6	Madeline D.						Games Notes: There are two penalty shots awarded; however, there are no penalties marked for why the PS's were awarded. The Clovers were awarded a PS in the 2nd, for which a goal was scored. The Belly's were also awarded a PS that a goal was scored on. However, the penalties were not communicated properly between the Refs and the Timekeeper. As well, there was a PS awarded at the end of the game, however a player number was not assigned. There was no goal on this PS.
