### **IMPORTANT NOTES:**

- Players **appearing** on this list must report to Fitness Testing on Monday, September 14, 2020 (UA Butter dome) for 5:30pm. Please arrive at 5:15pm.
- Players **NOT appearing** on this list have been released from the tryout process.
- We understand that an online posting is not the most personal way to execute the release process, however it is regrettably the most appropriate method considering current Covid-19 regulations. We welcome opportunities to give feedback if players are interested. Please contact the EFAC Registrar to setup this opportunity with the coaching staff.
- You can access a second tryout with another U18 AAA Club (if they are still accepting tryouts). Please be sure to follow the current Hockey Alberta (AFHL) Covid-19 regulations.
- If you are an Edmonton resident/previous EFAC player, please contact the EFAC Registrar with a completed NTO form for your second tryout, or to inform EFAC of your intention to move to the U18 AA tryouts.
- If you are a non-Edmonton resident, please contact your home association for second tryout information, or to move to your resident U18 AA tryouts.
