

EFCLRA Coaches Evaluation Survey 2019-2020 - EXAMPLE

Welcome to the 2019/2020 EFCLRA Coaching Survey. The following questions are designed to help our association improve the quality of coaching for our players. The survey is used to help mentor our coaches and provides us valuable information to communicate to the coach. We encourage parents to review the survey with their children to get their perspective on how the season went. We would ask that only one survey be filled out per family per team. Thank you in advance for helping make your child's Ringette experience the best it can be.
