

RULES AND REGULATIONS FOR THE SAMSPA OPEN DIVISION

SAMSPA follows Softball Canada Rules whenever possible.

The following notes summarize the exceptions to the standard rule book for the Open Division.

SAMSPA 2024 OPEN DIVISION -- Rule Book Exceptions

1. *Rule Exception – Starting Number of Players & Grace Period for Start of Play:*

This SAMSPA rule book exception allows for a 10-minute “grace” period from the scheduled start time of a game to field a team before a forfeit is declared. The exception also states that teams are allowed to start a game with eight (8) players that are on the team’s roster. The team that is “short” players may choose to “pick-up” players from the same or a lower division (A is highest, B is higher than C and so on) to create a team of 10. If the team that is “short” players’ elects to play the game with fewer than 10 but not less than 8, the team may bat the number of players they have and **NO** automatic out will apply to the missing batting order spot(s).

Update 1: In the event a team at any point reduces to 7 players due to injury or ejection with no available substitutes, the game is immediately forfeited.

Update 2: Should any team lose a player due to injury or ejection during the game and is unable to substitute that batting position, that batting position will be ruled an AUTOMATIC OUT for the remainder of the game. In the spirit of Sportsmanship should both coaches agree that NO AUTO OUT will be used, SAMSPA will have no objections.

If a team only has seven (7) players from their roster present at game time, the team has the option to “pick-up” three (3) players from the same or lower divisions, but only with consent of the opposing team’s manager. When consent is given, the game becomes official, the umpire will have the game played out, and it will not be deemed a forfeit. When consent is not granted by the opposing team, the game will be “forfeited” by the team that is missing players and the umpires may leave the diamond. If players on their roster arrive after the lineup has been submitted, the team that has picked up players may choose to replace the picked-up players with the late arriving players or may add the late arriving players to the bottom of the batting order. Players may not be added to the bottom of the batting order once that team has gone

through the batting order one or more times unless consent is received from the opposing manager.

** No substitute players are allowed during any of the playoff rounds for any team.

2. Rule Exception – Strike Zone VS Mat Zone:

For 2023, the OPEN DIVISION is ruled strictly by a “mat zone” as determined and enforced by the game umpire. The mats will be 17 x 24 inches made of wood. For force plays, the catcher must be touching the plate (not the wood mat) for the baserunner to be declared out.

3. Rule Exception – Maximum Number of Roster Players:

SAMSPA allows for a maximum of 25 roster players per team. Players must be 18 years of age or older by December 31, 2023 to be eligible for play in the Open Division. No player is allowed to be registered on more than one team in the same division. Open, Plus 40, Plus 50, Plus 60 & Plus 70 are all considered separate divisions. Rosters must be in place by May 1st but may be changed until June 1st. After June 1st, NO roster changes are permitted without the approval of the SAMSPA President. Non-rostered players are ineligible during the entire rounds of the playoffs. **Non-rostered players may be used after June 1st to assist teams in fielding a team for competition.**

4. Rule Exception – Courtesy Runners:

SAMSPA will allow unlimited courtesy runners per game; however, no runner may run more than once per inning.

5. Rule Exception – Uniform Policy:

The uniform policy now adopted states that at a minimum of 7 players in the lineup must have matching jerseys. Otherwise, the opposing team, prior to the start of the third inning, may declare to the umpire that they are playing the game under protest. If the protest is upheld, the game will be considered a forfeit. All players on the field at the time of play are encouraged to have matching jerseys, pants and hats, but only the jersey rule will be enforced. All teams will have until June 1st, 2023 to comply with this rule unless an exception is granted by the SAMSPA President.

All hats or caps will be worn with brims facing forward while play is happening on the diamonds. At the umpire’s discretion, individuals may be asked to remove headwear or may eject the player from the game.

6. Rule Exception – Scoring of Runs:

The innings are limited to seven (7) runs per team, per inning OR until three outs are recorded. Only the final inning (7th or last inning as declared by the umpire) shall be considered "open" with unlimited runs until three outs are recorded.

All runs will be scored by players crossing (i.e., any part of the player's body touching the ground) a "scoring line" or a "home safe line". The home plate is not live. Runners will be called out if they touch any part of the home plate or mat.

Baserunners cannot be tagged between the "commitment line" and the "scoring line". Once the baserunner crosses the "commitment line", it becomes a "force play". For the baserunner to be called out, the catcher must be touching the mat with the ball before the baserunner crosses the "scoring line".

7. Rule Exception – Plays at the Plate:

Safety line rule in effect. If the runner touches home plate, the umpire will declare the runner "**out**" regardless of the actual outcome of the play at the plate.

8. Rule Exception – Mercy Rule:

There is no mercy rule in any of the open division games. Games are played out until 7 innings are completed or until the length of the game has exceeded the allotted time.

9. Rule Exception – Homerun Rule:

There is a maximum of seven (7) homeruns allowed per team per game. Any homerun batted after a team has exceeded their allotted number of seven will be considered an "OUT".

10. Rule Exception – Foul Tip:

Any tip ball caught by the catcher will be an out regardless of the height of tipped ball or number of strikes on the batter. The play will be treated like any other ball caught in foul territory.

11. Rule Exception – Time Limit:

All SAMSPA League games have scheduled start times of 3:30pm for the Plus 70 Division, 5:00 pm for the Plus 60 Division games and 6:30 pm, 8:00 pm and 9:30 pm for all other Divisions. Players are expected to be ready to play at their scheduled start time. All games are 7 innings long however, no new inning should start more than 1 hour and 20 minutes after the scheduled start time. At the umpire's discretion (the game is proceeding at a slow pace), last inning may be called any time after 1 hour and 10 minutes have elapsed from the scheduled start time.

12. Rule Exception – Use of Helmets:

Use of helmets for 2023 will not be mandatory however, SAMSPA very strongly recommends that all players wear an approved (Canadian Standards Association (CSA) or National Operating Committee on Standards for Athletic Equipment (NOCSAE)) batting helmet with two ear flaps while batting, base running and in the on-deck circle."

13. Rule Exception – Use of Metal Cleats:

Use of metal cleats is no longer allowed in any division.

14. Rule Exception – Playoff Tie after 7 innings (extra innings):

Extra innings will begin with 1 out and last batter from previous inning at 2nd base.
