Re: UPDATE – EIYSA Indoor League Season Cancelled

On March 1st, the Alberta Government announced that any further easing of restrictions for children and youth team sports activities would shift and move into Step 3 of their 'Plan Forward'. What this means is there could potentially be easing of restrictions no sooner than March 22nd. As a result of this news the EIYSA Board of Directors have decided to cancel the remaining 2020-2021 Indoor Soccer League games.

The EIYSA Board of Directors will continue to support all clubs who choose to continue to provide training activities under the ASA 8&2 Return to Train rules. We thank each club for their commitment and dedication to the players as you continue to provide top-notch training options while following all AHS guidelines.

The EIYSA Board of Directors have a refund/credit strategy in place and all clubs will be contacted over the next week to begin the process.

Thank you to all members for their commitment to this great game during these extremely trying times. We look forward to getting back onto the field and providing everyone a fun and competitive 2021 outdoor season.

Stay safe and take care!
