The following policies are adopted the EMHA executive for the proceeding hockey seasons and have been ratified by the EMHA Board of Directors on October 15th, 2021.

Abbreviations

The following is a list of abbreviations and terms used in this handbook.

- CHA- Canadian Hockey Association
- RMFHL- Rocky Mountain Female Hockey League
- NAI – Northern Alberta Interlock
- RMH – Rocky Mountain Novice League

Fair Play Codes

EMHA officially endorses the Fair Play Codes established by the Canadian Hockey Association. When all those involved in amateur hockey understand and accept the values of Fair Play, it leads to the development of attitudes that make the game safer and more enjoyable for all. The Fair Play Codes for players, coaches, officials, parents, spectators and league organizers are found in the Appendix Pg. 31-40.

Registration, Fees and Team Finances

All Divisions except U7 and U9

The registration fee collected by EMHA covers the following costs for the regular season:

- Practice ice (season average to 1.5 hours/week), ½, full or a combination of ice times.
- Ice and referees for league and provincial play
- Insurance
- General and administration costs incurred by the association

The regular season generally starts the last week of September and runs until the end of February. If a team is still in league and/or provincial play their costs will be covered until they have completed play. Once a team loses out of playoffs, they will be given one additional practice time for a fun team wrap up. A team qualified for Provincials but losing out of league playoffs will have practices covered until the Provincial weekend. Teams qualifying for inter league division playoff (Tiers 5 and 6), will have practice ice covered until the Tournament weekend. EMHA will cover team entry fee into Provincial Tournaments, however all other associated costs are the

members of the teams to cover. A team can opt in or out of provincial play, entry in is acceptance of the additional costs that may or may not come with success in the Provincial program. Each team will be granted a maximum of 2 additional practices and 2 additional exhibition games.

*Members are only allowed to register in one discipline – Pond or Mainstream Hockey

U7 and U9

The registration fee collected by EMHA covers the following costs for the regular season:

- Practice ice on average to 1.5hrs per week, ½, full or a combination of ice times
- Ice and referees for league games
- Insurance
- General and administration costs incurred by the association

U7 and U9 will follow the season timeline as laid out by Hockey Canada Model. Each age group will be provided with the funding to participate in one away Jamboree and host one at home Jamboree.

Fee Payment Deadline

All Fees are to be paid in full upon registration. Registration for age groups U11 through U18 closes August 15th with U7 and U9 closing August 31st of each calendar year. It is our goal to see as many kids as possible participate, special arrangements (within reason) can be made by contacting the Registrar and upon approval from the Executive committee. Members wishing to participate in the raffle can purchase tickets at time of registration, all raffle tickets must be purchased by the closing date of registration. Selecting to participate and failing to pay will result in no ice until payment is received in full.

PLEASE NOTE – Teams will require to hold their own bank account as described in below Bank Accounts/ Accounting section. This will require a deposit by all team members to cover start up fees, in order to receive this deposit back, participation in EMHA and individual Team fundraising is required. Team start up deposits will range from \$100.00 to \$150.00 depending on participants age and tier. No greater amount will be allowed at any one given time. Failure for teams to participate in any fundraising will result in multiple start up fee calls. NSF Cheques will be the responsibility of the team and not EMHA.

Each team will be responsible for providing a full accounting of team funds to the EMHA treasurer.

Budgets

All Divisions

All treasurers are required to submit monthly statements or receipts and disbursements. The EMHA fiscal year is May 1st to April 30th and all teams must have their financial activities completed and submitted by March 31st. Please see the treasurer's guidelines available on the EMHA website. Failure to comply with these guidelines may result in the freezing of team accounts. Team accounts are the responsibility of the team however they are still ultimately part of the EMHA program and granted to each year to each team. It is encouraged and utilized to help keep registration costs low for ALL members, this includes but is not limited to funding that is directed to a team, but a team is unable to utilize, it goes to benefit all members and all programs.

Fundraising

U11, U13, U15 and U18

Teams are expected to fundraise to cover the following costs.

- Bussing - To and from scheduled games.
- Extra ice rentals – Above and beyond 1.5hrs each week, collected by EMHA.
- Team Tournament Entry Fee's
- Player mementos/coach gifts – combined with below to a max of \$1,200.00.
- Team functions – combined with above to a max of \$1,200.00.

Each Team will be assigned their fundraising activity at the beginning of the year by the EMHA fundraising director. The EMHA fundraising director must approve any other fundraising activity.

- Player mementos
- Coach gifts
- Team functions

Official Team Sponsor

All teams in Edson Minor Hockey have an official team sponsor for the season. Many of these are long-time supporters of Edson Minor Hockey and we appreciate their continued support.

Please do not approach any of the official team sponsors (including other teams) for more donations. If an official team sponsor offers to contribute to the team or the association on their own accord, their contribution will be gladly accepted.

All teams are encouraged to include sponsors in their season by providing them with a league schedule and invite them to be in the team photos.

Current sponsorship fees are.

