EYBA Official Statement:

2022 was our first year launching this program in conjunction with Alberta Basketball's AB Academy, all shortcomings, or concerns that were brought to our attention following the conclusion of the 2022 academy have been addressed. The appropriate changes have been made to ensure this program helps create an opportunity to develop Alberta's top athletes in an inclusive challenging environment.

"This program is another path to provincial and national identification supported by both Canada Basketball and Alberta Basketball."
