

Goalie Equipment and Development Policy

1. Equipment Policy

All ERC goalies shall be entitled to submit receipts for goalie equipment. The ERC will reimburse the goalie for 50% of equipment costs to a maximum of \$500.

Example. Equipment receipts submitted for \$700 will receive 50% or \$350, receipts submitted for \$1200 will receive \$500. Parents should submit their receipts to the ERC Goalie director.

2. Goalie Development Policy

- a. ERC will cover the cost of group goalie training of all ERC goalies in U14-U19 for all programming contracted by the ERC or in cooperation with other ringette associations. (eg. 5Count).

- b. ERC will reimburse each team in U14-U19 up to \$1500/season for individual outside training, or to hire a specialized goalie instructor for in-practice training. This training shall be a collaboration between the Head Coach and the ERC goalie director. The goalie director shall have authority to approve expenses that are in compliance with this policy. Coaches must submit an invoice for payment or reimbursement to the goalie director.

For expedience the club may reimburse the goalie (parent) directly for pre-approved training expenses. Parents must provide a paid invoice from the vendor for reimbursement. Goalies should seek approval from their head coach before incurring expenses.

NOTE: All requests for reimbursement for development expenses must be made by April 30th of the season in which they were incurred. All requests for equipment made after April 30th will only be paid once the goalie returns to the club for the following season and shall be included in the \$500 maximum equipment allotment for the upcoming season.