- U7 and U9- \$750.00
- Top Tier Teams - U11, U13, U15 and U18 \$2000.00
- Other Tiered Teams - U11, U13, U15 and U18 \$1500.00

Of these fees, 50% of the sponsorship will go to the teams. The balance is retained by EMHA to cover ice, skill development, insurance and other administrative costs. The team's portion will be forwarded to the team once the sponsorship has been paid in full.

Other Corporate Sponsorship

Here are the options available to potential additional sponsors.

- Donate to EMHA in general. This will help with equipment costs (jerseys, goalie equipment, etc.), referee's fees, ice fees, clinic fees and special event fees. These reduce the overall registration fees required.
- Donate to a specific division (U7, U9, U11, U13, U15, U18). Funds will be split evenly among the teams in that division. These funds help with bussing, tournament entry fees and operating costs. These reduce the amount of fundraising required.
- Donate to a specific team. These funds help with bussing, tournament entry fees and operating costs. These reduce the amount of fundraising required.
- Other official EMHA sponsorship will be considered by the EMHA board or executive on an individual basis (i.e. tournament sponsorship).
- Money raised but not utilized by teams, goes towards keeping registration costs low. Failure to leave team accounts in a positive position will result in higher individual entry fees and a negative position is the responsibility of the team to balance.

NOTE: The intention of additional corporate sponsorship is for essential expenses directly related to hockey. EMHA does not endorse the solicitation of corporations for non-essential items such as personal attire (team jackets, etc.)

Player Selection

The EMHA employs a system of player evaluations and/or tryouts to select teams in the atom to midget age groups. Players will be expected to participate in a series of on ice sessions to help determine their placement on EMHA teams. A tryout/evaluation fee may be applicable. Proceeds from such fee will go to EMHA General account to be used for operating costs.

Deferral of Player Evaluations

All players registered within the EMHA are expected to attend player evaluations to determine which team they will be placed on. From time to time, players may have reason to seek a deferral of their evaluation. Requests for deferral must be made in writing to the evaluation's coordinator prior to the beginning of evaluations for the division in question. Reasons for deferral may include but are not limited to the following.

- If a player will miss evaluations due to another prior commitment. The player will be expected to follow the deferred evaluation process as soon after their return as possible.
- If a player is forced to miss evaluations due to injury, a doctor's note must accompany the written request for deferral. It should explain the nature of the injury and the expected date of return. A player excused due to injury must have a written doctor's report clearing them to play prior to being permitted to evaluate for future play.
- If a player is forced to miss evaluations due to illness, a doctor's note must accompany the written request for deferral. It should explain the nature of the illness prior to the player being permitted to evaluate for future play.

A player granted a deferral of evaluation would be allowed to evaluate for team placement using the following protocol.

- The player will be expected to skate at the highest level in their respective division for two practices. The coach(s) will determine if the player is fit to play on that team based on a demonstrated skill level. If the player does not qualify, they will follow the same process for the next lower team until the appropriate level is established. A player may choose not to evaluate at the highest level. They may also choose not to evaluate at all and be placed on the lowest team in a division.
- This evaluation process will not be allowed to continue to include conditioning time and/or game evaluation.
- If a level is fully registered, the player will be forced to evaluate at the next lower level. The EMHA will endeavor to make sure spots are available on all teams but this is not always possible. The determination of teams and player numbers at the beginning of the season will be based on actual player registrations.

Player Movement

EMHA encourages players to play in their own age group. Any player wishing to play above or below his or her own division must submit a written request to the Board of Directors.

PLAYING ABOVE AGE APPROPRIATE LEVEL (UNDERAGE)

Player movement above the child's age appropriate division will only be considered based on "EXCEPTIONAL HOCKEY DEVELOPMENT". A parent applying for player movement on this basis must submit a letter and a coach's recommendation in support of this application PRIOR TO EVALUATIONS. The applicable forms are available on the EMHA website and will be authorized by the executive. A player must pay the league fees in the division they are playing. All player movement will be evaluated on a case by case basis by the executive committee.

PLAYING BELOW AGE APPROPRIATE LEVEL (OVERAGE)

Player movement below the child's own age appropriate division is considered to be an overage application. A letter must be submitted to EMHA for this request and authorized by the executive. If approved at the EMHA level, it will then be forwarded for league approval and Hockey Alberta approval.

Any player who wishes to remove themselves from one team and join another will be required to make such request in writing to the EMHA executive.

PLAYER MOVEMENT AS A RESULT OF CONFLICT

In the event the request is being made as a result of a conflict, the following steps must be taken.

1. Conflict resolution between player/parent and team.
2. If unresolved, then written request to be released must be forwarded to the division director.
3. The division director will then assist in any clarification or resolution of the request ensuring that both sides of the issue have documented their concerns.
4. The division director will then forward all documentation to the executive.
5. All parties involved will meet with the executive to attempt resolution of the conflict. It will be decided if the conflict can be resolved or if the player will be released from the current team.
6. After the player is released the executive will then meet with the evaluation coordinator to decide player placement based on his/her evaluation.
7. Once placement is decided the player will be carded with the new team.
8. Player compensation, fundraising money and budget changes for the team losing the player will be addressed on an individual basis.
9. Hockey Alberta has a deadline for carding players, which is January 10th. All requests to be released must be completed before the deadline.

