winning 80% of games
- Apex Team - winning 59% of games, COVID has affected the #'s on the team
- Apex is going to an Oil Kings game on February 19th as a team event and doing the on ice shoot out
