

Special Announcement of SEEBA Board of Directors

Hello SEEBA Families.

Alberta Health has just released a new update advising the cancellation of all large group gatherings.

We will be following these recommendations to ensure the proper safety precautions for our members.

Effective Immediately, all pre-season activities are suspended as of March 12, 2018 until further notice.

The board is working hard to determine a plan of action and will be following the recommendations of Alberta Health Services as they become available.

We will update you immediately when we are able to restart are season.

Thank you for understanding,

Chris March and SEEBA Board