OTHER PLAYER MOVEMENT

U11 and Above

There will be no player movement once team selection is complete unless approved by the executive.

Hockey Alberta Registration

All players, coaches and team volunteers must be registered with HA to be eligible to participate in exhibition, league and provincial play. Registration is also mandatory to be eligible for insurance purposes. It must be noted that all U11, U13, U15 and U18 must be registered before their first league game.

A team may register a maximum of 19 players, of those 2 must be goalies. U11 teams do not designate goaltenders.

All coaching staff and team officials (any volunteers) who wish to be on the ice or on the bench with the team MUST be registered with HA. Registration of team officials cost the EMHA approximately \$38.00 each. The association will provide up to five official registrations per team. If a team requires more official registrations, they may be required to pay the registration fee from team funds. Each request will be evaluated by the EMHA executive.

All players who move away from Edson will need a release from EMHA before they can play for another association. Players moving to Edson will need a release from their previous association.

All players wishing to try out with another local minor hockey association must fill out the appropriate Hockey Alberta forms and get signed by the EMHA president.

Insurance

Hockey Canada has constructed a National Insurance Program to provide financial resources to help deal with the cost of risks which confront organized hockey.

Who is Eligible/Covered

Hockey Canada and each of the branches of which Hockey Canada is comprised of, is specifically named as an insured, as well as all minor hockey associations, leagues and teams that form a part of Hockey Canada.

The local MHA, team or league on behalf of all its members will submit the premium. It includes a formula that incorporates the "volunteer" member fee into the overall fee paid on behalf of its player participants.

Each Hockey Alberta member for whom a premium has been paid could be entitled to the following coverage under the Hockey Canada National Insurance Program

- Comprehensive General Liability
- Accidental Death and Dismemberment
- Major Medical and Dental

For more detailed information on this member benefit and its coverage refer to the Hockey Canada “Safety Requires Teamwork” booklet. The valuable resource guide is printed annually by Hockey Canada and distributed through Hockey Alberta, free of charge to all members.

When Are You Covered?

- During a Hockey Alberta SANCTIONED event (league games, tournaments, practices, training camps, sanctioned fund raisers) involving and/or WHEN PLAYING OTHER MEMBER (Hockey Canada/OTHER BRANCH) TEAMS ONLY.
- During transportation directly to and from the arena or venue for the above sanctioned events. Please note, travel outside of team scheduled travel will void insurance.
- While billeted or at a hotel during the above sanctioned events.

How to Make a Claim

- SECURE a Hockey Canada Injury Report form from your team safety person or minor hockey association.
- COMPLETE the form in its entirety. Have your team official complete the section and your doctor/dentist complete the back of the form.
- SUBMIT the fully completed form to the Hockey Alberta office (fax: 403-346-4277) along with any receipts or invoices within 90 days of the date of accident.

Important Notes

- Only accident report forms received by the Hockey Alberta office within 90 days of the date of accident will be accepted.
- Forms must be completed in their entirety or they will be returned.
- Only original receipts and/or invoices are acceptable.

Affiliation

The intent of affiliation is to provide a team the ability to fill their roster to a regular roster number of players from an approved list of players from a lower category or division within Edson Minor Hockey Association. Affiliation is available to allow a team whose roster is depleted for whatever reason to use players from a team of a lower category or division to complete a game in as competitive manner as possible.

Please note - Affiliation rules for the league you are registered may differ or supersede that of HA, it is your responsibility to review and understand and ensure both the team and affiliate member remain compliant.

Hockey Canada Regulation E. 35a. – Affiliation

A player of a team of a lower division or category of the same club, or of an affiliated team, or a specialty affiliated player, may affiliate to a team or teams of higher divisions and categories at any time, **to a maximum of ten (10) games**. However, if the player's registered team completes its regular season and playoffs before the player's affiliated team or teams, the player may thereafter affiliate an unlimited number of times.

Players available for affiliation will be determined annually based on registration numbers, league rules and available players. All affiliations must be declared and filed in writing with Hockey Alberta prior to December 15th, affiliates used prior to Dec 15th still require to be approved by HA and the League Affiliations must be signed by the EMHA president and approved by Hockey Alberta before affiliated players can be utilized.

Applications to affiliate to a team of a higher category or division outside of Edson Minor Hockey Association will be dealt with on an individual basis. Lateral affiliation or between equal teams is not possible.

The use of affiliated players for any game or practice must be agreed upon by the coaches of both teams. The affiliation request form must be filled out and signed by the requesting coach, the affiliates head coach and the division director before the affiliate can practice or play with the affiliate team. Affiliated players will not be approved to play as an affiliate on the same day if the game is before their registered team is scheduled to play. However, it is the members of Edson Minor Hockey's best practices to utilize a full roster for practice.

Teams are required to utilize all affiliates in practice, they are not able to only use one. A player must be affiliated to participate in another teams practice example – No one player will skate with another team without rotating affiliates or goalies.

Procedure

All affiliate procedures will follow the governance of the league each team is participating in. Provincials will follow Hockey Alberta affiliation guidelines.

Affiliates will be determined by the executive and assigned to each team utilizing data provided by evaluations.

