

2024-2025

Programs

Pre-competitive

This is a traditional artistic swimming class offered in 60-90 minutes.

Water Ninja's

A water-based movement class for 7–12-year-olds. This class we require the kids to be a little older to start. Movers will work on body control, balance, agility, coordination and speed. They will also explore floating, going upside and boosting out of the water in a fun, engaging environment. We are trying to encourage boys to join our sport, so this class is not a traditional artistic swimming class. Artistic swimming will be taught but in different way.

All kiddos must be comfortable in the water and be able to swim 15m.
