Peewee AA Program

The NEZ is no longer be running a U13 (Peewee) AA program. All U13 (Peewee) AA hockey will now be run by the 4 Hockey Edmonton Athletic clubs that currently run the U15 (Bantam) and U18 (Midget) AA programs. **Follow this link for [Hockey Edmonton AA hockey boundaries](#) and more registration information:**

NEZ Hockey

Northstars Hockey in collaboration with NEZ Hockey, Eagles Hockey, and Braves Hockey, will work together to evaluate players and collaboratively form competitively balanced teams at the U9, U11 and U13 levels. All U9, U11 and U13 players in the Northeast Zone will register with their home club based on where the family resides. The organizations will continue to host teams in every category.

Respect in Sport Parent Program

For families that have not taken the Respect In Sport Parent program since **2020** they will need to retake the program again for this year. Families should have received an email telling them they need to retake the program. For more information check the Hockey Edmonton website [here](#).

Registration Highlights

First time players

If registering a player for the first time, families must take the Hockey Canada Respect In Sport program BEFORE players will be given tryout/evaluation ice times. When taking the program please ensure that you specify EACH player that you will be registering and make sure the spelling of their name EXACTLY matches the name they are currently registered by. Failure to do so will prevent that player from showing as having a parent take the course. If registering a player for the first time when you have taken the course for another player you can go to the Respect In Sport website and add that player to your existing Respect In Sport record. More details and links to take the course are available on the Hockey Edmonton website. Click [here](#)

PLEASE NOTE: If a family has last taken the Respect In Sport course prior to 2020 they will need to retake the course again this year

Players registering for the 1st time MUST supply a copy of birth certificate, Alberta Health Care Card and proof of residency - a property tax bill or utility bill with parent(s) name and address on it before they are considered registered and receive any ice times.

These documents should be emailed to enac@nstars.com

Players that have previously registered elsewhere must first contact the Northstars Registrar (email enac@nstars.com) to start a transfer / release from their previous association.

All U7 (Initiation) and 'BB' U15 (Bantam) and U18 (Midget) teams are run by NEZ Hockey, therefore these players will have to be registered with NEZ Hockey.

U15 (Bantam) and U18 (Midget) players wanting to try out for the AA program will also register directly with their resident AA program.

Follow this link for [Hockey Edmonton AA hockey boundaries](#) and more registration information: If you register with the AA program you must NOT register with NEZ until such time that you are released from the AA program.

Initiation/Bantam/Midget and Recreational League players **CANNOT** register with the Northstars online. You must register with the NEZ. Follow this link for registration information: [NEZ Hockey](#)