Team Personnel

All individuals involved in coaching EMHA teams, either on ice or on the bench will be approved by EMHA executive and must meet the following requirements.

- Must complete an EMHA coaching application form and submit it to the association. This document will be retained by the association in confidence and become part of the individual's coaching file.

- Must go through the Back Check process online. The check will be valid for up to 5 years.
- Must complete any required training dictated by Hockey Alberta and Hockey Canada as outlined below

Hockey Alberta regulations dictate that all teams must have the following “certified” personnel registered to their team.

Coaching

- Coaching requirements will follow the most recent requirements of Hockey Alberta and can be found on the Hockey Alberta website.

Safety

- All Hockey Alberta teams U9 and above must have one team official that has completed the Canadian Hockey Safety Program and be in attendance at all games. It is recommended that teams have more than one team official with the Canadian Hockey Safety Program successfully completed. In U7 there must be one safety per 10 players.
- Teams must have a registered, eligible (as defined below) safety person prior to the 1st game (exhibition or other) of the current hockey season. Teams failing to adhere to this regulation may jeopardize their eligibility for provincial, regional and national playoffs. An eligible safety person is defined as a person who has successfully completed the requirements for certification in the Canadian Hockey Safety Program. The certification for this program is valid for a period of three hockey seasons from the date of the clinic attended to August 1st of the third season.
- All team officials must have successfully completed Respect in Sport- Activity Leader/Coach/Officials.
- Hockey Alberta requires that one parent/guardian per family has successfully completed Respect in Sport- Parent. An eligible Respect in Sport person is defined as a person who has successfully completed the requirements for certification in the Respect in Sport program.

The EMHA will endeavor to host clinics required by its coaching staff in a timely fashion throughout the season. If a carded member of a team’s coaching staff is required to take a clinic outside of Edson, they will be reimbursed their registration fee by the EMHA. Verification of attendance (certification), receipts and a coaching clinic expense form must be forwarded to the treasurer for reimbursement by March 15th of the current season. The EMHA will reimburse the registration fee for referee’s clinics for individuals who referee five games. The forms to submit these expense claims are located on the EMHA website.

Ice Schedule

All teams will receive a practice schedule after evaluations are complete and team rosters have been finalized. Coaches may request different practice times if there is a conflict (e.g. with work schedule), however it is entirely possible that these requests may not be accommodated. Precedence will be given for higher tiered teams with the intent of practicing Tuesday and Thursday as they play more league games, they see more Sunday games than other tiers. The following on ice practice times may be applicable:

U7 Ages 5 and 6 – 645am to a max of 800pm

U9 Ages 7 and 8 – 645am to a max of 800pm

U11 630am to a max of 800pm

U13 630 am to a max of 915pm

U15 600am to a max of 945pm

U18 600am to a max of 1015pm

The general rule of thumb is youngest to oldest each day, this means U11 right after school every day. There are exceptions, in order to promote affiliation and development this is not always possible and will be evaluated by the executive and ice scheduler on a year over year basis to put forth the most balanced schedule we can within the given ice time we have and utilizing age-appropriate planning, at times ½ ice practices will be a reality.

U7 will be scheduled utilizing Friday, Saturday, and Sunday with as much notice as possible. This will mean as it has for the past years, 7 and 815am ice slots. If ice opens later in the day, the ice scheduler will then contact the respectful teams to move them. This is a change as over the years these groups were scheduled last filling in the holes, our goal is delivering schedules weeks in advance to members. The same will apply to U9 until their regular season commences.

League games are scheduled cooperatively between the EMHA ice scheduler and the respective league's schedulers. All teams will receive their schedule prior to the first game of the season, the initial schedule may be incomplete pending the results of team placements within their league.

League scheduled games cannot be changed without permission from the appropriate league director. No team may forfeit a scheduled league game. Doing so may result in the league revoking EMHA's playing bond (no EMHA team will be allowed to compete in league games) and may result in suspension and/or fines.

All league games must be played by the deadline set by the respective league. Any extensions to league/playoff/provincial deadlines must come directly from the respective league and/or Hockey Alberta.

Only team managers can book or cancel ice with the ice scheduler. This includes ice for tournaments, cancellation of a practice time or cancellation of an exhibition/league/playoff/provincial game.

Tournaments

It is EMHA's goal to provide each team with a home tournament, however with the increased challenges of tiering, imposed blackouts due to the double tiering system it is not always possible. EMHA will only guarantee U7 and U9 Members a tournament/Jamboree each year and will do its best to offer as many additional tournaments as ice can permit. Tournaments may be shared with other teams and the following will apply:

- A tournament contract will be completed with the Director at Large, Division Coordinator and team tournament coordinators.
- Each team is required to manage their age groups games and provide the necessary volunteers.
- Each Division will split funds equally for donations and registration. Inter division tournaments will split raffle tables equally amongst the number of hosting teams along with raffle table time slots. Example two U13 tier 3 teams and a U15 1 team, U13 splits the entry fee and donation money given to them for their portion of the tournament and the raffle table is split 3 ways between all 3 teams. U15 would NOT split entry fee or donation money.
- All tournament expense will be accounted for in real dollar value before any splitting of funds.
- Tournament proceeds to be donated will only be approved when received and approved by the Executive via email, a breakdown of tournament fundraising will be required upon completion of the tournament representing all costs and then final approval will be granted as a donation on behalf of EMHA.

