# Commitment

**Commitment** – It is expected that players will attend most or all practices, games and team events, however, of course we recognize that there will be absences due to illness, special events, and schoolwork.

Generally the expectation for U14AA commitment is that Ringette will be the 3<sup>rd</sup> priority for members, behind school and family.

All players are encouraged to participate in other sports or extra-curricular activities, particularly at U14AA. However, we ask that scheduled Ringette times (practices, games, dry-land & events) take priority unless there are important tournaments, school events, or championships relating to the other sports/activities. Where those arise, the coaching staff will be fully supportive of the athletes attending, so long as appropriate notice is provided.
