

### **Edmonton Ringette Club – Team Selection Policy**

Team rosters will consist of 13 – 15 skaters, and 1 – 2 goalies, unless there are extenuating circumstances that would justify a larger or smaller final team roster. Athletes will be evaluated on multiple criteria by Head/Co-Coaches and independent evaluators.

The final team roster will be selected by the Head Coach based on evaluation criteria and their assessment of team needs. Head Coaches will also be asked to consider ERC programming goals when selecting their rosters, including selecting a meaningful number of first year players, where they can effectively compete at the AA level.

Non-resident players at all levels will be considered for team selection.

Final rosters will be submitted to the ERC Board for approval, and published within 24 hours following the final evaluation skate.

Any selected players will be subject to Ringette Alberta Policies with regards to player movement and releases, and all applicable principles outlined within those policies.
