Silver Ring January Jamboree

January 16-18, 2026

Welcome!

On behalf of the Edmonton Federation of Community Leagues Ringette Association executive and our Tournament Committee, we're delighted to welcome you to our community for the 2026 Silver Ring Jamboree. We extend our warmest wishes to all teams joining us this year, and a heartfelt shout-out to the families and friends cheering from the stands—your energy and encouragement make this event truly special.

We also want to express our deep appreciation to our sponsors. Their generous support helps bring the Jamboree to life and offsets the many costs involved in hosting a weekend like this. Our committee members and volunteers have dedicated countless hours to planning and preparation, and their enthusiasm and community spirit are the backbone of this event.

Throughout the Silver Ring Jamboree, we look forward to celebrating developing skills, spirited play, and the joy of teamwork—all rooted in fun, friendship, and good sportsmanship. There's plenty to enjoy over the weekend, from activities to exciting prizes. Be sure to check the tournament map for venue details, and don't hesitate to ask any of our volunteers for recommendations on where to eat, sharpen skates, or shop—they're always happy to help.

The Jamboree Committee is also available throughout the weekend; visit us at the Jamboree Office at Castle Downs Arena if you have any questions or concerns.

We're excited for three days filled with great games, new connections, and memorable moments. Wishing all teams an amazing Jamboree—and we hope to welcome you back in 2027.

## **Injury Response Plan**

There is always the potential for injury in all physical activities. Therefore, it is important to have an emergency action plan. The key to the emergency action plan is getting professional care to the athlete as quickly as possible.

### **DIAL 911**

First Aid Kits: Lifeguards (in arenas with a pool on site), Arena Staff, Team Staff

## **When Injury Occurs**

1. Take control and assess the situation.
2. Remember the basic first aid rule: Do not move the injured athlete. If the athlete cannot start a movement themselves, do not move the body part for them.
3. Tell bystanders to leave the athlete alone.
4. Leave the athlete's equipment in place.
5. Evaluate the injury. Once you have assessed the severity of the injury, decide whether further assistance is required. If an ambulance is required DIAL 911.
6. If an ambulance is not needed, decide on how to remove the injured athlete from the ice surface.