Tournament fees will be as follows:

U11 and U13

4 Game guarantee \$1,600.00

3 Game guarantee \$1,200.00

U15 and U18

4 Game guarantee \$1,800.00

3 Game guarantee \$1,400.00

U7 and U9

Single Day - \$600.00 based on 3hrs ice slots per team with ½ ice games

Two Day - \$900.00 based on 4hrs of ice per team with ½ ice games.

U11 and U13 will receive floods every second period other than the gold and bronze medal games.

U15 and U19 will receive a flood every period.

EMHA Tournament Cancellation Policy:

A team is committed once payment is received, if a team cancels, they will be refunded the full amount once a replacement team is located and paid. Failure to secure a replacement will result in the loss of the payment from the cancelling team. Exceptions are that of act of god when approved in writing by the executive. This must be documented in the team tournament info sheet sent out prior to payment of incoming teams.

Game Sheets

It is the responsibility of each team to ensure that all game sheets are properly completed and

forwarded to the appropriate individuals. League game sheets must be forwarded to league officials. Any game sheet that involves an overage player must have that player identified as “OA” and must be faxed to the appropriate authority (please confirm with your league representative).

Game sheets are required during **tournaments** and required by the hosting team(s) to ensure they are sent to Hockey Alberta in a timely fashion.

Each team is required to provide a minimum of 2 off-ice officials for each game, one for the game sheet and one for the clock that can also manage the penalty boxes. Additional positions can be given consideration for music and penalty box but are the decision of the head coach and manager.

Suspensions

It is the responsibility of each team to monitor any suspensions to their players and personnel and to forward all suspension notices, referee reports and pertinent game sheets to Edson Minor Hockey codes and conduct person. The section on suspensions in the Hockey Alberta Bylaws and Regulations (every team is provided a copy) should be reviewed on a regular basis. Certain infractions carry mandatory suspensions; which may, at the discretion of Hockey Alberta or respective leagues, be increased. It is the responsibility of the team to keep track of this, not knowing about a suspension is not an acceptable excuse for playing a suspended player. Playing a player who has not served their suspension is considered a serious offense and can carry with it an indefinite suspension for the individual signing the game sheet. WHEN IN DOUBT THE OFFENDING PLAYER SHOULD NOT BE PLAYING, RECORD ON THE GAME SHEET (SUSP)!!!

Suspended players must be identified on the game sheet by marking “SUSP” next to their name. A notation of “X of Y” is also useful to note, where X is the number of the game being served and Y is the number of games of the suspension. For example, 1/3 indicating serving 1st game of a 3-game suspension.

Important Dates

There are a variety of dates that crop up throughout the season that are significant in the operation of the teams in respect to the respective league and Hockey Alberta. It is the responsibility of each individual team to be aware of how these dates affect the operation of their team. These dates are printed in the minor section of the Hockey Alberta Bylaws and Regulations and should be reviewed at the beginning of the season by coaches and managers.

Travel

Playing hockey in a small-town entail travelling to other towns on a regular and ongoing basis. To ensure compliance with respective leagues and Hockey Alberta rules and to ensure the maximum level of safety to all, the following guidelines have been established. A map of Hockey Alberta zones is in Appendix F.

Away Games

EMHA advises the use of busses for away games. It remains the parents' prerogative as to how they get their children to games. If they are transporting other children however, it is strongly suggested that they contact their insurance companies to discuss liability issues. Players are not permitted to transport themselves to games out of town.

Permits/Sanctions

Travel permits are required by Hockey Alberta for travel outside of our zone (we are zone 3) OR unscheduled league games. An exhibition game permit is required by Hockey Alberta for the team hosting any exhibition games. The other participating team must obtain their own HA sanction number to attend the non-league game. EMHA has a permit/sanction coordinator who assists in completing the necessary applications to Hockey Alberta. Team officials will be provided with a sanction number that must be indicated on the game sheet. The team is responsible for faxing a copy of the game sheet to the permit issuer. Failure to comply may result in suspension for travel by Hockey Alberta.

Dress Code

EMHA has a dress code for players and team personnel. This code has been instituted to help ensure a certain level of respectability of all team members while representing our town and association at home and on the road. Teams may choose to adhere to one of two options.

1. Dress pants, shirt, tie and dress shoes (weather permitting)
2. Team track suits.

In addition to these codes, the association has established several restrictions that apply to team attire (vests, fleeces, jackets, track suits, etc.). These restrictions are in place to ensure consistency throughout the association. This helps parents and players by making the attire similar from year to year so that new items need to be purchased less frequently. It also helps to minimize conflicts that can occur between sponsors. No hats, toques and winter boots are acceptable.

The official track suit is a standard black track suit with EMHA colors as accents. Approved team attire may contain the EMHA logo, player name, position, team name and division.

THERE MUST BE NO CORPORATE LOGOS OR NAMES ON TEAM ATTIRE.

