

The Edmonton Ringette Club ("ERC") uses social media to share news and to bring interest to the sport and the club, to generate a sense of community, sportsmanship, and leadership within the ERC, and to increase awareness of the benefits of sport for young women in Canada.

Part of the way we may do this may include taking photographs and videos at games, practices, team building events and doing interviews.

This is to give notice that photographs, videos, and/or recordings of the players may be taken and may be used / published through television, film, Internet, multi-media presentation, radio, audiotape, videotape or in printed form or display form for the use of the ERC and for promotion of the ERC and the sport of Ringette.

Please complete the Consent attached and provide it to your team manager. Thank you.
