LETTER FROM THE *President*

On behalf of the of the Edmonton Female Athletic Club board of directors I would like to welcome everybody to the 2021-2022 hockey season!

We are very excited about the future of EFAC and its members. We have been able to progress our development model each year in our drive to attain our mission:

‘The Edmonton Female Athletic Club (EFAC) hockey model shall be nationally recognized for the holistic development of Elite Female Athletes and Coaches. EFAC provides, through excellent integrated partnerships with renown sporting, academic, and community partners; strong leadership, and engaged member organizations, developmental programs and competitive opportunities that encourage and inspire holistic development of elite female hockey players, coaches and volunteers.’

I would like to once again thank everyone who has stepped up to help this year. Our sponsors, partners and supporters are key cogs in the success of our club and ultimately the development of our players and coaches. We have again a full list of volunteers who make this organization run. To our coaches, managers, bench staff, and board members, I want to personally thank you all.

Finally, to not only EFAC players, but all players; remember always why you play this wonderful game of hockey. A game that motivates, teaches and humbles everybody involved willing to take the time to step back and take it all in.

Good luck and keep your stick on the ice.

Howie Draper
President, Edmonton Female Athletic Club