Teams not adhering to these dress code regulations may be sanctioned at the discretion of the EMHA executive and board of directors.

Conflicts/Complaints/Disputes

EMHA has instituted a conflict resolution policy to help deal with any conflicts, complaints or disputes that may arise during the season.

Any conflict within EMHA will be resolved with the following policy.

1.0 Risk Management

1.1 EMHA shall adhere to the risk management policies outlined by Hockey Canada and Hockey Alberta. Risk management in Alberta amateur hockey refers to insurance, safety and abuse issues

1.2 Insurance issues:

- (a) Insurance is purchased by EMHA through Hockey Alberta for the protection of coaches, assistant coaches, managers and players on a team.
- (b) Only coaches, managers and players registered or affiliated to that team are protected. Under no circumstances are players not registered or affiliated with the team allowed to practice or play with that team.
- (c) Violation of this policy put the coach, parent/guardians and players of the team and the association at a high level of personal financial risk.

1.3 Regarding Abuse:

- (a) Hockey Canada has adopted a zero-tolerance policy on abuse. EMHA supports this policy.
- (b) Hockey Canada provides extensive definitions and examples of abuse and harassment which should be reviewed. Hockey Canada has provided the following information booklets: Safety for All and Safety Requires Teamwork and the brochures Speak Out and Hockey Should be Fun, Right? These booklets discuss the issue further. This information is available on Hockey Canada's website www.hockeycanada.ca and Hockey Alberta's website www.hockeyalberta.ca
- (c) It is the policy of Hockey Canada that any member who has reasonable grounds to believe abuse is occurring should report the abuse immediately to the local child protection agency and/or local police service. EMHA and its members will follow this policy. The reporting member shall advise the EMHA president if such incidents occur.

2.0 Injury Reports

2.1 The Hockey Canada injury report form shall be used to report injury/incident

2.2 Instructions on completing the Hockey Canada injury report form are contained in the document called Accident Report Forms reporting form. These forms may be found online.

2.3 Regardless of whether a claim is to be made, the Hockey Canada injury report form must be completed within 90 days of the incident.

Concussion and Return-to-Play Guidelines

It will be the responsibility of the player, parents and team officials to handle concussion, concussion like and other possible head injuries according to the following procedure.

1. If a player has sustained a possible head injury the player must receive medical attention from a doctor as soon as possible.
2. The diagnosis of the injury must be disclosed to the player's team officials, division director and the EMHA executive in writing from the physician.

Return-to-Play Steps

1. No activity, complete rest. Once back to normal and cleared by a doctor, proceed to step.
2. Light exercise such as walking or stationary bike for 10-15 minutes.
3. Sport specific aerobic activity (light skating).
4. "On ice" practice such as skating, shooting and passing drills with NO CONTACT.
5. Once cleared by a doctor, "on ice" practice with body contact.
6. Return to play.

Each step is equivalent to a minimum of one day. If an athlete has any symptoms at any time during any of the steps, activity must be stopped and rest for a minimum of 24 hours or until symptoms resolve. The athlete must again see a doctor to be cleared before resuming the return-to-play step plan.

- 3.2 All members and participants of the association shall respect other members, officials, parent/guardians, players, fans, team officials, volunteers, executive board of director's members, employees and property of the association. Any inappropriate conduct, threats, harassment or abuse (including the use of profanity) directed towards game or team officials, members, parent/guardians, players, fans, volunteers, executive board of director's members, employees, or damage to the property of the association or of another association will not be tolerated.
- 3.3 All members, fans and participants of the association shall respect the game of hockey and shall behave in a manner so as not to make a travesty of the game.
- 3.4 The association will not tolerate loud, obscene, obnoxious coaches, managers, assistants, players, parents/guardians or fans. Such individuals will be subject to disciplinary action as outlined in the disciplinary section of this handbook.
- 3.5 Parent/guardians and fans are not permitted in the dressing rooms except as expressly

- 3.9 A team official must be designated to ensure the dressing rooms utilized by EMHA teams are left as found. Any damages may be subject to a team fine. Any damage found prior to occupancy needs to be reported to arena staff and documented.

4.0 Incident Reports

- 4.1 The incident report shall include specific details of persons involved, date, time, location and details of the incident. It shall be signed by the reporting person, with full contact information.

