AUDITORS' REPORT

To the Members of
Millwoods Lacrosse Club

We have examined the balance sheet of the Millwoods Lacrosse Club as at March 31, 1988 and the statement of income and expenses for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests and other procedures as we considered necessary in the circumstances.

In our opinion these financial statements reflect fairly the financial position of the Club as at March 31, 1988 and the results of it's operations for the year then ended .

The Millwoods Lacrosse Club has continued to operate, participating in league play with other Edmonton lacrosse clubs. Registration of players has increased through active recruitment and pre-season clinics, from a previous roster of approximately 90 players to 140 children and youth participating in 10 teams in the current season. Registration fees are collected to meet costs of court rental, equipment, jerseys, training, referees etc.

It is essential that our club regain its registration as a society, to enable us to pursue additional means of promoting the sport for the players involved, such as grants available to help support travel to out-of-province tournaments, fund-raising activities such as raffles, or a bingo licence. In previous years, STEP grants helped us employ a senior student to train younger players and junior coaches. Overall, registration as a society will help the club meet its objective of promoting the sport for the benefit of the players.
