

Edmonton Ringette Club – Team Selection Policy

Team rosters will consist of 13 – 15 skaters, and 1 – 2 goalies, unless there are extenuating circumstances that would justify a larger or smaller final team roster. Athletes will be evaluated on multiple criteria by both independent evaluators and Head/Co-Coaches.

The final team roster will be selected by the Head Coach based on evaluation criteria, with oversight from the ERC Board. Head Coaches will be asked to consider ERC programming goals when selecting their rosters, specifically selecting a meaningful number of Edmonton residents and first year players, where they can effectively compete at the AA level.

Non-resident skaters must evaluate within the top 65% of the team roster size, with some regard for positional needs and position-specific rankings.

Final rosters will be published within 24 hours following the final evaluation skate.

Any selected players will be subject to Ringette Alberta Policies with regards to player movement and releases, and all applicable principles outlined within those policies.