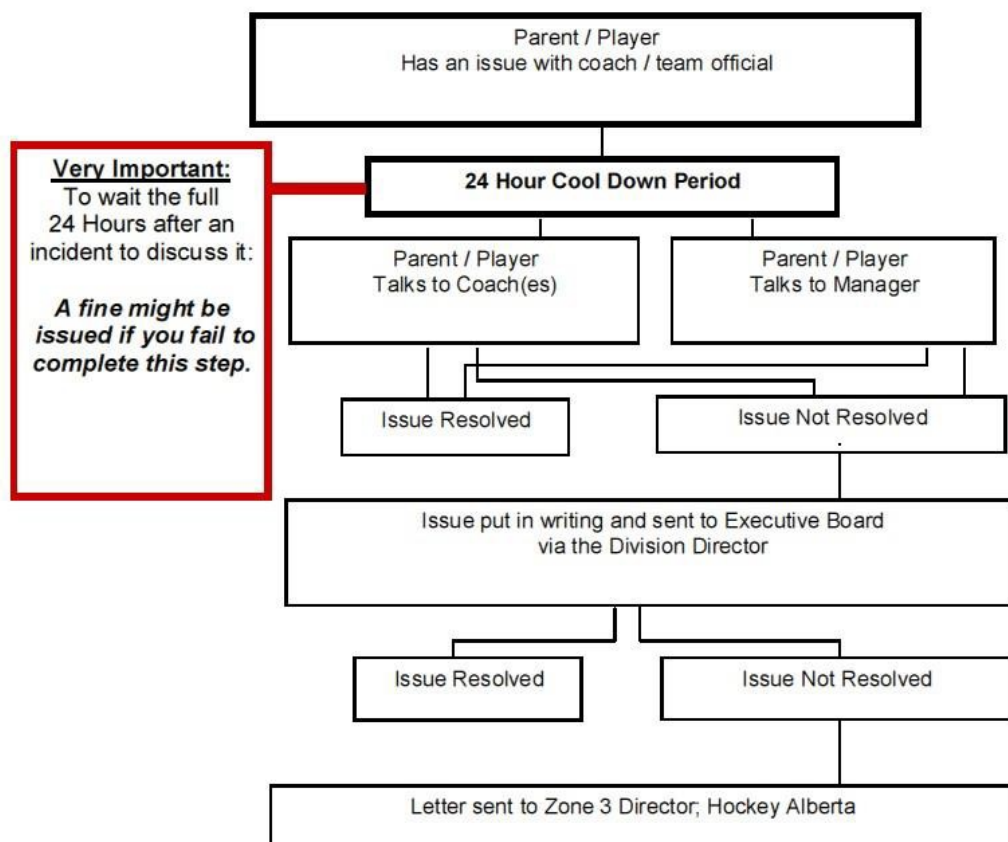

5.0 Officiating Incident Reporting Policy

- 5.1 Hockey Alberta's referee in chief of zone 3 is responsible for all referees and game officials. A copy of the complaint is to be forwarded to the North Zone Referee Chair (NZRC) as outlined in Hockey Alberta guidelines. The complaint will be investigated by the local RIC and his findings reported to the local association as well as the NZRC. Additional follow up and discipline if necessary, will be determined by the RIC and the NZRC.

6.0 Issues, Concerns and Grievances

Problems and situations may arise during the hockey season that requires some form of resolution. It is our goal to have issues resolved at the lowest level possible and keep the lines of communication open. A communication flow-chart is provided to assist members in working out conflicts. It is always best if conflicts can be resolved between the immediate parties involved, however there are times when this is not possible. In those incidents, complaints are put in writing and dealt with at the board level.

Edson Minor Hockey Association: Parent / Player Communication Flow - Chart

- 6.1 All issues, concerns and grievances must be dealt with in a spirit of shared mutual respect.
 6.2 Regarding general issues, concerns and grievances.

Following the procedures outlined by the coach and waiting for 24 hours will result in a better discussion and more effective resolution of the issue.
- (c) The head coach is expected to exercise a high level of integrity and confidentiality in dealing with issues, concerns and grievances. A head coach is to strive to do the best job they can for the players, parent/guardians and team. Raising an issue, concern or grievance cannot be held against the player.

The evaluation/tryout coordinator may contact this person for clarification of the event in question to obtain further information and shall conduct an investigation.
- (c) Once the investigation has concluded, a response will be provided to the complainant explaining the process taken and the outcome reached.
- (d) EMHA recognizes the need for privacy and discretion in the gathering of all information relating to a complaint. The evaluation/tryout coordinator will use the utmost discretion in investigating the complaint. The name of the complainant will be held in confidence whenever possible.

- (e) The respondent and the complainant must appear in person and may not be represented at the hearing by another individual. The only exception to this rule is that minors must be accompanied by a parent/guardian at the hearing.
- (f) The executive comprises volunteers who are not versed in the application of the law. Accordingly, neither the respondent nor the complainant may have legal counsel representing them at the hearing.
- (g) The complainant and the complainant's witnesses shall appear before the executive first. Each witness will appear individually and will not be present in the hearing room during the presentation by other witnesses. The respondent shall be present during these presentations and shall have the right to ask questions of each witness through the committee chairperson.
- (h) The committee chairperson may determine if a question asked by the respondent is irrelevant to the investigation. The chairperson may then instruct the witness not to reply to the question and inform the respondent of the reason why the question is not relevant. The question will be documented and remain part of the file for future reference.

- (i) The respondent will then be asked to present their version of the events, which led to the complaint and to respond to the information provided by the complainant and their witnesses.
- 10.7 The executive shall, with all dispatch, render a decision, and communicate that decision to both the complainant and the respondent.
- 10.8 The executive shall maintain a file on each matter referred to it, comprising the original complaint or report, copies of all "Notices of Discipline Hearing", copies of the witness lists, the notes made by each member of the executive committee during the hearing and a copy of the written decision of the committee. The executive maintains such files in a locked filing cabinet.

