

# COACH AND MANAGER PACKAGE

Silver Ring January Jamboree

January 17-19, 2025

Welcome!

On behalf of the Edmonton Federation of Community Leagues Ringette Association executive and our Tournament committee, we would like to welcome you to our community and wish everyone the best of luck in our annual Silver Ring Jamboree. We would also like to say "Thanks!" to the families and friends who have come out to support the players.

We want to extend a heart-felt thank you to all our sponsors for making this event so successful. Their generous contribution helped make our vision a reality by helping to offset the cost of holding the jamboree. In addition, our tournament committee and our volunteers have worked for many months to offer us this weekend's activities. Without these volunteers and their strong sense of community spirit, hosting this event would not be possible.

During the Silver Ring, we all look forward to seeing a great display of skill, competition, and teamwork in the true spirit of fun and good sportsmanship.

We have plenty to offer over our jamboree weekend, including many exciting prizes. Check out our jamboree map for directions to all our venues, and don't hesitate to ask any of our volunteers for directions or advice on where to eat, get skates sharpened or where to go shopping - they will be happy to help. The Tournament Committee is also here to assist you. Feel free to stop by the Tournament Welcome Table at the Castle Downs Arena should you have any concerns or questions.

We look forward to three days of good competition, developing relationships and a fun-filled weekend and we hope to see you again next year! Best of luck to all teams!

**When Injury Occurs**

1. Take control and assess the situation.
2. Remember the basic first aid rule: Do not move the injured athlete. If the athlete cannot start a movement themselves, do not move the body part for them.
3. Tell bystanders to leave the athlete alone.
4. Leave the athlete’s equipment in place.
5. Evaluate the injury. Once you have assessed the severity of the injury, decide whether further assistance is required. If an ambulance is required DIAL 911.
