Drayton Valley Minor Baseball Association

April 3, 2019

To: _____

We are writing this letter on behalf of Drayton Valley Minor Baseball Association (DVMB). There are many expenses associated with running sports programs, and very finite resources. Proper equipment and supplies are needed to help give our athletes a chance to compete and succeed. DVMB fundraising provides our baseball program the funds needed to continue to be successful, and provide a fun and safe environment for our kids to participate in. Our goal is to continue growing a quality athletic program here in Drayton Valley that our community can support and be proud of!

As a valued DVMB Sponsor, you can showcase your business again by being involved with a reputable organization, which encompasses not only Drayton Valley but also surrounding communities. You also show that you support youth development, as well as community responsibility. Your generous donation is important to help us continue to grow as an organization and with your help, we can build a partnership in supporting our local youths.

If you are interested in sponsoring the DVMB program in any way, please complete the sponsorship information form and submit with your contribution to our address above.

Thank you very much.
