Drayton Valley Minor Baseball Association

, 2017

To: _____

We are writing this letter on behalf of Drayton Valley Minor Baseball Association (DVMB).

There are many expenses associated with running sports programs, and very finite resources. Proper equipment and supplies are needed to help give our athletes a chance to compete and succeed. DVMB fundraising provides our baseball program the funds needed to continue to be successful, and provide a fun and safe environment for our kids to participate in. Our goal is to continue growing a quality athletic program here in Drayton Valley and Brazeau County that our community can support and be proud of!

In 2016, there were 243 children between the ages of 4 and 18 registered in DVMB, we anticipate the numbers to be even higher this year.

As a valued DVMB Sponsor, you show that you support youth development, as well as community responsibility. Your generous donation is important to help us continue to grow as an organization and with your help, we can build a partnership in supporting our local youths.

Thank you very much.