Equipment

All players must wear full protective equipment for all games, practices and other on-ice activities. This equipment shall include a CSA certified helmet, facemask, BNQ certified throat protector, gloves, elbow pads, shoulder pads, jock/jill protector, pants and shin pads.

Coaches and parents should ensure that all equipment is in good repair and properly fitting.

Uniforms

The association provides jerseys for each team. Initiation and novice have one set each and all other teams have a home and away set. The jerseys are "loaned" to players as part of their registration fee. Matching socks are not provided, and it is the responsibility of the players to provide their own socks.

For the particular year that a player has the jersey, the players may have a NAME BAR sewn onto the back of the jerseys (no gluing, no speed sew). DO NOT embroider names directly onto the jerseys. Players will be held responsible for replacing damaged jerseys.

The 'C' and 'A' patches for captains and alternates must be applied to the jerseys using the same techniques, care and attention as name bars. No other modification shall be permitted without executive approval.

Due to the expense of replacing uniforms, each team will be required to provide a deposit of \$100.00 in the form of a post-dated cheque at the beginning of the season. These cheques will be returned or destroyed upon return of the uniforms at the end of the season.

DO NOT PUT JERSEYS OR SOCKS IN THE DRYER!!!!

It is to be noted that the equipment managers are not to allow players to take their jersey home.

A limited number of pinnies are available from EMHA, please contact the equipment manager.

Goaltending Equipment

EMHA will provide and maintain goaltending equipment to registered players based on the following.

- The basic set of goaltending equipment will comprise a chest protector, leg pads, blocker and catcher. Players will be required to provide all other necessary equipment as per EMHA guidelines. All equipment will be selected to provide good protection for the player at the level in which they are playing. Most goaltenders play with a left-handed catcher and a right-handed blocker, a limited number of alternate hand gloves will be available from the equipment manager. All equipment will be inspected prior to the season and maintained as necessary during the season.
- For initiation and novice levels the coaches to whom the equipment is issued will be responsible for its handling. Guidelines will be made available to the coaches. At higher levels, the player issued the equipment will be responsible for its handling. Guidelines will be made available to the player, parents and coach.
- Any problems with equipment should be brought to the attention of the equipment manager. The equipment will be repaired or replaced as needed. Spare equipment will be available as needed.

U7

Goaltending equipment is not recommended at the initiation level because it impedes the player's ability to learn hockey basics. Goal sticks will be provided for all teams.

U9

During the novice years, many players will want to experience playing goal. This should be encouraged by coaches with parental approval. Towards the end of novice, players will begin to identify themselves as future prospects for the goaltending position. Most coaches at this level will want to dress two goalies for practices and some games.

One set of goaltending equipment will be provided per team. Each set will consist of chest protector, pads, blocker and catcher. One goal stick will be provided per team.

Other

Requests for goaltending equipment beyond these basic guidelines will be addressed by EMHA on an individual basis. The equipment manager should be contacted with these requests. See Appendix Pg.37 for proper care and maintenance of goaltending equipment.

Other Equipment

Teams will also be provided with an allotment of pucks and a first aid kit at the beginning of the season. Please replace any supplies used with team funds.

Lockers

Each team will be assigned a locker for use during the season and is responsible for the contents of the locker.

Personal Electronic Devices

The use of any form of camera, cell phone, video camera, camera phone or any other personal digital accessory capable of photographs or video is prohibited in any recreational facility change rooms during any EMHA sanctioned event. For safety reasons, the use of a cell phone/PDA on the players' bench by any individual is strictly prohibited during any EMHA sanctioned event. In the event that an individual is required to take a phone call, they should remove themselves from the bench area until they have finished their business, provided there are other team officials remaining on the bench. Exceptions will be made for on-ice medical emergencies where a cell phone is required.

Edson Minor Hockey Care and Maintenance of Goaltending Equipment

Edson minor hockey provides goaltending equipment to registered players to help reduce the expense to parents during the early hockey years. The provision of the equipment helps ensure adequate protection for young goaltenders.

General

To provide proper protection and mobility, the goaltending equipment should fit properly and should be attached and worn properly. Failure to do so may result in unnecessary injury and/or damage to the equipment.

The goaltending equipment must not be used for any activities other than ice hockey (especially street hockey).

The user will be responsible for any cost incurred to repair or replace equipment damaged beyond the scope of normal wear and tear or lost. Abuse of the equipment will not be tolerated.

All equipment should be air dried at room temperature after each use. Do not use heat or clothes dryers to dry equipment. Damage to the surface materials or internal padding may occur.

Washing

The equipment should not need to be washed over the course of the season. The surfaces of the equipment may be cleaned using a warm damp cloth as necessary. Equipment should always be allowed to dry thoroughly after such cleaning. A disinfecting spray such as Lysol may be used periodically to reduce equipment odors caused by bacteria. Never wash the equipment in the washing machine.

Repairs

Please inspect all equipment regularly for damage. Any problems with equipment should be brought to the attention of the equipment manager. The equipment will be repaired or replaced as needed. Spare equipment will be available as needed.

Please do not repair any equipment except in the case of an emergency to make equipment acceptable to play.
